Academic Affairs  
April 2026 BOT Updates

**Brandon/Academic Affairs:**

We are conducting our HLC Mock Visit next week on April 30<sup>th</sup> and May 1<sup>st</sup>. We have finalized the schedule with our consultant and look forward to receiving their feedback after the Mock Visit. The Board of Trustees session is scheduled for April 30<sup>th</sup>, from 12-1, in PA 259. This will be a great learning experience for most of you since it will be your first time going through an HLC visit.

As part of our full accreditation visit, HLC conducted a Student Survey earlier this month. The results were overall positive.

All HLC assurance argument drafts have been submitted and initial feedback is positive. Criterion 4 is the only one we have not received initial feedback on yet.

As I prepare for the June Board Retreat and providing a Strategic Plan update as we wrap up our first year of the new plan, please let me know if there are any specific goals or initiatives that you would like an update on. Otherwise, I plan to provide a similar summary as the one I provided to wrap up the 2019-2024 Strategic Plan, which will highlight our successful actions and provide an update on those still in progress.

I attended the various Budget Presentations throughout mid-April.

I recently joined KBOR's Transfer and Articulation Council (TAAC) and attended my first meeting on April 1<sup>st</sup>.

Also on April 1<sup>st</sup>, I attended the Cybersecurity Consortium Meeting, along with Monte Poersch, and Heather Gennette. These meetings are now occurring bi-weekly, so we all also attended on April 15<sup>th</sup>. I have specifically been helping with exploring what any sort of shared credential might look like among the participating institutions. This consortium is tied to the Kansas Air National Guard partnership.

We held our Spring In-Service on April 2<sup>nd</sup>. The first part of the morning I provided an HLC Update to all faculty and staff, and then faculty attended three sessions in smaller groups over the remainder of the morning: 1) An AI Workshop in the new lab that I led; 2) An AI Discussion led by Rob Zima; 3) An Active Learning workshop/discussion led by Cindy Lamberty.

We had a Graduation Committee meeting on April 7<sup>th</sup> to plan for this year's commencement ceremony. One new addition we are excited for this year is the invitation to our adult ed GED graduates to attend and be recognized. A reminder also that Graduation is on May 15<sup>th</sup> at 5:00 p.m.

I attended the April KBOR meetings virtually on April 15<sup>th</sup>. I also worked out of the Geary Campus that day.

Brandt Hutchinson led a meeting on communicating Excel in CTE changes to our high school partners on April 20<sup>th</sup>. Amanda Strait and I both attended.

I attended the April TEA meeting on April 23<sup>rd</sup> virtually.

David Van Bebber, our new Mass Comm instructor who is starting next fall, visited campus on April 24<sup>th</sup> and I met with him and two of our mass comm students to give a quick tour of the KVCO radio station space. We have plans to get the group together again in early August when we have more time to do a deeper dive into the space.

Dr. Julia Galm and Rob Zima worked with faculty at Fort Hays State University to develop a proposal for KBOR's Sunflower Fellowship. They will be notified on May 4<sup>th</sup> if selected. This fellowship grant provides funding to the small faculty research team from both institutions as they explore the development of online co-requisite course deliveries.

Mary Cooper (Library) conducted a Library Satisfaction Survey for faculty and staff to get a sense of current perceptions and needs of the library and its services. Mary also met with Student Senate, Geary students, faculty, and staff, and Michelle Charbonneau at the Children's Center to discuss needs.

Based on those meetings, Mary set up visits to provide story time at the Children's Center on May 19<sup>th</sup>, June 16<sup>th</sup>, and July 21<sup>st</sup>. She also set up a presentation with the Extension Office for our students in September: "Healthy Meals on a Budget."

Mary also created an interactive bulletin board highlighting April literacy-related holidays, including the following activities: cards with stamped envelopes to celebrate Letter Writing Month (12 were taken); Poem in Your Pocket Day (4 people participated); and 18 individuals provide comments on the bulletin board.

#### Concordia:

We hosted the annual Kansas Regional Music Festival on April 11<sup>th</sup>.

The ARTrageous Cook Series event on April 14<sup>th</sup> had an estimated attendance of just over 100. It was nice to see students in attendance and how much fun they had getting on stage with the performers.

Brent Phillips attended the Concordia Creative Strategic Doing lunch at Cloud Corp on April 16<sup>th</sup>. A representative from the Dane G. Hansen Foundation led the meeting. The mission of the group is to promote art in the community. Some initial ideas include murals, creative spaces for the general public, art partnerships with us and with the USD, art classes, and art shows. The next meeting is scheduled for May 18<sup>th</sup>.

Chris Langsford served as a judge at the State Large Ensemble Music Festival in Oakley on April 16<sup>th</sup>.

The annual High School Art Show was held on April 24<sup>th</sup>. We had 13 schools in attendance from across our region, with nearly 200 students registered. Thanks to Brent Phillips and Sherry Drake for all of their work on organizing the event. Thanks also to Dr. Kim Monroe, Dr. Julia Galm, Will Kingsland, and Grace Carder who donated their time to hosting workshops or judging.

The *Silver Lining* creative journal is having its launch party on May 1<sup>st</sup> at noon in the Welcome Center. Students will have a chance to share their works and there will be cupcakes for everyone to enjoy. The Board has been provided special advanced copies at tonight's meeting, but we still encourage you to attend the launch party if you are free. Thanks to Dr. Julia Galm for all of her hard work on this year's journal.

Cloud's Junction City Community Choir partnered with JC Steet Prophets and sang at the Geary County Detention Center on April 12<sup>th</sup>. The group is also performing on April 25<sup>th</sup> at Paradox Coffee.

Cindy Lamberty, Keela Andrews, Stephanie Clark, and Jen Z. submitted the BCBS Pathways Food Pantry grant. This has been a long process in finally securing the grant, and it will benefit GCC students and the community as a result.

#### **Nursing:**

The Nursing Pinning Ceremony will be held the same day as Commencement, May 15<sup>th</sup>. The Pinning will be at 2:30 p.m. Nursing anticipates 35 graduates for its 2026 ADN class to attend.

Nursing is running some in-person summer courses, as well CNA and CMA. Total enrollment in all courses as of April 21<sup>st</sup> is 97 students (likely duplication across the three nursing courses).

Nursing hosted several guest speakers in April, including Dr. Cheney, the Ascension Burn Education Unit, NCKMC Decon Experience, and Libby Waldy Centurion Correctional Healthcare.

**Renewable Energy:**

Both turbines are functioning properly again.

Updates from the Cloud AID project:

A team from Valqari was onsite to install the Drone Delivery Stations

# Memorandum

**To:** Board of Trustees

**From:** Caesar Wood, Vice President for Administrative Services

**CC:** Amber Knoettgen, President

**Date:** 4/27/2026

**Re:** Approval of Tuition, Fees, and Housing Rates 2026-2027

The following are the administrative recommendations for Tuition, Fees, and campus housing rates for the 2026-2027 academic year.

## Tuition & Fees

In-District Tuition (Cloud County Resident)	Remain at \$71 per credit hour
<b>In-State Tuition (Non-Cloud County, KS Resident):</b>	<b>Increase to \$80 per credit hour</b>
Out-of-State Tuition (Non-Kansas Resident):	Remain at \$103 per credit hour
International Tuition (Non-USA Resident):	Remain at \$122 per credit hour
Online Tuition:	Continue to match residency for tuition rates
Overall Course Fees:	Remain at \$53 per credit hour
Includes: Registration Fee (\$4/CH), Building Fee (\$4/CH), Comp Fee (\$25/CH), and Tech Fee (\$20/CH)	
Online Course Fee:	Remain at \$25 per credit hour
Geary County Campus Facility Fee:	Remain at \$10 per credit hour

NOTE: Individual course fees vary by course and do not require Board approval.

## Housing Rates

Thor (Single rooms)	Remain the same at \$4,000 per semester
Black and Gold (Shared rooms)	Remain the same at \$3,300 per semester

Cloud County Community College remains highly competitive in its cost of attendance compared to other Kansas institutions. With 85% of our student body from Kansas, this proposed \$2-per-credit-hour increase in in-state tuition is a necessary step to ensure long-term financial sustainability amid rising inflation and operational costs. We met with the student senate and residence hall students to review the proposed \$2-per-credit-hour increase in the in-state tuition rate, and all unanimously supported it.

RECOMMENDED ACTION: Approve the recommended Tuition, Fees, and Housing Rates for the 2026-2027 academic year as presented.

**Re:** Approval of Athletic Insurance

Bids were requested through Dissinger Reed, a division of HUB International, for student athletic insurance coverage for the academic year 2026-2027. Athletic insurance provides medical coverage more than the student athlete's primary personal insurance coverage for a reasonable per-occurrence deductible paid by the college. A summary of the past three years' coverage, as well as proposed coverage for 2026-2027 and associated costs to the college, is provided below.

HUB/Dissinger Reed provided the following athletic insurance provider options for the college. There was no increase in basic coverage from last year, and no increase in the catastrophic insurance premium for this year. The college's loss percentage is 52%, and carriers prefer rates below 60%, with only \$4,000 in claims this past year. The college added equestrian and rodeo to the policy last year to reduce risk and ensure our students are protected.

**Re:** Approve the termination of the MOU at the Regional Rural Technology Center in LaHarpe, Kansas

The Regional Rural Technology Center (RRTC), located in LaHarpe, Kansas, provides career and technical education to high school students and adult learners in the Allen County area. Cloud County Community College (CCCC) has served as an educational partner at RRTC, offering Wind Energy courses since August 1, 2019.

CCCC is requesting termination of the Memorandum of Understanding (MOU) agreement with the Regional Rural Technology Center due to a sustained decline in student enrollment in LaHarpe. Continued allocation of staff, equipment, and administrative resources to a significantly reduced student population limits the College's ability to invest in programs at its primary campuses. This action will allow CCCC to focus its career and technical education (CTE) resources on locally delivered programs

Per the existing MOU between CCCC and Iola USD 257 (the organizing district for the RRTC), either party may terminate without cause by providing the other party written notice by May 1<sup>st</sup> of any given year. Upon Board approval, the Vice President for Academic Affairs will provide written notice of CCCC's intent to terminate the MOU, effective the end of this academic year. This will allow the college time to coordinate moving out of the RRTC space, including bringing equipment back to the main campus.

In accordance with K.S.A. 71-201, the Board of Trustees holds the authority to enter into or terminate institutional agreements. Therefore, CCCC seeks Board approval to terminate the current MOU with Iola USD 257 and to authorize the Vice President for Academic Affairs to issue formal notice prior to May 1, 2026.

**RECOMMENDED ACTION:** Approve the termination of the MOU between Cloud County Community College and Iola USD 257 related to the Regional Rural Technology Center and authorize the College to provide written notice prior to May 1<sup>st</sup>, 2026.
