NEWS

- **Grain Belt Express Grant**—APS received a \$500 grant to help create a new multi-purpose room that will enhance the educational environment for our students. The planned multi-purpose room will serve several vital functions within the school. It will include an area dedicated to Life Skills education, support MTSS small groups, and provide a meeting space for various school activities and functions. This versatile space will benefit our students by offering a conducive environment for diverse learning and support activities.
- **Summer School** – Summer Camp/School was help for K-8 students during June.
- **Grades K-2:** The students gained valuable knowledge at the Summer camp and had a blast with various fun activities. Math activities included exciting games like Race to the Top and Race to 100. The kids had the time of their lives, engaging in activities that allowed them to subitize, count, add, take turns, and, most importantly, laugh! They started each morning reading session with the Ninja Books series. Students learned what it is like to be diverse, humble, shy, focused, quiet, loved, and angry. They also spent time blending boards with nonsense words and real words, practicing memory words, and putting together 6-7-word sentences.
- **Grades 3-5:** The students completed a reading series about Accidental Inventions. They learned about the history of Popsicles, chips, cookies, the Frisbee, Post-It Notes, Playdough, and the ice cream cone. These stories exposed them to a ton of new vocabulary words. Of course, when you learn about some of those things, you need to experiment so they made Playdough and chocolate chip cookies! They also worked on various math skills, such as addition and subtraction with regrouping, adding decimals, and quickly answering multiplication facts. They had a mystery: which superhero was the villain secretly trying to take down the city? Each correct answer page crossed a villain off the list.
- **Grades 6-8:** The 2024 Summer LEAPES Program, sponsored by Kansas State of Salina, has introduced many of our local students the opportunity to learn about computers and engineering, from programming activities to learning about the history of computers. Students have been learning about:
 - State Machines
 - Graphing Mathematic Functions
 - Coding
 - Taking virtual tours of the Kansas Mesonet
 - Artificial Intelligence
 - Building mBots
 - Programming CyberPi
 - Developed Flight Plans for Drones
 - Demonstrate the concept by developing code to create a flight path creating the letters: "K-S-U"

Furthermore, students will understand basic navigation commands and be able to connect to their Tello via Wi-Fi, upload, execute, and save their missions while using the DroneBlock and mBlock app. Students have been creating loops and variables to tell their mBots and Drones the assignment to be done. This class creates a smarter future through robotic innovation!

- **Picnic:** After the last day of camp, Mrs. Frazee had a pizza party for all the students. The students loved their "Summer Camp."
- **Lift-A-Thon:** The junior high and high school athletes participated in a lift-a-thon on Friday, June 28.
- **Carpet:** The carpet installation in the business and JH math/science classrooms has been completed.
- **Summer Maintenance:** Things are moving along smoothly and on schedule. Titus and Alliyah did a great job giving the boy's locker room a facelift.
 - Boys shower room before pics (after power washing):

Building Report

July 2024 BOE Meeting

Academics: SES completed a targeted intervention summer school on Monday. We invited specific students to a summer academy designed around explicit instruction and small group or 1-on-1 interventions. We piloted a partnership with the Sabetha hospital during summer school to utilize one of their dyslexia experts to facilitate interventions as well. The data and feedback from teachers and staff was that students made great progress this summer!

Playground Resurfacing: Our PreK/Kindergarten playgrounds got an upgrade thanks to a generous community donor and Sabetha PTO. The new turf surface increases safety, decreases maintenance, and looks great! We are grateful to live in an amazing community who takes great pride in its schools! Thank you to Mammoth Construction for the excellent work! Some before/after photos below.

Summer Maintenance: Maintenance in the building is well underway and Mr. Aaron, Mr. Louis and our summer help, Spencer have been working hard cleaning carpets, waxing floors and cleaning classrooms getting ready for the start of the new school year in a little over a month.

UPCOMING EVENTS

- **August 1:** Enrollment
- **August 6 & 7:** Classified Inservice
- **August 12-14:** Back to school inservice
- **August 13:** SES Open House
- **August 15:** 1st Day of School

- 1. Building Maintenance:** Our summer maintenance crew is making great strides this summer! It is the first summer in several years that we have been fully staffed during the summer.
- 2. Building Events:** Our building has been very busy the past few weeks. Events include:
 - Summer League Girls Basketball
 - Summer League Boys Basketball
 - SMS Summer School
 - Drama Camp
 - Football Camp
 - Volleyball Camp
- 3. Class Schedules:** Student class schedules and assignments should be completed by the middle of July. Dana Michael is helping with this.
- 4. Fire Alarm Panel Replacement:** Our old fire alarm panel is in the process of being replaced. We are working through some issues and are hoping to have this project completed soon.

Lisa Suhr - Director of Student Learning
Board Report - July 8, 2024

Federal Programs:

- End of year reporting for Title Programs is underway and I appreciate the close collaboration I have with Deb Damman on the financial side of this aspect of my job!

Professional Learning

- On June 27, 2024 the admin team met for our summer admin “bootcamp.” We utilized the nice training room at Northwind Technical Services for the day. Our overarching question for the day was “What should we see in every classroom that makes a difference in student success?” We spent time reflecting on our walkthrough observation tool and making plans for re-aligning it to current district priorities and recent and planned professional learning. Observational walkthroughs are frequent, informal visits by the principal or other instructional leader for the purpose of looking for specific instructional practices and to facilitate feedback. (These are different from formal evaluation observations.) During the admin bootcamp, we were joined (via Zoom) by Robert Ovsak and Camille Wheeler from Greenbush consortium who will continue to work with our staff on upcoming professional learning days for 24-25 on Greenbush’s “High Impact Instructional Practices and Strategies.” As a break in our learning, we were given a tour of Northwinds by former SHS graduate, Matt Bosworth. We discussed the various post-secondary training needed by the various employment positions at Northwind and how technological advances change the work they do there.

Other topics:

- KSU Memorandum of Understanding for SHS and AHS computer science courses: I’m in support of our participation in the MOU that is part of this month’s agenda with KSU. This opportunity is part of the CyberPipeline project which has a goal of making high quality computer science education available to high school students at little or no cost. The benefit to us to engage in this MOU is that the teachers of the computer science class will be able to facilitate a support “call” to KSU faculty if they have questions about content or student projects that they cannot answer themselves. Additionally, the MOU allows USD 113 to take advantage of their bulk pricing on a product called Codio which is a learning management system specifically for teaching and practicing computer science content.
- An important part of my recent work has been the re-ordering of consumable materials and digital licenses for curriculum materials for the coming year.
- The parent messaging tool within PowerSchool (SwiftK12) has been replaced with their new product, School Messenger. Any parent who has not yet “opted in” for text messaging through this platform can still do so by sending the word “Yes” as a text message to the number 67587. This product does NOT replace the more broad messaging system TextCaster which all patrons may participate in.
- PowerSchool: I have completed the year-end “roll over” process for our student information system and am busy getting things ready for the 24-25 school year including online enrollment.

SABETHA HIGH SCHOOL

July 8, 2024 BOE Report

Looking forward to 24-25!!

We have reached the halfway point of the summer and with that, we shift our focus from wrapping up last year to looking forward to the next. One of the things I have always appreciated about the education profession is the opportunity for a fresh start each fall. We are looking forward to that restart with students and staff alike!

Summer activities at SHS are beginning to wrap up as tennis camp, drama camp, cheer camp, and summer leagues are already finished while summer school, driver's education, and summer workouts will be finishing up in the next couple of weeks. We still have football and volleyball camps to look forward to this week as student-athletes and coaches prepare for their fall seasons.

I am extremely thankful for our custodial staff who has also made great progress in carpet cleaning and floor waxing as they have mostly finished up the classrooms on the upper level. Our gym floors have been redone and new flooring in the hallways upstairs is to be completed in a couple of weeks!

SHS Celebrations!

Over the last month, we have had lots of great things to celebrate at SHS! At the risk of forgetting some from the long list, below are some highlights from the last month.

- Alexia Hayden and Christian McAfee were deservedly named Outstanding Senior Athletes for the class of 2024 sponsored by the Bank of Blue Valley.
- Our SHS Cheer team participated in camp at Baker University last month with the team earning several distinctions and seniors Halley Mitchell and Brecken Edelman being named All-American.
- Joshua Grimm, Turner Howard, and Coach Garrett Michael all participated in the Kansas Shrine Bowl held in Emporia on June 29th. They all represented SHS well as the East squad (of which they were a part) earned the victory.
- Several SHS softball and baseball players were named to All-State teams following their spring seasons: Alexia Hayden, Laura Edelman, Erin Boltz, Jyllian Stapleton, and Kiera Keim earned honors for softball and Christian McAfee, Jacob Grimm, Marcus Bauman, Mitchell Kramer, Will Ulrich, and Chase Frey earned honors for baseball.
- The SHS football team spent a morning helping a family in our community with cleaning out a house. A great opportunity for our young men to give back and serve others.

Upcoming SHS events:

- July 8-11 - SHS Volleyball Camp
- July 8-10 - SHS Football Camp
- August 1 - Enrollment
- August 12 - First day for staff
- August 15 - First day for students

**Respectfully,
Nathan Bauman
Sabetha High School Principal**

It's a GREAT day to be a BLUEJAY!!

DIRECT DEPOSITS AND PREAUTHORIZED WITHDRAWALS YOUR RIGHTS AND RESPONSIBILITIES

In recent years, a number of new services known as "ELECTRONIC FUND TRANSFERS" have been introduced. Among these services are direct deposits to your account of certain recurring payments to you (such as your Social Security benefits) and preauthorized transfers from your account to a third party to pay certain recurring bills.

TYPES OF TRANSFERS. This notice applies if you have arranged for us to accept certain direct deposits and/or pay certain recurring bills on your account. COST. We do not charge for direct deposits to your account. The charge, if any, for preauthorized withdrawals is disclosed below (if no charge is disclosed, we do not charge for this service.) We will charge you \$10.00 for each stop-payment order you give for an Electronic Fund Transfer item.

RIGHT TO DOCUMENTATION OF TRANSFERS

- (a) Direct Deposits. If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company you can call us at the telephone number listed below to find out whether or not the deposit has been made.
(b) Periodic Statements. You will receive at least an annual account statement from us. In addition, you will receive a monthly account statement for each month in which a transfer occurs.

STOP PAYMENTS PROCEDURES AND NOTICE OF VARYING AMOUNTS

- (a) Right to Stop Payment and Procedure for Doing So. If you have told us in advance to make regular payments out of your account, you can stop any of these payments. Here's how:

Call us or write us at the telephone number shown below in time for us to receive your request three business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and to get it to us within 14 days after you call.

- (b) Notice of Varying Amounts. If these regular payments may vary, the person you are going to pay will tell you 10 days before each payment, when it will be made and how much it will be. (You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.)

- (c) Liability for Failure to Stop Payment of Preauthorized Transfer. If you order us to stop one of these payments three business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

LIABILITY FOR FAILURE TO MAKE TRANSFER. If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will NOT be liable for instance:

- If, through no fault of ours, you do not have enough money in your account to make the transfer,
• If the transfer would go over the credit limit on your overdraft line,
• If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken.

There may be other exceptions stated in our agreement with you.

DISCLOSURE OF ACCOUNT INFORMATION TO THIRD PARTIES. We will disclose information to third parties about your account or the transfers you make: (1) where it is necessary for completing transfers, (2) in order to verify the existence and condition of your account for a third party, such as a merchant, (3) in order to comply with government agency or court orders, or (4) if you give us your written permission.

UNAUTHORIZED TRANSFERS.

- (a) Liability Disclosure. If your statement shows transfers that you did not make or authorize, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

- (b) Address and Telephone Number. If you believe that someone has transferred or may transfer money from your account without your permission, call or write us at the telephone number or address shown below.

ERROR RESOLUTION. In Case of Errors or Questions About Your Electronic Transfers call or write us at the telephone number or address shown below as soon as you can if you think your statement is wrong or if you need more information about a transfer listed on the statement. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

- (1) Tell us your name and account number.
(2) Describe the error or the transfer you are unsure about and explain as clearly as you can why you believe it is an error or why you need more information.
(3) Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or questions in writing within 10 business days.

We will determine whether an error occurred within 10 business days (20 business days if the transfer involved a new account) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days if the transfer involved a new account, a point-of-sale transaction, or a foreign-initiated transfer) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days (20 business days if the transfer involved a new account) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. An account is considered a new account for 30 days after the first deposit is made, if you are a new customer. We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

Kansas State University
Department of Computer Science, Carl R. Ice College of Engineering
Online Course Content Access Agreement, Release, and Assumption of Risk

Kansas State University (“University”), through its Department of Computer Science in the College of Engineering, is offering the opportunity for _____ (“School”) to access and use certain online course content (collectively, “Work Product”) provided by University through an online platform, CODIO (herein referred to as “Platform”), during the academic year _____. By signing this Online Course Content Access Agreement, Release, and Assumption of Risk (“Agreement”), School agrees to compensate University as calculated in the University’s Online Course Content Access Payment Terms, as they may be updated from time to time. Further, in consideration for access to Platform and Work Product, School acknowledges, accepts, and agrees as follows:

1. This Agreement is designed to mutually benefit School and University, as School desires to offer instruction to its students in the field of computer science, and University wishes to further its research, education, and outreach mission in a manner consistent with its status as a non-profit, tax-exempt educational institution by providing School with online curriculum and content for School’s students to access.
2. University will provide to School instructional materials for use in their high school computer courses, as follows:
 - a. University will develop instructional materials for School. The instructional materials may include, but are not limited to: trainings, reports, curriculum, lesson plans, modules, documents, instruments, and other work product of any kind to achieve the terms of this Agreement (collectively, “Work Product”).
 - b. University will provide School access to said Work Product through an online platform (herein referred to as “Platform”).
 - c. University will work with personnel designated by School to facilitate administration of the Work Product to students designated by School. This shall include, at a minimum, an introductory meeting to establish the School’s goals in course offering, and assistance from University on an as-needed basis, as reasonable.
 - d. By request and as reasonably needed, University will provide subject matter expertise to personnel designated by School for delivery of Work Product.
3. School is not an agent of University and agrees not to hold itself out as an agent or representative of University.
4. School acknowledges and agrees that University must comply with the policies, standards, and requirements of University’s governing board, the Kansas Board of Regents (KBOR), and University’s accrediting bodies. University will maintain authority and control over all Work Product. University may veto or otherwise not follow or enforce any terms, requirements, or decisions contrary to the policies, standards, and requirements of KBOR, University, or any of University’s accrediting entities. None of University’s obligations in this Agreement will be construed to limit academic freedom.
5. The Work Product produced by University and provided to School shall be the sole property of University, unless otherwise noted and/or agreed to by the parties.
 - a. For the avoidance of doubt, University retains the right to use the Work Product for scholarly research, teaching, analysis, and other activities in furtherance of University’s mission whether internally or in collaboration with third parties.
 - b. All Work Product and other University records shall be provided to and returned to University within thirty (30) days of the end of this Agreement.
 - c. School shall not release Work Product obtained or produced pursuant to this Agreement without the prior written consent of University, nor shall School use any Work Product for any purpose other than in connection with this Agreement.
 - d. School has no right to sell, transfer, sub-license, or assign Work Product, either voluntarily or by operation of law, to any third party, without the prior express written consent of University.
 - e. School shall provide to University any assistance which University may seek to obtain patents or copyright registrations, including the execution of any related documents submitted by University.
 - f. No alterations, modifications, additions, corrections or improvements may be made to the Work Product by School without University’s prior written consent. School agrees that any such changes shall be the sole property of University.

- g. School is obligated to notify University promptly in writing of any infringement of copyright or disclosure of Work Product.
- 6. University shall not be liable to School for indirect, special, consequential, punitive, incidental or other damages (including lost revenue, profits, use, data or other economic loss or damage) however caused and regardless of theory of liability arising from or related to School’s use of the Work Product.
 - a. University makes no representation or warranties, express or implied, regarding its performance under this Agreement. University disclaims any warranty or merchantability, use, or fitness for a particular purpose and noninfringement of intellectual property rights with regard to the Work Product.
 - b. School is solely responsible for ensuring that its use of Work Product and Platform meet School’s accreditation and other external requirements. School agrees to indemnify and hold harmless University from any claims that its curriculum fail to meet School’s accreditation, performance, or similar standards.

Dear parent or guardian:

Your school has partnered with Kansas State University to provide high-quality Computer Science courses to students through the Cyber Pipeline program. These courses were developed by K-State Computer Science faculty and use many of the same materials and activities that are used in courses taught at the college level. In addition, the Cyber Pipeline program includes opportunities for teacher professional development to help them better understand and use the material in their classroom and provides teachers with ongoing support throughout the school year.

This letter is to inform you of these courses and some of the specific ways your student may interact with the Cyber Pipeline program:

- The curriculum is delivered using Instructure Canvas (<https://www.instructure.com/canvas>) as the learning management system (LMS), and Codio (<https://www.codio.com/>) as a content delivery tool and integrated development environment (IDE). Use of these tools is subject to their terms, conditions, and policies which can be found on their respective websites.
- K-State Computer Science faculty and graduate teaching assistants will be supporting your student's teacher using these courses throughout the school year and will have some access to student data stored in Canvas and Codio as required to support the program. This may include assisting teachers by grading assignments or helping answer student questions. Any communication between your student and K-State will be initiated by your student's teacher and will always include the teacher.
- All K-State faculty and students involved in this program must complete training through K-State on student data and privacy protection. No identifying data or grades from students participating in this program will be shared to anyone outside of this group unless we are legally compelled to do so.

Finally, the development and maintenance of this curriculum is supported by grant funding from the National Science Foundation (NSF) and the Kansas Department of Education (KSDE). As part of these grant projects, K-State Computer Science faculty and students will collect and analyze anonymized and aggregate data from these courses. No personally identifiable information will be used in research. Students will also be asked to respond to voluntary surveys about their background and experiences in the course.

Participation in research data collection is voluntary and not required to participate in the course itself. All research is reviewed by the K-State Institutional Review Board (IRB). Attached to this letter is a full Informed Consent statement regarding this research. Please review the attached form, indicate whether you will allow your student to participate in the research program, and return it to your student's teacher. If you have any questions or concerns, please feel free to contact us at cyberpipeline@ksu.edu.

Sincerely,

Russell Feldhausen

PHILOSOPHY

Realizing that individuals live in a complex society, the Board of Education is hopeful that each student, in addition to the more academic preparation provided by the public schools, will have the opportunity for basic training in desirable moral and ethical values. This is in preparation for assuming a useful role in society. It is understood that all students will not learn all things equally well, but all should have an equal opportunity in the pursuit of educational acquisition. The board accepts the premise that the student is the center of the school curriculum and that the instructional program should be tailored to fit a child-centered program of education. The Board of Education views the educational process as a comprehensive program, which must be undertaken in cooperation with other institutions of our society. It seeks to establish and maintain strong ties with parents and community programs.

NON-DISCRIMINATION STATEMENT

Unified School District No. 113, Sabetha, Kansas, does not discriminate on the basis of race, color, national origin, sex, age or handicap, in admission or access to, or treatment of employment in its programs and activities. If you have questions regarding the above, please contact the superintendent, (785) 284-2175.

COMPLAINTS AND GRIEVANCES

Any student may file a complaint against any school employee or any school rule and regulation directly to the office. Said complaint must be in writing and if filed against any employee, it must be filed within twenty (20) calendar days following the act or event from which the complaint arose. Said complaint must be specific and in reasonable detail as to what occurred, the parties involved, the location of the incident, the time, and the date. Any complaint not filed within the (20) day period shall be deemed to have been waived. Complaints or grievances concerning a board rule or regulation may be filed at any time with the clerk of the board. Complaints or grievances concerning a particular principal's rule or regulation shall be filed with that principal for consideration about change.

ARRIVAL & DEPARTURE

School hours are from 8:00 a.m. to 3:25 p.m. Doors to the building will open at 7:30 am. Students arriving before 7:45 must remain in the commons area downstairs. A bell rings at 7:45 dismissing students to their classes. No students should be in the building unsupervised at any time.

TRANSPORTATION

The school district will operate a system of buses for the convenience of our students and families. Students should consider it a PRIVILEGE to be transported to and from school at district expense. When provided, students will wear a safety belt.

RULES GOVERNING SCHOOL PUPIL TRANSPORTATION IN KANSAS

Pupils transported in a school bus shall be under the authority of and be responsible directly to the driver of the bus. Continued disorderly conduct, or persistent refusal to submit to the authority of the driver shall be sufficient reason for refusing transportation to any pupil. The driver of any school bus shall be held responsible for the order and conduct of the pupils transported. Whenever a school bus stops at a point where traffic is not controlled by a flagman or a clearly visible electrical or mechanical signal to discharge pupils who must cross the street or highway in front of the bus, except that when, because of local laws regulating traffic, passengers discharged from a bus cannot cross the street or highway in front of the bus but must cross behind the bus, they may do so. In either case, also, the driver of the bus shall not permit the pupils to cross the street or highway until they may do so safely, and shall, if necessary, escort such passengers across the street or highway. The following rules are recommended:

- The driver is in charge of the pupils and the bus pupils must obey the driver promptly and cheerfully. It will be the driver's duty to see that rules are enforced.
- The driver may assign a seat to each student; each student must be provided a seat.
- Pupils must be on time; the bus cannot wait for those who are tardy. Pupils must walk on the far left side of the road facing traffic when going to a bus stop. All pupils must wait for the bus off of

the traveled portion of the road. Students should wait in an orderly manner and never push a fellow student.

- Unnecessary conversation with the driver is prohibited. Pupils should not talk loudly or distract the driver's attention. Remember, a student's safety is in the bus driver's hands.
- Outside of ordinary conversation, classroom conduct is to be observed.
- Pupils must not throw waste paper or other rubbish on the floor of the bus. Help keep the bus clean and sanitary at all times.
- Pupils must not, at any time, extend arms or heads out of bus windows.
- Pupils must not try to get on or off the bus or move about within the bus while it is in motion.
- When leaving the bus, pupils must observe directions of the driver. If students cross the road, they should do so in front of the bus after making sure the highway is clear.
- Any damage to a bus is to be reported at once to the driver and to the principal's office.
- DURING STORM SEASON, STUDENTS WHO RIDE A BUS SHOULD BE ADVISED TO LISTEN TO KTNC(1230), WIBW RADIO (580), KNZA FM (103.9) HIAWATHA, OR WIBW TV (CHANNEL 13) FOR STORM WARNINGS AND NOT ATTEMPT TO REACH SCHOOL WHEN SO FOREWARNED. (As to non-safe conditions such as heavy snow or flood.)
- When a safety belt is provided, students will wear one at all times in the vehicle.

ATTENDANCE

The student is expected to be punctual and regular in attendance. The student and parent are charged with the duty of keeping the student's attendance regular. Classroom teachers are responsible for recording accurate attendance each hour of the school day in PowerSchool. The pupil must bring a signed note from the parent stating the reason for absence upon returning to school. Upon returning to school after any absence the pupil must obtain a permit through the office to return to class. It is the responsibility of the student to obtain a student admit slip and to present it to the teacher. Teachers will admit no one without a permit. The pupil, upon securing the permit, should show this admit-make-up slip to the teacher when entering a class. The teacher will assign the make-up work and initial it upon the pupil's completion of the work. Two class days are allowed for the first missed day. An additional day will be allowed for each subsequent missed day. The student then returns all permits to the office.

Subject to the following conditions, illness, medical or dental appointments, court-related appearances, illness in the immediate family, funeral attendance, religious observances, planned school activities or family trips will be considered a valid excuse for absence from school. For the first five absences per semester, a signed statement from a parent, guardian or physician requesting that the student be excused for such an absence (with the reason listed above stated by the parent) that will constitute a valid excuse for such absences. If a parent, guardian or physician does not provide a signed statement, the absence shall be "unexcused." All absences in excess of five per semester will be "unexcused" unless the student presents a physician's statement explaining the absence or a parent or guardian arranges a personal conference with the building principal to satisfactorily explain the absence.

An accumulation of unexcused absences for either three consecutive school days or five school days in any semester or seven school days in any school year, whichever of the foregoing occurs first, will result in notification of parents and a report to Kansas Department of Children and Families (DCF) or the county attorney as required by law. The following absences may be classified as "noncredit" by the principal: 1. Absences for the first five days for which students have not provided a signed statement (with a valid excuse) from a parent, Guardian or physician. 2. Absences per semester that exceed five unexcused absences. Absences will be determined using combined half days or whole days. A "significant part of a school day" will be an absence longer than half the scheduled school day. Half days will be added to determine the accumulated absences. To be readmitted to school after being absent, a student shall present a written note from a parent, guardian, or physician explaining the absence. If there are extenuating circumstances, in the judgment of the principal, a one-day grace period may be allowed

for the student to present the written note. In emergencies, a phone call from a parent or guardian may be accepted. It is the responsibility of the student to obtain the necessary information from his/her teachers with respect to making up schoolwork lost during an absence. Students wishing to attend Sabetha Middle School or Sabetha Elementary School functions during the school day will need to obtain written permission from a parent. Students will also be required to obtain the signature(s) of teachers of classes that will be missed. Students wishing to attend "away" sporting events will not be considered "excused" if they depart from school prior to the team's departure. In order to leave prior to the team, it must be established that this is part of a family vacation. Students who are to participate in a school-sponsored activity are strongly encouraged to attend school a minimum of the last half of the day of the activity. Students who are determined to be "skipping" school will have to make up the time they are absent in detention. Students who have "skipped" more than 3 days in a semester are subject to Long-Term Suspension. Sabetha High School personnel will attempt to call a parent or guardian in the event a student is absent and notification has not occurred. Students who are 18 years of age, and not subject to compulsory attendance laws, will follow the same guidelines as minor students. In place of referral to the County Attorney, when absences exceed 5 "unexcused" per semester, the student will be subject to short term suspension, long term suspension, or expulsion based upon the determination by the principal of the extremity of the offense(s).

TRUANCY

The building principal shall report students who are inexcusably absent from school to the appropriate authority.

Truancy is defined as any three consecutive unexcused absences, any five unexcused absences in a semester or seven unexcused absences in a school year, whichever comes first. School year means the period from July 1 to June 30. Students who are absent without excuse for a significant part of any school day shall be considered truant.

Prior to reporting to the county or district attorney (if the student is over 13), a letter shall be sent to the student's parent(s) or guardian notifying them that the student's failure to attend school without a valid excuse shall result in the student being reported truant.

TARDIES

A student is tardy to class when he/she is not in the classroom when the tardy bell rings. Classroom teachers will have the responsibility of monitoring their students' tardies and recording them in PowerSchool. If a student is tardy at the beginning of the school day, he/she must secure a tardy slip from the office. The principal or secretary will declare the tardy as excused or unexcused. If a student is detained by a teacher, and consequently late to his/her next class, he/she should ask that teacher to issue him/her a pass and no record of his tardiness will be made. Students who are late because district buses are running behind do not need an excuse from the office providing they do not take advantage of the situation. Students who have an unexcused tardy or absence may have a reduction in grade that is considered for "participation."

After a student has been tardy twice to a class, that student will serve a **twenty-five-minute detention for each subsequent tardy**. Tardies that are considered excessive (20 or more per semester total) may result in In-school suspension, out-of-school suspension, or Long-Term suspension.

STUDENT DELIVERIES

The office staff will store gifts delivered to the school for students until the end of the day. An effort will be made for student notification of the delivery. Students may obtain delivered items from the office at the end of the school day.

STUDENTS DRIVING/RIDING IN PERSONAL AUTOMOBILES

Whenever possible, U.S.D. #113 will provide transportation to and from school events and practices. There are times, however, when the school is not able to provide transportation. There are also times when students will be allowed to drive their own vehicles to school events with the permission of their parents and the supervising U.S.D. #113 personnel. Students must have approval from administration and complete the required form when this is permitted.

DIRECTORY INFORMATION

Various organizations request "Directory Information" from the school. This information includes students' names, addresses, phone numbers, videos, photos, gender, height, weight, grade level, class composites, etc. Some of the organizations that request this information include, but are not limited to, the armed forces, college recruiters, etc. Students and/or parents not wishing to have "Directory Information" released are to contact the school by the third week of the school year and make this request to the principal in writing. Directory information includes athletic rosters.

LOST AND FOUND

A lost and found service will be provided by the principal's office. If students find anything, they should turn it into the office at once. If a student loses anything, he/she should report it to the office. It is the responsibility of the student to protect himself/herself from theft by taking proper precautions.

VISITORS

Upon approval by administration, students may have visitors attend classes with them. Visitors must not cause a disruption to the educational process, must not be "dating" any SHS student and must be enrolled in a high school. Visitors must be on an officially scheduled break or vacation from their current school.

ACTIVITY FEE

The activity fee applies to each student. This will admit the student to all assemblies and sports events.

DEPOSITING ORGANIZATIONAL FUNDS

All money collected by organizations is to be turned into the office for deposit to the organization's account. Under no circumstances should any money be left in your desk or room overnight. The class or organization's treasurer or sponsor is to be given a receipt of all money credited to the class or organization. Money should be deposited with the high school accountant.

PURCHASES BY ORGANIZATIONS

No student or teacher is to purchase any supplies without first filling out a Purchase Order and presenting it to the principal's office for approval. Students or teachers making purchases without the proper authority will be liable for payment of said purchases. After securing the principal's approval, the Purchase Order is presented to the local merchant from whom the purchase is to be made. An itemized sales ticket must be secured from the merchant. This sales ticket is to be turned in to the office immediately. When the sponsor is not available to approve organizational purchases, the principal may act on the sponsor's behalf.

HEALTHY SNACKS & WATER MACHINES

These machines may be used throughout the day according to the Kansas School Wellness Policy. If this is determined to be the cause of excessive tardies, the privilege may be revoked. Water is allowed in approved containers only.

LOCKERS

Each student will be assigned a locker at the beginning of the school year. Lockers are to be kept clean. Decorations placed on lockers will be subject to approval by the administration. The school and students

have joint locker control. There is to be no expectation of privacy by students – searches may occur. In the event that a single locker is inadequate, students may request an additional locker to be issued.

EXPECTATION OF PRIVACY

There will be no expectation of privacy for student lockers, backpacks, nor for vehicles parked on school property.

Curriculum /Graduation Requirements

ADMISSION

Students will be admitted to ninth grade upon presentation of graduation evidence from an accredited junior high or middle school. Students are admitted to advanced standing upon transferring from other schools upon receipt of an official transcript from the previous school. The advanced standing is determined after evaluation of the transcript. When the official transcript is not available at the time of enrollment, students may provisionally be admitted to advanced standing pending the receipt and evaluation of the official transcript. Students will also be required to pay enrollment fees or to make arrangements for these fees to be waived.

RECORDS

Permanent, cumulative records are kept for each student. Various types of standardized tests are given throughout a student's school years and scores from these tests are included in these as in permanent records.

ASSESSMENTS

Students are expected to put forth their best effort on all assessments administered through the school (this includes all classroom, state, or national assessments as well as any online assessments). Students will be required to take Kansas State Assessments. In addition, the Kansas Legislature, provides one free ACT assessment and one free WorkKeys suite of assessments to all public high school juniors. Students are encouraged to take both assessments.

Students who are classified as at "at-risk" on any building or state assessment may be required to take additional content courses. The intent of this additional course work is preventive. It may be possible for students to work to achieve a high enough level to opt out of the course at semester.

Grade 9	0-5 Credits

One credit is granted for satisfactory completion of any approved subject for thirty-eight weeks (two semesters). One-half unit is granted for satisfactory completion of a course taught for nineteen weeks (one semester). One unit of credit is given for all courses except as designated otherwise.

GRADING SYSTEM

Grades are computed on a cumulative grading system throughout each semester of high school. The nine-week grade is a mid-term report and will continue to accumulate from the first nine weeks of the semester to the end of the semester. Grades start new at the beginning of each semester. (For students who have just completed their freshman – or above – year of school, Driver’s Education is considered to be a high school class and counts as an elective toward graduation.) Students who have just completed their 8th-grade year will have Driver’s Education count as a middle school course. SHS uses a 4-point scale to award grades (except in the determination of class rank and the awarding of Valedictorian/Salutatorian).

Example:

100-90	A	4.0
89-80	B	3.0
79-70	C	2.0
69-60	D	1.0
59 and below	F	0.0

INCOMPLETE GRADES

If an incomplete grade is issued, a student will have a maximum of two weeks to complete the work following the end of the semester. Exceptions may be necessary and will be at the discretion of the administration.

CLASS RANK & VALEDICTORIAN / SALUTATORIAN

CLASS OF 20242025-CLASS OF 2026 - Valedictorian and Salutatorian will be selected annually from the graduating seniors. Valedictorian and Salutatorian are titles given to students who academically complete the high school years with the highest Grade Point Averages/most rank points. Selection will be based on the completion of eight complete semesters of high school. If a tie exists, students will be co-valedictorian or co-salutatorian. The following twelve-point scale will be used to determine class rank and the awarding of Valedictorian/Salutatorian:

Points		Grade Point Average
12	A+	97-100
11	A	93-96
10	A-	90-92
9	B+	87-89
8	B	83-86
7	B-	80-82
6	C+	77-79
5	C	73-76
4	C-	70-72
3	D+	67-69
2	D	63-66

1	D-	60-62
0	F	0-59

CLASS OF 2027 AND BEYOND - Students who academically complete their high school careers may be recognized at graduation with distinctions of Summa Cum Laude or Magna Cum Laude. These distinctions will be solely based upon the student’s cumulative grade point average at the completion of eight semesters of high school. The above table will still be used to determine class rank. The following table will be used to determine these distinctions.

Distinction	Grade Point Average
Summa Cum Laude	4.0
Magna Cum Laude	3.70-3.99

HONOR ROLL

The semester honor roll will be published in the Sabetha Herald. Grades are reported to families regularly through PowerSchool and progress reports and officially, at semester with the distribution of report cards. All subject grades will be used in computing honor roll. Two honor rolls will be computed. The Superior honor roll will represent all "A" grades and the Bluejay honor roll will represent all grades computing to 3.5 or above. A full schedule of approved classes through SHS must be carried to be eligible for either honor roll. Students who will be recognized for academic achievement at Academic Programs will have a 3.5 GPA. Seniors recognized as receiving the President’s Award for Educational Excellence will have received a minimum of 25 composite score on the ACT (latest test date: February of senior year) and will have at least a 3.5 cumulative GPA. Seniors who have a 3.7 cumulative GPA will be classified as “Graduating with Academic Honors” **at graduation.**

SPECIAL STUDENTS

Students who have attained the age of 16 years may apply to the Principal's office to be recognized as a "special student." After considering the circumstances and after being approved by the parent or guardian and the Superintendent, the student may attend classes of his/her choice at the U.S.D. 113 school so long as the credits earned are accumulating toward the high school diploma. The student shall participate in no student activities and will receive no student privileges; however, during the hours that the student is in school, the student shall abide by all student rules. Such status or classification may be removed at any time that a student fails to cooperate with school officials. Regular attendance at school during the enrolled classes will be required. Students will have two opportunities during the school year to have applications submitted and to begin "special student" status. The first will occur on the first day of the month of October. The second will begin with the first day of the second semester of the school calendar year. Students who are "Special Students" will not be eligible for Valedictorian/Salutatorian honors.

GRADUATION

Students are eligible for graduation upon the completion of twenty-five (25) units of credit, 16 (class of 2025-2027 – 17 for class of 2028 and beyond) credits of which are from required courses. Students are required to attend at least eight semesters of school before graduation unless, due to emergency or unusual circumstances, the requirement is waived. The permission to waive the eight-semester requirement must be secured from the superintendent and the principal of the school. In order to participate in graduation exercises, students must have completed all graduation requirements as approved by the Board of Education and the administration and be in good standing which includes completing the checkout form and all obligations. Students will be given specific instructions regarding the graduation ceremony prior to graduation. A dress code will be required.

Participation in the graduation ceremony is considered a privilege and may be revoked for disciplinary purposes; including, but not limited to failure to abide by graduation guidelines such as dress code, conduct, etc. Recognition items worn at graduation will be determined by the Principal.

EARLY GRADUATION

Students who have met the graduation requirements at the end of 7 semesters of coursework may apply for "early graduation." Students who graduate early will not be eligible for Valedictorian/Salutatorian honors.

- As this is a class, the grade will appear on the student's transcript. Students who have already completed grade 9 will receive .5 credit for successfully passing the class. Although students who are entering 9th grade may take the class, no credit is earned, although the grade will still appear on the transcript.
- Any student wishing to withdraw from the class (and not have the class or a grade listed on the transcript) must do so by the assigned deadline.

TEACHER AIDE

Students wishing to be a "Teacher Aide" must meet the following requirements:

Be classified as a Junior or Senior. Not be, nor have been, in violation of Compulsory Attendance Laws. Have a Cumulative GPA of 3.0. Complete all appropriate paperwork. Grading will be on a Pass/Fail basis. The grade earned will not influence a student's grade point average unless a failing grade is earned. Students are not allowed to aid for an immediate family member.

SCHEDULING CLASSES/CHANGES TO SCHEDULES

It is nearly impossible to accommodate all requests because of the diverse nature of student desires. Seniors will be given priority, then juniors, sophomores, and freshmen. Once a general schedule is developed, a policy of "first come, first served" will be implemented with the remaining seats per class. Students will accomplish this by going through the appropriate drop/add procedures. All semester 1 schedule changes should be completed by the end of the fourth school day of the semester; all semester 2 schedule changes should be completed within the designated days at the end of Semester 1. Students wishing to change classes should meet with the counselor to determine appropriate placement. Paperwork may then be obtained. Permission for the change must be given by the teacher of the new class to be taken, as well as a parent/guardian and the administration.

WITHDRAWAL FROM SCHOOL

It is required for any student who plans to withdraw from school to report his/her intentions to the office. It is important that the student's record may be marked to that effect and all properties belonging to the school be checked in. Plans can also be made to send transcripts. Students who are "dropping out" must comply with state law regarding compulsory attendance.

Expectations & Policies

BULLYING

USD 113 board of education prohibits bullying in any form on school property, in a school vehicle, or at a school-sponsored activity or event. RACIAL HARASSMENT

Sabetha High School is committed to providing a positive and productive learning and working environment, free from discrimination on the basis of race, color, or national origin. Racial harassment of individuals associated with the school is prohibited, whether or not the harassment occurs on school grounds. It shall be a violation of this policy for any student, employee or third party (visitor, vendor, etc.) to racially harass any student, employee, or other individual associated with the school. It shall further be a violation for any employee to discourage a student from filing a complaint, or to fail to investigate or refer for investigation, any complaint lodged under the provisions of this policy.

Racial Harassment is racially motivated conduct which: Affords a student different treatment, solely on the basis of race, color, or national origin, in a manner which interferes with or limits the ability of the student to participate in or benefit from the services, activities or programs of the school, is sufficiently severe, pervasive, or persistent so as to have the purpose or effect of creating a hostile academic environment; or is sufficiently severe, pervasive or persistent so as to have the purpose or effect of interfering with a student’s academic performance or ability to participate in or benefit from the services, activities, or programs of the school. Racial harassment may result from verbal or physical conduct or written or graphic material.

Sabetha High School encourages all victims of racial harassment and persons with knowledge of such harassment to report the harassment immediately. SHS will promptly investigate all complaints of racial

harassment and take prompt corrective action to end the harassment. Any student who believes that he or she has been subject to racial harassment should discuss the alleged harassment with the building principal, another administrator, the guidance counselor, or another staff member. Any school employee who receives a complaint of racial harassment from a student shall inform the student of the employee's obligation to report the complaint and any proposed resolution of the complaint to the building principal. If the building principal is the alleged harasser, the complaint shall be reported to the district compliance coordinator. The building principal or district compliance coordinator shall discuss the complaint with the student to determine if it can be resolved. If the matter is not resolved to the satisfaction of the complainant in this meeting, the student may initiate a formal complaint under the district's discrimination complaint procedure. Complaints received will be investigated to determine whether, under the totality of the circumstances, the alleged behavior constitutes racial harassment under the definition outlined previously. Unacceptable conduct may or may not constitute racial harassment, depending on the nature of the conduct and its severity, pervasiveness, and persistence.

Behaviors which are unacceptable but do not constitute harassment may provide grounds for discipline under the code of student conduct. When a complaint contains evidence of criminal activity or child abuse, the building coordinator or district coordinator shall report such conduct to the appropriate law enforcement, or SRS authorities. To the extent possible, confidentiality will be maintained throughout the investigation of a complaint. The desire for confidentiality must be balanced with Sabetha High School's obligation to conduct a thorough investigation, to take appropriate corrective action or to provide due process to the accused. The filing of a complaint or otherwise reporting racial harassment shall not reflect upon the individual's status or grades.

Any act of retaliation against any person who has filed a complaint or testified, assisted, or participated in an investigation of a racial harassment complaint is prohibited. Any person who retaliates is subject to immediate disciplinary action, up to and including expulsion for a student or termination of employment for an employee.

SEXUAL HARASSMENT

Sabetha High School is committed to providing a positive and productive learning and working environment, free from discrimination on the basis of sex, including sexual harassment. Sexual harassment of individuals associated with the school is prohibited, whether or not the harassment occurs on school grounds. It shall be a violation of this policy for any student, employee or third party (visitor, vendor, etc.) to sexually harass any student, employee, or other individual associated with the school. It shall further be a violation for any employee to discourage a student from filing a complaint, or to fail to investigate or refer for investigation, any complaint lodged under the provisions of this policy.

Sexual harassment includes: unwelcome sexual advances, requests for sexual favors and other inappropriate oral, written or physical conduct of a sexual nature when made by a member of the school staff to a student, when made by a student to a staff member, or when made by a student to another student when: (1) submission to such conduct is made, explicitly or implicitly, a term or condition of the individual's education; (2) submission to or rejection of such conduct by an individual is used as the basis for academic decisions affecting that individual; or (3) such conduct has the purpose or effect of interfering with an individual's academic or professional performance or creating an intimidating, hostile, or offensive environment.

Sexual harassment may result from verbal or physical conduct or written or graphic material. Sexual harassment may include, but is not limited to: verbal harassment or abuse; pressure for sexual activity; repeated remarks to a person, with sexual or demeaning implication; unwelcome touching; or suggesting or demanding sexual involvement accompanied by implied or explicit threats concerning a student's grades, participation in extra- curricular activities, etc.

Sabetha High School encourages all victims of sexual harassment and persons with knowledge of such harassment to report the harassment immediately. SHS will promptly investigate all complaints of sexual harassment and take prompt corrective action to end the harassment. -Any student who believes that he or she has been subject to sexual harassment should discuss the alleged harassment with the building principal, another administrator, the guidance counselor, or another staff member. To the extent possible, confidentiality will be maintained throughout the investigation of a complaint. The desire for confidentiality must be balanced with Sabetha High School's obligation to conduct a thorough investigation, to take appropriate corrective action or to provide due process to the accused. The filing of a complaint or otherwise reporting sexual harassment shall not reflect upon the individual's status or grades. Any act of retaliation against any person who has filed a complaint or testified, assisted, or participated in an investigation of a sexual harassment complaint is prohibited.

Any person who retaliates is subject to immediate disciplinary action, up to and including expulsion for a student or termination of employment for an employee. False or malicious complaints of sexual harassment may result in corrective or disciplinary action against the complainant.

HAZING

Hazing (persecuting or harassing with humiliating tasks, words, or actions) of any kind will result in disciplinary action. Hazing will not be a part of any school function, organization, or activity.

LEAVING THE GROUNDS

When it becomes necessary for a student to leave the school premises, it will be required that he/she report to the office. In case of sickness, the student must obtain permission by phone to leave. The parent or guardian must make acknowledgment of the call with the principal, assistant principal, office secretary, or counselor who will sign the permit for permission to leave. Students leaving the school without permission will be subject to disciplinary action (see discipline code). Students who do not report to class, but are still on the premises, will be subject to the same consequences as those who are away without leave.

ALCOHOL/DRUG/TOBACCO/VAPING POLICY

Students are prohibited from possessing, using, and selling any mood-altering chemicals in school, on school property, or at any school-related activity whether at home or away. Possession of actual or look alike alcohol, tobacco, e-cigarettes, vape, or any nicotine delivery systems, drug, including, but not limited to: Alcoholic beverages, Marijuana, hashish, or any similar cannabis derivative, Methamphetamines, Steroids or paraphernalia will be subject to disciplinary action. Drug dogs may be

used in the building or on school grounds. This is an effort to deter the presence of drugs on school property.

1. Trained dog searches of school property, to include lockers, locker rooms, hallways, and parking lots shall be conducted randomly at the request of administration without notice and without student consent.
2. The trainer and dog will be permitted to come into the school building accompanied by a school administrator, normally while students are in classrooms.
3. The trained dog will not search students or student book bags unless school administration has independently determined that there is reasonable cause to do so.
4. If the trained dog alerts on a locker or vehicle, the student will be called out of class to witness the search, if possible, and the student's parent notified immediately after the search is concluded, regardless of whether or not contraband is found.
5. In the event the search after an alert reveals contraband in the locker or vehicle, law enforcement officers will take custody of the contraband, the student's parent notified, and the student removed to the building principal's office for further processing.

SCHOOL SOCIAL EVENTS

All school dances and other social events shall be held on school premises, using school facilities. The date for holding the function MUST be entered on the school calendar a minimum of two weeks before the school function. Exceptions that may be made must be made from the principal's office. Students may bring approved guests to dances. Guests must be at least a freshman and may not be over the age of 20 unless prior approval is received due to special circumstances. Students must submit a completed guest form to the office on Thursday prior to the scheduled dance. Identification will be required of all guests attending the dance. The student signing up the out of school guest is responsible for the behavior of the guest. Upon arrival, students and guests must remain at the function. Students will not be permitted to leave the function (building doors) and return. Only students categorized as in "Good Standing" will be allowed to participate (this includes, but is not limited to prom, homecoming, etc.). Students not meeting the minimum academic requirement outlined in the eligibility policy (passing 5 classes the previous semester) will not be allowed to attend social functions, unless the student has passing grades for all classes as listed on the school's student management system (PowerSchool) at 12:00 p.m. on the date of the event. Because of the rush of activities leading up to the end of school, no class or organizational function will be permitted after a predetermined date set by the office.

Breathalyzer:

In an effort to maintain an alcohol-free environment at school dances, all students and guests of students in attendance will be required to take a breathalyzer test upon entry. Students will enter at one entry point for the dance or activity so the breathalyzer test may be administered. If the breathalyzer registers that a student has been drinking alcohol, a second test will be administered after a 10-minute interval. Students will not be allowed to leave by themselves after a positive test. If the student's test comes up positive again, the student will be questioned and his/her parents will be contacted to come pick up the student. Students who receive two positive test results will be subject to discipline up to and including suspension and expulsion. Any student, or guest of a student, refusing to take the breathalyzer test will not be allowed to attend the dance.

PUBLIC DISPLAYS OF AFFECTION

Intimate contact and other public displays of affection (hugging, embraces and/or kissing) are inappropriate for a workplace and disrupt the educational environment. Holding hands at the side is permissible. Students are to refrain from public displays of affection on school grounds including the school building, parking lot, and athletic/extracurricular events. Repeated violations will be considered defiance and students will be subject to disciplinary action.

ANIMALS IN SCHOOL (Refer to Board Policy ING and ING-R)

Persons bringing animals into the school must receive prior permission from the supervising teacher and the building principal. Under no circumstances are animals to be transported on school buses. The rule also lists responsibilities of teachers regarding animals and students coming into contact with animals in school.

BACKPACKS/BAGS

Students will only be allowed to have backpacks as they enter and exit the building. Backpacks will be stored in lockers and will not be allowed in classrooms, hallways, on top of lockers, the gym, etc. This privilege may be revoked if at any time a backpack is used in a way that causes a disruption to the educational process or is used in a manner that is not congruent with acceptable school policy. Individual teachers are at liberty to ban all bags from classrooms. Bags that are considered to be used in place of a backpack are also not allowed in classrooms. Backpacks are not recognized by the school as personal possessions but are defined as an item used to transport, or store, school-owned materials. There is to be no expectation of privacy by students – searches may occur.

ACADEMIC DISHONESTY

Cheating in any form is strongly discouraged at Sabetha High School. Any cheating will be dealt with in a severe manner. An immediate zero will be given for an assignment or test where a student is caught cheating. The Teacher's testimony will be adequate proof to subject a student to the consequences of cheating. Disciplinary action may also be taken. Plagiarism (to steal or present as one's own - the ideas, words, or work of another) is considered cheating.

Artificial Intelligence Use - The use of AI technologies for academic dishonesty, such as plagiarism or unauthorized assistance, is strictly prohibited in the classroom. Students are expected to uphold academic integrity by utilizing AI tools responsibly and ethically, seeking appropriate permissions and adhering to academic guidelines.

CLASSROOM ATMOSPHERE

An atmosphere and attitude of purposeful educational activity is to prevail in classrooms at all times. Students are to take their respective seats as soon as they enter the classroom and are to be quiet. Students are not to sit on desks. Students may check out of the classroom only by asking the supervisor for permission to do so. The supervisor may let a student check out for the library, office or any other legitimate reason. Students will be released to see other instructors only upon presentation of a pass from and signed by that teacher. Students who are tardy the first period of the day will need to report to the office and obtain an admit slip.

GYMNASIUM

Posters, banners, etc. are not to be stapled, taped, or otherwise attached to the walls of either gym or commons areas without specific permission obtained from the administration.

HALLWAY

Any student, who is out in the hall for any reason whatsoever, must carry a properly authorized pass or have reason for being in the hall. Those who ignore this policy will be subject to disciplinary action.

PARKING LOT PROCEDURE

A parking lot is available for students' convenience to the south of the senior high complex. Vehicles are not to be parked in the spaces that are marked reserved and should be parked in the angle spaces so as not to block the flow of traffic. No student is to park in the north parking lot. This is a loading and unloading area for projects and supplies. No student is to park in the teacher zone, the first three rows just directly south and east of the school. These few parking spaces are reserved for staff and visitors only. Students

parking in the area designated as “Teacher Parking” will be asked to move their vehicle. Repeat offenders will be subject to disciplinary action.

STUDENT DRIVEN VEHICLES

All traffic regulations set forth by the state, county, city, and school district will be observed. No student will be allowed to drive any vehicle at any time during the school hours without permission from the principal's office. No student will be allowed to ride with anyone other than parents during the school day unless permission has been secured in advance from school authorities. The parking lot is marked with yellow lines to designate parking areas. Students will be expected to park within the confines of these lines (exception: when the lines are covered with snow and are not visible). Students who consistently ignore or violate parking lines, or other parking procedures, may be denied the privilege of driving and/or parking on the school grounds. Students who drive recklessly or carelessly on the school grounds may have their keys confiscated on the spot by a faculty member and lose driving and parking privileges on the school grounds. Vehicles should not be left overnight in the school parking lot. This provides an opportunity for vandalism and those who choose to leave their vehicles overnight must assume the responsibility for vandalism if it should occur. No student will be allowed to go to the parking lot during school hours unless he/she is a special student. It is expected that students driving in the parking lot will observe the safety of pedestrians and remember that pedestrians have the right of way. Violation of the above rules or other rules will result in the loss of parking privileges and cause the individuals to come under school disciplinary action as well as be subject to local law enforcement officers.

LUNCH/BREAKFAST PROCEDURES

Students may eat at the high school only. Serving for breakfast will end at the 7:55 bell. Breakfast and Lunch are to be eaten in the Commons Area. The lunch hour is closed, and students are not allowed to leave the building, to eat lunch elsewhere, or to have food (other than a traditional sack lunch) brought in to them. Lunch cards are provided through the office. However, a student may obtain a meal by purchasing a single lunch. Students are allowed to use their phones appropriately during the lunch period, but may not take their phones to the restroom under any circumstances. Students may not use the restroom without permission from the lunch supervisor.

- **BEFORE LUNCH:** Students should walk in an orderly manner to the lunchroom. Places in the lunch line or lunchroom cannot be reserved for a student by other students.
- **DURING LUNCH:** Since the lunch period is a time for relaxation, everyone should keep his/her voice down. If a student does not like the lunches, he/she should bring his own sack lunch. No food shall be brought in for lunch by students, parents, or anyone except for regular "sack" lunches. Restaurant brand name food items, unless provided by Nutrition Services in combination with the regular school meal meeting the USDA’s standards, will not be allowed in the elementary, middle, or high school cafeterias during meal time. This includes but is not limited to fast food, commercial pizza, and restaurant to-go meals. Sack lunches from home are permitted as long as they do not contain restaurant brand name food items in their original packaging as described above.
- **AFTER LUNCH:** Students should return trays in an appropriate manner. Garbage should be placed in the receptacles available. After completing lunch, students should attend to other matters such as getting a drink, stretching, and then return to their chairs and the tables to be seated or other designated areas. Loitering in the restroom, halls, or stairs after lunch will not be permitted. Students should not return to their classroom and are not allowed upstairs until the bell rings. Students should return as a group in a quiet, orderly manner. Other classes are in session and should be given proper consideration. Students are not allowed in the gym after eating lunch except on special occasions.

Since monetary change is always available in the office, students and faculty should have the correct change to purchase extra milk or single lunches. The school is under no obligation to make change for students in the lunch line ~~or to allow students to eat if they do not have a lunch ticket or proper change to purchase a single meal.~~

Students who abuse lunchroom rules will be subject to disciplinary action. Students are not allowed to overcharge in excess of the amount equal to 5 lunches and students will not be allowed to charge for A La Carte. Students are allowed to leave only with special permission obtained from the administration. This includes, but is not limited to, when permission is given by parents to eat elsewhere with adults.

ACCOUNT CHARGES

Total charges to each student account will be limited to the cost of 5 days of meals. Charges will only be allowed for full Main Menu meals. The charging of A La Carte items will not be allowed under any circumstances. A reminder is given to the student when their account is \$5.30 at the elementary level and \$5.70 at the middle and high school level. A notice will be sent to the parents/guardian when the account reaches \$0.00. In order to conduct the end of the school year account closing, four weeks prior to the end of the school year parents and/or students will be notified that no charges of any kind will be allowed during the last two weeks of school.

NOTE – Students in grades K-12 will never be allowed to be without some kind of food. An alternative food source will be given to these students if this form of action is required (i.e. PB&J, Cheese Sandwich, Fruit & milk).

LOANING, EXCHANGING, BORROWING OR MISUSED MEAL TICKETS

In order to protect the confidentiality of all students, exchanging and/or borrowing meal tickets is prohibited by federal guidelines. To prevent the possible reuse or misuse of meal tickets it is the responsibility of the secretary to ensure that all tickets are clearly identified when issued and used. It is also the responsibility of the secretary to ensure that only the individual that has been issued the ticket actually used the ticket.

REFUNDS

Refunds are only to be given if a student is leaving the school district or at the end of the school year.

SCHOOL TRIPS

Students should plan in advance of their absence when they are aware that they will be missing schoolwork. They should confer with each teacher relative to their absences. However, realizing that it is impossible to make up some school work in advance, the student should realize that this requires extra effort on the part of the teacher and should cooperate with the teacher in advance planning as much as possible. Students who miss school from sickness will be allowed two days to make up the work for each day of sickness. Where students make no effort to make up work, they will be given a failing grade for the work they have missed.

SCHOOL TRIPS - TRANSPORTATION

It is the policy of the School District to designate and assign transportation for all students who participate in school activities away from home. When provided, students will wear a safety belt. When buses or other school vehicles are used, any student who participates in the activity will ride an assigned bus or school vehicle and will return home on that bus or school vehicle. If the bus fails to return, substitute transportation will be provided and assigned. When cars other than school vehicles are used, the car or vehicle shall be owned and driven by an adult. Such car shall also have no less than legal minimum liability insurance. The above regulations will be observed with the following exceptions:

A. In case of emergency the superintendent or principal may set aside the above rules when he feels that it is necessary.

B. When an administrator is not available, the sponsoring staff member may set aside the rules when he/she feels that it is necessary, provided the parent or guardian makes a written request to pick up the student.

C. In no case shall a student be released to anyone except a parent or guardian.

D. In cases of extreme necessity, a parent or guardian may address a formal letter to the superintendent or principal well in advance (48 hours) of the trip requesting that the student be released to a well-identified adult. No release will be made until a written reply from the superintendent or principal has been filed and copies given to the sponsor. Any "senior trip" will be made after the closing of school, and the group will be responsible for furnishing its own sponsors and transportation and will not be considered an event sponsored by the school.

Discipline

STUDENT DISCIPLINE

The penalty for improper conduct may vary from minor reprimand to the most severe penalty of being expelled from school. Students attending school-related events outside of the regular school day will be subject to the same disciplinary action as the regular school day. Students may be suspended from participating in extracurricular activities. Student officers should be an example for other students to follow. A detention period may be assigned from 3:25 to 4:15 p.m. or from 7:05 a.m. to 7:55 a.m. Students are expected to attend when this has been assigned. One-day notices may be observed for bus riders or some other instances. Law enforcement may be contacted for conduct that is in violation of the law.

CODE OF STUDENT CONDUCT

Development of good discipline is one of the most important goals of education. Discipline is the development of self-control, character, and proper consideration for other people. Understanding the purposes of discipline in school facilitates the formation of positive attitudes and assists the student in doing his part to make himself a better person and the school a better place. So that Sabetha High School can maintain the best learning environment possible, the administration and faculty have expectations of the students. These expectations are:

1. Appropriate school behavior: Classroom behavior that assures the right of every student to learn and the right of every teacher to teach. Appropriate out-of-classroom behavior demonstrates respect for the personal and property rights of other students, faculty, and staff.
2. Arrival at school and to class on time.
3. Daily school and class attendance.
4. Appropriate use and care of the buildings and facilities of the school.
5. Cooperation with the school staff as they attempt to meet the varied educational needs of all students.
6. Adherence to acceptable standards of courtesy, decency, and morality, and compliance with provisions of civil law.

INAPPROPRIATE LANGUAGE/GESTURES

Inappropriate language and/or **gestures/gesturing**, has no place in or around an educational institution, or during a school sponsored activity. The teacher or sponsor in charge of the activity will discipline students in violation of this policy. Continued usage will result in suspension.

FIGHTING AND PHYSICAL AGGRESSION

Fighting or physical aggression is considered to be a type of conduct, which substantially disrupts, impedes or interferes with the operation of school and impinges upon or invades the rights of others. This type of behavior will not be tolerated. Students caught in violation of this policy will be subject to suspension and/or expulsion.

Neither self-defense nor action undertaken on the reasonable belief that it was necessary to protect some other person is to be considered an intentional act under this policy.

VANDALISM

Damage or destruction of school property

A student shall not intentionally cause or attempt to cause substantial damage to valuable school property or steal or attempt to steal school property of substantial value. Repeated damage or theft involving school property of small value also shall be a basis for long-term suspension or expulsion from school.

Damage or destruction of private property

A student shall not intentionally cause or attempt to cause substantial damage to valuable private property or steal or attempt to steal valuable private property either on the school grounds or during a school activity, function, or event off school grounds. Repeated damage or theft involving private property of small value also shall be a basis for long-term suspension or expulsion from school.

STUDENTS AND PARENTS ARE REMINDED THAT THE STATE LAW PROVIDES FOR EXPULSION OF STUDENTS FROM SCHOOL.

The following is quoted from Article 89, Section 72-8901, Kansas Statutes. Grounds for suspension or expulsion: who may suspend or expel, or by regulation authorize any certified employees to suspend or expel, any pupil or student guilty of any of the following: a) Willful violation of any published regulation for student conduct adopted or approved by the board of education; (b) conduct which substantially disrupts, impedes or interferes with the operation of any public school; (c) conduct which endangers the safety of others or which substantially impinges upon or invades the rights of others at school, on school property, or at a school supervised activity; (d) conduct which, if the pupil is an adult, constitutes the commission of a felony or, if the pupil is a juvenile, would constitute the commission of a felony if committed by an adult; (e) conduct at school, on school property, or at a school supervised activity which, if the pupil is an adult, constitutes the commission of a misdemeanor or, if the pupil is a juvenile, would constitute the commission of a misdemeanor if committed by an adult; or (f) disobedience of an order of a teacher, peace officer, school security officer or other school authority when such disobedience can reasonably be anticipated to result in disorder, disruption or interference with the operation of any public school or substantial and material impingement upon or invasion of the rights of others. Students who are considered to be “excessive” in violation of attendance or tardy policies may face long-term suspension or expulsion. (This is a guideline. The administration may take into consideration situational factors for each offense.) The excessive compilation of discipline code violations of the may be used to determine a long-term suspension or expulsion.

STUDENT DRESS

Personal Appearance

The basic responsibility for the student’s appearance remains with the student and parents. Dress for both boys and girls is expected to be clean, neat, modest, and conform to standards of appropriateness. Any clothing that is revealing, suggestive, or distracts from the learning environment is inappropriate. The school board delegates the building principals and administrators the authority to correct a situation which may be interfering with the learning process. Students identified as wearing inappropriate clothing, will be required to change to appropriate dress. Discipline procedures may be incorporated if the students fail to comply with the request to change to appropriate clothing as per building discipline policies.

The following standards are in place at Sabetha High School:

- Shirts: students may not wear see-through shirts, shirts with cut off or torn sleeves, halter tops, low-cut shirts (shirts/dresses should not expose cleavage), shirts with spaghetti or narrow straps, shirts with large, gaping armholes, shirts which expose any part of the midsection, shirts promoting alcohol, tobacco, or sexually suggestive messages, and shirts which have wording that indicates violence or profanity.
- Pants: Saggy pants that expose boxers or briefs cannot be worn. Pants, jeans, and shorts with excessive holes or holes which expose undergarments are not allowed. Low-cut jeans which are below the waistline and expose the mid-section cannot be worn.
- Shorts, Skirts, and Dresses: The length is expected to be in good taste (mid-thigh length is recommended for shorts.)

- Accessories: Students are not to wear sunglasses, hats, caps, or any other type of head covering inside the school building during school hours unless otherwise approved by administration. Wallet chains, collars or bracelets with spikes, and thick chains around the neck or other parts of the body are not allowed for safety reasons.
- Undergarments and pajamas: Pajamas or boxer shorts worn as outerwear are not allowed unless otherwise approved by administration. Undergarments (bra straps, underwear, etc.) should not be visible at any time.

If there is a dress code violation, the student will be asked to change to an appropriate look. This request will include turning a shirt inside out, changing to a T-shirt, wearing a jacket over a shirt, changing to a pair of appropriate shorts, removing a hat, chain or collar, etc. If the student in question fails to comply with the request, they may be subject to disciplinary action.

The administration and/or his/her designee is authorized to interpret these rules and regulations and to make such adjustments and/or revisions as he/she deems appropriate when special circumstances arise. Any special circumstances that arise during the school year may call for adjustments in the dress code. If any student(s) would like a special consideration on dress, please check with the administration at least two days in advance. Because of the subjective nature of this area, students are encouraged to use conservative judgment with their clothing.

CELL PHONES/ELECTRONIC DEVICES

Any non-school issued or personal electronic device (i.e. cell phones, headphones, air pods, iPods, etc.) use by students during school is prohibited. Electronic devices may be used before school, during passing periods, and during lunch. If a student brings an electronic device to school, that device must not be seen or heard except before school, during passing periods, and during lunch. Cell phones or cameras are not permitted in locker rooms, bathrooms, or other places where the potential for exploitation exists.

In the event of extenuating circumstances, such as a family medical emergency, students may request of the principal, the right to carry a phone during the school day. Students choosing not to follow the guidelines provided will be subject to disciplinary action. The school retains the right to duplicate any information created by students in a computer system or on any individual computer. Students who violate these rules, or any other classroom rules relating to computer use are subject to disciplinary action up to and including suspension from school. Unified School District 113 – Sabetha Consequences of Violation of Technology Policies.

All of the policies and handbook procedures for acceptable use of computers and network are intended to make the computers and networks more useful to students and teachers. They are also intended to minimize the burden of administering the networks; so more time can be spent enhancing services. Use of the computers for programs, software, email, and to access telecommunications resources is a privilege, not a right.

Violations of the policies and procedures of USD 113 concerning use of computers and networks will result in disciplinary action and legal prosecution when applicable. Three levels of punishment may be enforced by the administration. While the levels may be implemented in order, nothing prevents the administration from selecting any step depending on the facts and the severity of the violation. Examples of possible violations: Deliberately accessing a pornographic site/material. Altering any system software or another's personal work, either locally or remotely. Using the network maliciously, as with hate mail, harassment, profanity, vulgar statements, or discriminatory remarks. Allowing anyone to use an account other than the account holder.

- Level 1: Violation: Student would lose computer privileges/Internet access until a parent conference is held. Any additional loss of privileges as determined by the administration will be discussed in this conference.
- Level 2: Pattern of abuse, repeated abuse or flagrant violations: Student who, after a Level 1 violation, continues to engage in serious or persistent misbehavior by violating the district's previously communicated written standards of conduct may be removed from any computer/Internet privileges for the remainder of the school year or remaining school years and recommended for suspension.
- Level 3: Expellable offense: Student could be expelled from school if he/she engages in conduct on the Internet that contains the elements of the offense of criminal mischief, as defined by the state of the school year or school years.

WEAPONS

A student shall not knowingly possess, handle or transmit any object that can reasonably be considered a weapon on the school grounds or off the school grounds at a school activity, function or event. This policy shall include any weapon, any item being used as a weapon or destructive device, or any facsimile of a weapon. Possession of a firearm shall result in expulsion from school for a period of one year (186 school days), except that the superintendent may recommend that this expulsion requirement be modified on a case-by-case basis under the provisions of JDC (Probation). As used in this policy, the term "firearm" means any weapon (including a starter gun) which is designed to or may readily be converted to expel a projectile by the action of an explosive, the frame or receiver of any such weapon, or any firearm muffler or silencer, or any destructive devices, or any facsimile of such a device.

SURVEILLANCE CAMERAS

USD 113 and Sabetha High School utilize surveillance cameras in an effort to protect our students and the learning environment. The district may use surveillance cameras to monitor student activity. Surveillance cameras may be used to monitor students riding in district vehicles and to monitor student behavior in or around any district facility. Surveillance footage which is a record of student behavior shall be secured in a secure location until the digital storage mechanism or tape on which the footage is maintained is either reused or erased. Surveillance footage of personally identifiable students depicting their involvement in an altercation or other violation of law or district policy shall be considered a student record and shall be subject to current law for the release of student record information. Both audio and video may be captured through district surveillance cameras.

CRISIS AND EMERGENCY DIRECTIONS	13

Welcome to Sabetha Middle School and to the new and exciting experiences that will make your time here enjoyable and memorable. We are proud of our facility and the commitment the community makes to improve and maintain its educational opportunities. This agenda has been prepared for the purpose of helping orientate students, parents, and the community about Sabetha Middle School. Students and parents should become familiar with the policies, procedures and activities associated with Sabetha Middle School.

During the middle school years, students are in the process of finding and developing their strengths and interests, which result in new dimensions of learning. Encouragement from parents at home and from staff at school will go a long way toward maintaining students' interest. Our students are very special to us, and we will attempt to make student experiences positive and memorable. Our goal will be to give every child the opportunity to grow and develop mentally, physically, and socially. We have identified four general goals that will help students experience a successful school year.

Goal 1: Students are expected to try their hardest and do their best.

Examples: Being on time for classes, being prepared, and having daily assignments completed. Teachers have the responsibility of giving all their students an opportunity to be successful in their class. Students are given an opportunity to learn.

Goal 2: Students are expected to demonstrate self-control and make good decisions.

Example: Throughout your life you are faced with everyday decisions regarding behavior, peer relationships, and having a positive attitude. Therefore, we expect you to practice self-control and make good common sense decisions on a daily basis. It is important to remember that you will be accountable for the decisions that you make.

Goal 3: Students are expected to treat people and property with respect.

Example: All students have individual rights and need to treat each other with respect, both verbally and physically. Respecting school and personal property are mandatory requirements of all students. Students should always project a positive image as they represent not only the school, but also their families, as well as themselves.

Goal 4: Students will make a valid effort to become an integral, vital part of the school community, connected in a positive way to his or her peers as well as to the staff and school as a whole.

Example: Students are encouraged to participate in any and all activities for which they are eligible.

Sabetha Middle School Core Beliefs

1. Every middle school student and teacher will learn to be accountable, responsible and hard working.

OFFICE HOURS

The Sabetha Middle School office is open from 7:30 a.m. – 3:45 p.m.

ATTENDANCE

The student is expected to be punctual and regular in attendance. It is the parent(s)/guardian responsibility to keep the student's attendance regular.

The following reasons for being absent may be excused.

- Illness
- Doctor or dental appointment
- Death or illness in the immediate family
- Other reasons will be up to the discretion of the principal.

I. PROCEDURE

To be excused, parents should call by 9:00 a.m. on the day of the absence or send a signed and dated note with the student when he/she returns to school. A phone call is preferred. The school office will attempt to contact you by phone if your child is absent and we have not heard from you.

II. RESPONSIBILITY OF ACADEMIC WORK

Daily attendance is important. Each day the teachers are expected to cover material that will be of value to students. All make-up work in any class is the student's responsibility. Students who know they are going to be gone should check with each teacher for any advance assignments before they leave. The general rule for make-up work is one-day make-up for every day missed.

III. UNEXCUSED ABSENCES AND TRUANCY

A student absent without permission from their parent, guardian, or the school will be considered truant. If students have been absent from school without an acceptable or valid excuse they will be required to make up the time missed after regular school hours. If a student has three consecutive days or five days of absence in any one semester without an acceptable or valid excuse, county authorities will be notified.

IV. TARDIES

Students who are tardy to school must receive a tardy slip in the office. If a student is late for a class after first hour, that particular teacher will give the student a tardy. Individual teachers will determine if a tardy is excused or not. If tardies are to be excused, the student should have a slip from the previous teacher or the office. Students will lose their seating and social privilege during lunch if they

have received excessive tardies. If students do not bring the required classroom materials to class and must return to their locker to get them they may be given a tardy.

Students will receive a detention for their 6th tardy and again on their 8th tardy during a 9 Week period. Starting with the 10th tardy (and each even numbered tardy that exceeds 10), students will receive one day of ISS. Students will also lose their lunch privilege.

V. ILLNESS DURING THE DAY

If you become ill or have any other emergency, you should notify your teacher. If you are in between classes, report to the office. Leaving the building without permission from the office will be considered an unexcused absence.

VI. EXCESSIVE ABSENCES

Parents/Guardians of students who have an excessive amount of excused absences from school will receive a notification by mail that continued excessive absences might be considered as unexcused unless they are accompanied by a doctor's certification.

*The Board of Education has determined that a signed statement by a parent or guardian requesting absence of a student from classes will constitute a valid excuse. This request for absence from school is valid for up to a maximum of five (5) absences per semester. If a student has an excessive amount of absences from school, which the administration feels are somewhat questionable, the parents of the student will be informed that DCF/County Attorney may be notified.

STUDENT CONDUCT

I. RESPONSIBILITY FOR DRESS

The Board of Education of USD 113 encourages all students to dress appropriately for the situation. Appearance does affect the learning atmosphere of a school. Appropriate footwear of some type must be worn. Some clothing, including but not limited to the following examples, will be considered unacceptable in the school setting: cut-off shorts, elastic stretch shorts, beach apparel, mesh shirts, and cutout shirts exposing the chest or stomach area.

1. Shirts will be free from objectionable terms such as profane or obscene language or meaning.
2. Any reference to tobacco, drugs, alcoholic beverages or sexual connotations.
3. Any clothing apparel or **personal grooming that is considered a distraction to a learning atmosphere by certified personnel.** Heavy winter coats may not be worn in the school unless permission has been given. When dress or appearance is inappropriate for school, students will be allowed to call parents or may be sent home to change.
4. Hats or scarves will not be worn in the school building.
5. **Shorts and/or flip flop sandals (no back shoes) may only be worn during the following months: August, September, October, April, & May. (The building administrator can permit exceptions to these months if there is an unusually warm weather pattern during other months of the year.**
6. Shorts and skirts must be of sufficient length when they are worn at school. The general or standard test for appropriate and acceptable length for shorts and skirts is the following: When the student is standing in an upright position with his/her hands naturally extended downward at his/her sides, the individual's shorts or skirt must be equal to or be longer in length than the student's fingertips or have a 5 inch in-seam. **Pants or shorts will not have holes in the upper leg area exposing skin.**
7. When wearing yoga pants/leggings/tights/athletic capris, the individual's shirts, skirts, dresses or shorts must cover the buttocks and comply with the 'appropriate and acceptable length' listed above in item #6.
8. Shirt must cover undergarments and skin while in a seated position.
8. Shirt straps should measure 3 inches or more wide.
9. Clothing that reveals underwear or bare midriff is prohibited. Pants should be worn above the buttocks.
10. Chains, large rings, or jewelry that may be used as weapons are not allowed.

RESPONSIBILITY FOR PERSONAL GROOMING

Students are discouraged from drawing on their hands or arms for personal hygiene and health purposes. Any other questionable dress that could be considered inappropriate will be handled on a case-by-case basis.

II. STUDENT BEHAVIOR EXPECTATIONS

Students are expected to respect themselves, others, and property while attending (or representing) Sabetha Middle School. Students are to refrain from unacceptable behaviors at school, at school-sponsored activities, on school property, and on school buses. Students who behave in a manner that has a negative effect on school environment, events, or related activities will face disciplinary action. Students on suspension will not participate in school activities.

A. Classroom: This may vary from teacher to teacher, but in general, the following regulations apply in all classes. The student is responsible for taking necessary books, pencils, paper and required work with you to each class.

1. Enter the room in an orderly manner and be in your assigned seats, quiet and ready to work when the bell rings.
2. Show good manners, courtesy, and respect for teachers, school personnel, and other students.
3. Students will be dismissed by the teachers in an orderly manner, and are not dismissed by the bell.

B. Lunchroom:

2. All students are expected to remain in the commons during their assigned eating time, whether they eat or not, unless permission is granted otherwise.
3. Unacceptable lunchroom behavior may lead to disciplinary action.
4. All students will pick up and return their own meal tray.
5. Students may give other students portions of their lunch if they so choose, but this transition should be done as smoothly and orderly as possible.
6. Students may not have food from local restaurants delivered to the school for lunch.
7. Pop may not be purchased or brought in for lunch, unless approved by the principal.
8. Students will return to their classes in a quiet, orderly fashion at the conclusion of lunch.

C. Hallway:

1. Students will walk on the right side of the hallways.
2. Students are expected to conduct themselves as young adults in the hallways and in between classes. No running, shouting, or horseplay is permitted in the hallways.

D. Bus:

To insure safe and comfortable transportation, students must act and behave responsibly when riding on a bus. Students will obey some basic rules when riding the bus. If the rules are not obeyed, students will be turned into the office. Bus privileges may be taken away from a student at any time for misbehavior that creates an unsafe situation on the bus.

1. Sit quietly in your seat. Talk only in a soft tone. Visit only with those next to you in your seat.
2. Do not talk to the driver while the bus is in motion, unless it is an emergency situation.
3. Obey immediately all commands of the driver.
4. Keep arms, legs, and other objects out of the aisle.
5. Be on time.
6. Only open windows when permission is given. Do not stick anything or throw anything out of the window.
7. No profanity allowed.
8. The driver may assign a seat to any student.
9. Do not throw paper or trash on the floor.
10. Do not push or shove other students when loading or unloading the bus.

E. General Rules for Students:

Any violation of the following rules by students will result in one of the steps of the school's discipline code.

1. Bodily contacts not allowed: No kissing, hand holding, bodily embracing, or other inappropriate behavior.
2. Demonstrating disrespectful conduct to an adult or other students.
3. Profanity, drugs, vaping, alcohol, any tobacco, whether chewing or smoking will not be allowed.

4. Snowballing, water guns, firecrackers, matches, lighters, or anything else that could pose a problem to a learning atmosphere.

10. Academic dishonesty (cheating, copying, or forging signatures).
11. Explosive materials (matches, gun powder, etc.).
12. Verbal or physical harassment towards other students or staff members.
13. Excessive absences/truancy.
14. Conduct that disrupts, impedes, interferes or limits a learning atmosphere.

16. Students are restricted from possessing or misusing laser pointers and light devices at school, which could be harmful to the eyes.
17. Breaking of school or classroom rules.
18. Stealing.
19. Temper tantrum.
20. Threats (by word or deed).
21. Headphones and/or Bluetooth headphones are to be used in the classroom for educational purposes, not during passing periods.

F. Anti-Bullying Policy (Second Step)

Sabetha Middle School has implemented a policy to prevent or reduce potential incidents of student bullying. All students are orientated to our building policy on bullying. Students have regularly scheduled class meetings to discuss building situations. The following steps are recommended:

- Contact a teacher – document concern and date, note any recommendations
- If concern continues, contact the principal in writing
- If issue continues, contact principal again – principal will prepare plan of action
- If you or your child is concerned about repercussions as a result of reporting an incident, make this known to the teachers or principal

G. Technology Acceptable Use Guidelines

All of the policies and handbook procedures for acceptable use of computers and iPads are intended to make the computers and iPads more useful to students and teachers. They are also intended to minimize the burden of administering technology; so more time can be spent enhancing services.

Use of the computers and iPads for programs, software, e-mail, and to access telecommunications resources is a privilege, not a right. Violations of the policies and procedures of USD #113 concerning use of computers and iPads will result in disciplinary action. (*Prairie Hills Schools Policies, Procedures & Student Information Grades 6-12*)

Three levels of punishment may be enforced by the administration. While the levels may be implemented in order, **nothing prevents the administration from selecting any step depending on the facts and the severity of the violation.**

Examples of possible violations:

- Deliberately accessing a pornographic site/material.
- Altering any system software or another’s personal work, either locally or remote
- Using the network maliciously, as with hate mail, harassment, profanity, vulgar or discriminatory remarks.
- Allowing anyone to use an account other than the account holder.

Level 1: Violation: Student will lose technology privilege/Internet access until a parent conference is held. Any additional loss of privilege as determined by the administration will be discussed in this conference.

Level 2: Pattern of abuse, repeated abuse or flagrant violations: Student who, after a Level 1 violation, continues to engage in serious or persistent misbehavior by violating the district’s previously communicated written standards of conduct may be removed from any computer/

Internet privileges for the remainder of the school year or remaining school years and recommended for suspension.

Level 3: Expellable offense: Student could be expelled from school if he/she engages in conduct on the Internet that contains the elements of the offense of criminal mischief, as defined by state and federal law. Any student expelled for misuse of technology will also lose computer privileges for the remainder of the school year or school years.

--DISCIPLINE CODE--

I. DETENTION

Detention is normally issued to a student for continuous failure to follow school or classroom rules and regulations. Normally, before a student is issued a detention they are given a verbal or written warning. In short, students are given an opportunity to correct their problem before a detention is issued. Each and every detention requires a student to stay 45 minutes after school in a designated classroom. The teacher issuing the detention will notify the student as to what night the detention is to be served. (At least a 24 hour notice will be given unless the student indicates they can stay that night.) The student usually is required to write school rules out of the agenda or sections from the encyclopedia. Students who receive a detention will be expected to serve the detention as soon as possible.

Excessive Detention Policy

If a student receives 3 detentions in a semester, parents or guardians will be notified by letter and a conference may be requested. If a student receives a 5th detention in a semester period, the student will be issued a 1-day In-School Suspension. If a student receives 7 detentions during the semester, another 1-day In-School Suspension will be issued. An Out-of-School Suspension could result if a student receives nine detentions in a semester.

Note- This will be the policy for a student receiving excessive detentions. Alternative Education Opportunity, In-School or Out-of-School Suspension may be issued at any time regardless of the number of detentions a student has if the seriousness of the offense warrants.

II. SUSPENSIONS

A. Alternative Education Opportunity

This is a short-term suspension, issued by the principal, for a term of 1 to 5 days from classes. The student will remain in supervised study area during the school day isolated from the rest of the students.

B. Out-of-School Suspension

This is a short-term suspension, issued by the principal, for a term of 1-10 days from classes. The student will not be allowed on the school premises during this time period.

C. Expulsion

This is a long-term suspension, issued by the principal, and it shall not extend beyond the current school year. An expulsion shall not be imposed upon a student without affording such student or his parents or guardians a hearing.

SUSPENSION TYPE OFFENSES-

Any of the following offenses by students may warrant an automatic suspension; regardless of how many detentions a student has received:

- a. Physical assault.
- b. Deprivation through intimidation of another individual's right to attend school safely.
- c. Destruction of school property.
- d. Distribution or sale of alcohol, possession of alcohol, tobacco, or drugs.
- e. Setting a false fire alarm.
- f. Indecent exposure.
- g. Robbery / Theft, vandalism.
- h. Possession of knives, firearms, explosive material, or any other item that can be considered dangerous or deadly.
- i. Any verbal or physical harassment of school personnel, either on or off school grounds.

--GENERAL POLICIES--

BOOKS

Textbooks will be furnished by SMS on a rental basis to each student. The books will be checked out the first day of school. The student, in return, is expected to care for their books. Lost or misplaced books, or books damaged beyond normal wear will necessitate the replacement of that specific text. A fee will be charged for damaged books. In order to protect the textbooks, we will require they be covered.

LOCKERS

A locker is assigned each student to store his or her books, supplies, coats, etc. Lockers should be kept neat and clean so a student must keep their materials organized. Each student's locker combination should be kept confidential to prevent other students from getting into your locker. The cost of repairing damage to a locker due to misuse will be charged to the student. Student lockers are property of the school and may be opened and searched at any time.

LIBRARY

The books and materials in the library are yours to share and to enjoy. The freedom to use these materials carries responsibility. Please return checked out materials promptly. You are financially responsible for any materials you damage or lose. The library is a classroom; it has rules and regulations; follow these rules if you want to continue to use the library.

VISITING SCHOOL

All visitors must report to the office first. Since instruction time has a direct effect on the amount of learning for students, we want to keep class disruption at a minimum.

ASSEMBLIES / PROGRAMS

Several educational and entertaining programs are held throughout the year for students. When a person or group has taken the time to visit our school for a presentation we owe them the consideration and respect they deserve. Quiet attention and proper applause are expected.

TELEPHONE

Students will not be excused from classes to make or receive phone calls. Emergency calls or parent messages will be delivered to students. Students may only use the telephone (office) during school hours with the office approval.

LEAVING THE BUILDING

No student is to leave the school grounds or building once he or she has arrived, without office consent, between the time of arrival and the final bell ending the school day. Even those who have a note from a parent or guardian must check in the office before leaving. No student will be allowed to leave without parental permission, known to the office.

WITHDRAWALS

If a student is relocating to a different town and will no longer attend school in Sabetha, the parents should notify the school office at least 3 days prior to the anticipated move to obtain proper withdrawal procedures.

FEE REFUNDS

If a student withdraws during the first semester, one half of the fees will be refunded. If the student withdraws during the second semester, none of the fees will be refunded.

NON-SMS STUDENTS ATTENDANCE AND SCHOOL DANCES/SOCIAL FUNCTIONS

Students who are not enrolled in SMS are not allowed to attend school dances and other SMS sponsored social functions.

ADDRESS OR TELEPHONE CHANGES

If at any time during the school year, your address or telephone number changes, the school office should be informed. There are several mailings each year and / or if it becomes necessary to call parents for emergencies, correct information simplifies the process.

DISPENSING OF MEDICATION

Parents must complete and sign a medication permission form for ALL medication (prescription or nonprescription) that is to be taken at school. A physician must sign the form for all prescription medication to be taken at school. The medication is to be brought to school in the original container appropriately labeled by the pharmacy or physician stating the name of the medication, the dosage and the times to be administered.

COUNSELING & GUIDANCE

A guidance counselor is available to middle school students each day of the week. Appointments can be made in advance through the office.

LOST & FOUND

A lost and found box is maintained in the office. Any found items should be turned in to the office. Articles with proper identification will be returned.

LUNCH PROGRAM (District Policy EE 1-9-17)

Unpaid Meal Charges

The district's meal charging requirements are as follows.

A charge account for students paying full or reduced price for meals may be established with the district. Students may charge no more than (\$20 worth of/5) meals to this account. Charging of a la carte or extra items to this account will not be permitted.

Any student failing to keep his/her account solvent as required by the district shall not be allowed to charge further meals until the negative account balance has been paid in full. However, such students will be allowed to purchase a meal if the student pays for the meal when it is received. Students who have charged the maximum allowance to this account and cannot pay out of pocket for a meal will be provided an alternate meal consisting of a peanut butter, peanut butter alternative, or cheese sandwich and milk.

At least one written warning shall be provided to a student and his/her parent or guardian prior to denying meals for exceeding the district's charge limit. If payment of the negative balance is not received within 5 working days of the maximum charge limit being attained, the debt will be turned over to the superintendent or superintendent's designee for collection in accordance with board policy DP. If the debt is not paid within 10 days of mailing the final notice of the negative account balance under policy DP, it shall be considered bad debt for the purposes of federal law concerning unpaid meal charges.

Payments for school meals may be made at the school or district office. Students, parents, and guardians of students are encouraged to prepay meal costs.

The district will provide a copy of this unpaid meal charges policy to all households at or before the start of school each year and to families and students that transfer into the district at the time of transfer. The terms of this policy will also be communicated to all district staff responsible for enforcing any aspect of the policy. Records of how and when it is communicated to households and staff will be retained.

GYM LOCKS

Students will be issued a lock for their gym locker or basket. Should you lose this lock you will be charged \$5.00.

BICYCLE PARKING / SKATEBOARDS

Students who ride bicycles to school should park them north of the building. It is recommended that bicycle owners use a chain and lock. It is recommended that students not bring skateboards and roller skates to school. If a student does those must be parked in the office.

ELECTRONIC DEVICES - WALKMANS, PAGERS AND CELL PHONES (Smartwatch)

These devices are not allowed in possession of students during the school day. If these are brought to school they must be turned off upon entering the building and kept in their locker until the end of the day. (NOTE: Smartwatches may be worn but are not to be used for electronic communication, research, etc.) The following discipline actions regarding these electronic devices will be in place following violation of this policy:

- 1st offense - Device taken away and given back at the end of the day
- 2nd offense - Device taken away and given back at the end of the day (Detention issued)
- 3rd offense - Device taken away (Detention issued), Parent must come in and pick up item

GRADING SCALE

<u>Grade Points</u>	<u>Grading Scale</u>	
4	A = 90 – 100	Superior work of outstanding quality
3	B = 80 – 89	Above average quality work
2	C = 70 – 79	Average quality work
1	D = 60 – 69	Below average work
0	F = 59 – lower	Low-quality work, doesn't meet requirements
	IN= Incomplete	Actual grade is being withheld until all work is completed.

ACTIVITY PASS

Students are given the privilege to purchase an activity pass that admits them to most middle school and high school activities. This is a big savings to the student who otherwise would have to purchase a ticket at the door each time. Students need to present these passes at the ticket gate.

PHYSICAL EXAMS

It is recommended that 6th grade students receive a physical exam prior to the beginning of the school year in order to reconfirm their previous health and immunization records. All 7th and 8th grade students who plan to participate in athletics must have a physical exam. All students must have a physical exam before they will be allowed to practice. The local doctors' offices or the school will have the necessary forms. Students who are participating in cheerleading must have a physical exam before practice.

CHEERLEADING

Any 7th or 8th grade student who wishes to be a member of the cheerleading squad may do so as long as they are academically eligible and are a student in good standing. Cheerleaders will only cheer at home events. Cheerleaders will be issued a basic uniform and pompons. At the end of the season, the uniform and pompons must be returned undamaged and with only normal wear conditions or the cheerleader must pay for any lost or abnormal wear conditions of the uniform or pompons. A cheerleader is expected to remain on the squad throughout the fall and winter sports seasons unless they are participating in a particular sport. All cheerleaders must have a medical physical prior to participating on the cheerleading squad.

ATHLETICS

Philosophy – to provide the best possible athletic program to its students. The program will emphasize participation as well as competitiveness. In order to accomplish these two goals the following guidelines will be used in the programs:

1. All students will be allowed to participate in the program (no program cuts).
2. In A-team competition, coaches will be trying to win the contest playing as many athletes as they can without jeopardizing a team victory. (This is strictly a coach's judgment.) In B-team competition, we also would like to be successful, but at the same time, we feel that playing experience should be the most important emphasis, so this will be our main goal. We will try to provide extra contests or quarters when possible, depending on the participation numbers, so every student gets an opportunity to play in a contest as long as they have fulfilled the sport's requirements.

Students in the 7th and 8th grade have an opportunity to participate in several individual and team sports. Students who participate in athletics at Sabetha Middle School are representing their school, their family, along with themselves and should conduct themselves in a manner that exhibits a positive representation of those. Students who participate in extra-curricular activities and athletics at Sabetha Middle School must be a student in good standing both academically and behaviorally in order to uphold the privilege of being able to participate in these activities. A student must have passed five subjects the previous semester in order to be eligible to participate in any activities and be a full-time student. A student may be temporarily or permanently suspended from school activities at any time if they exhibit negative academic or social behavior during that activity season. Students who are absent from school for more than a half a day due to illness will not be allowed to participate in any extra school activities on that day.

ATHLETIC CONTESTS / SCHOOL SPONSORED ACTIVITIES

Being a spectator at district activities calls for good behavior and sportsmanship just as does active participation in the event. The qualities of good sportsmanship are not confined to sports alone. The same spirit of conduct is fundamental in every human activity. When you are attending a district activity, remember you are representing your family, school, and community, so project a good positive image. If you didn't come to watch the event please stay away, this is not a place to just run around.

When at these contests and the National Anthem is played and our flag is honored, stand and pay respect to our nation's symbol. Any violation of the above could result in the loss of the privilege to attend these events.

STUDENT RECOGNITION

Nine-week Recognition Assembly – Shortly after the end of each 9-week grade period, Sabetha Middle School will recognize students who have accomplished the following criteria during the preceding 9 weeks:

- Honor Roll – Superintendent's - All A's
- Bluejay - 3.50 GPA or higher
- Scholastic - 3.00 – 3.49

Any students that receive a D or F in any subjects will be ineligible for any of the honor rolls.

Athletics – Students who have just completed any school sponsored athletic or extra-curricular activity.

BLUEJAY SOCIAL

The Bluejay Social is held during each grading report period (including progress report time) for students who are eligible. Any student who has received a detention, 2 or more tardies, or an F on his/her grade report will not be eligible to participate in the social. The social will be held during part of a designated Seminar period. Students who are eligible will receive a free soft drink and be able to purchase candy with their Bluejay Bucks.

CITIZENSHIP AWARD

8th Grade only – 1 girl and 1 boy – The 8th grade staff will be presented a rating sheet with all the 8th grade students listed. Staff will rank and rate the students listed using the criteria listed below.

Criteria for Citizenship Award – This award is presented to both an 8th grade boy and girl student in Sabetha Middle School who has throughout the school year achieved and exemplified high standards in the following areas:

- Academics: Grades, Honor Roll
- Self-Discipline: Detentions, Tardies
- Peer Relationships: Gets along with classmates, positive leadership qualities
- Extra-Curricular: Volunteers with extra school related tasks, active in extra-curricular activities

PROMOTION POLICY

Under this system pupils are promoted on the basis of careful study and analysis of what seems best for each individual. This system assumes that teachers and administrators know about learning, the nature of the individual, and the effects of promotion and retention to make wise judgments for each individual. The system accepts continuous promotion as desirable for most pupils but reserves the right to modify the policy for any individual pupil.

Promotion or failure should be recognized as a means and an end. Promotion is flexible, based on multiple standards. All facts about the individual are appraised, conferences of those involved are held, and the possible risks are analyzed. The decision to fail a child becomes a professional responsibility akin to the decision of a surgeon to perform an operation.

The principal shall make the final decision with advice from both the sending and receiving teachers and only after several scheduled consultations with the parents. As far as possible, retention shall be accomplished before the child leaves the primary grades.

The principal shall determine what alternatives will be most beneficial to the student who fails one, two or three of the basic subjects. A student failing all four subjects will most likely be retained.

Any 8th grader who fails a core class in the 4th 9 weeks will come in after their school year is completed and redo some assignments and or tests to move their grade to a passing grade.

Crisis Procedures (*Staff Crisis Intervention Handbook USD 113*)

Various drills will be conducted throughout the school year under the following descriptors:

1. Evacuation
2. Severe Weather
3. Bus Evacuation
4. Lock Down
5. Off-Site Evacuation and Reunification
6. Shelter in Place

Fire Directions

Fire exit diagrams are posted in each classroom. Teachers will inform students of fire exit procedures for their classroom at the beginning of the school year. Fire drills will be conducted periodically throughout the school year. Everyone will move in a quick but orderly and silent manner to exit the building using the directed route. The first student exiting the room with a door should hold the door open for those who follow.

Tornado Directions

If we are alerted to take cover from a possible tornado, all of Sabetha Middle School will as quickly, orderly, and quietly as possible go to the locker rooms.

The first ones in need to go to the center of the locker rooms so late arrivals can get into the shelter with ease.

Students should crouch or sit on the floor with head between the knees.

Stay away from any window areas.

The primary responsibility for recording attendance shall be assigned to each teacher in the high schools, the junior high school, and to the classroom teacher in the elementary schools, under supervision of the building principal, and using forms prescribed by the superintendent of schools. The superintendent of schools shall include an attendance report as a section of the annual report to the board of education and may report attendance problems to the board at other times as he/she deems it may be necessary to do so.</p>
Admission Requirements	<p>All resident students shall be admitted to attend school in the district unless they have been expelled.</p> <p>A resident student is any child who has attained the age of eligibility for school attendance and lives with a parent or a person acting as a parent who is a resident of the district.</p> <p>All students enrolling in the district for the first time shall provide required proof of identity. STUDENT/PARENT HANDBOOK

SCHOOL HOURS

- A. KINDERGARTEN - FIFTH GRADE 7:55 AM - 3:20 PM
- B. PRESCHOOL 7:55-11:15 AM (Morning Session) 11:55 AM-3:20 PM (Afternoon Session)

***Your child should not arrive before 7:30 a.m. or after 7:55 a.m.**

Students should go directly to the designated area (cafeteria or playground) upon arrival.

- C. ADJUSTED SCHEDULE

Professional Learning Communities (PLC) are school-based teacher groups that meet at least once a quarter. These meetings aim to improve the quality of education for the students in their school and to share ideas and concerns. The school will dismiss early (1:45 p.m.) when PLC groups meet. These dates are listed on the school calendar and described as "Early Release" days.

ENTRANCE REQUIREMENTS

- A. KINDERGARTEN

A child must be five (5) years of age on or before August 31st, have a state birth certificate, an up-to-date state immunization record, and a health assessment completed and signed by a licensed physician or health agency. This paperwork must be filed in the office to attend SES.

- B. NEW STUDENTS ENTERING SCHOOL

Parents should visit the school's office and meet with the principal or secretary. A transcript request form will be filled out and signed by the parent. This will allow the previous school to release and send your child's records to our school. An up-to-date immunization record will be required. One will be provided if you would like a tour of our building. New students will not start attending class until the following day to allow teachers to have the opportunity to create a welcoming environment.

FEES

- A. TEXTBOOK/INSTRUCTIONAL/TECHNOLOGY FEES

A fee schedule is approved by the Board of Education each year. Copies will be made available during the enrollment process and upon request.

- B. SCHOOL MEALS

Prices for breakfast, lunch, and milk are set by the Board of Education each year. Our district uses the Meal Tracker System. Your child will be given an account number, which allows you to credit that account with any amount of money that you choose. When the account is low (two meals or less), a machine-generated reminder will be given to your child. Please credit the account as soon as your notice is received. **Please review the Breakfast/Lunch Program section for more specific information.**

COMMUNICATION

A. DISTRICT WEBSITE

Our school website is <http://usd113.org>. Many items of information can be accessed from this site, such as signing up for USD 113 text alerts, PowerSchool for parents, district information, and staff email addresses.

B. SOCIAL MEDIA

Sabetha Elementary has established a social media presence. To access these communication sources, go to

Facebook	Sabetha Elementary
Twitter	Sabetha Elementary @SabethaElem

C. EMAIL COMMUNICATION

SES utilizes email as much as possible to provide timely communication with parents/guardians. This includes electronic newsletters. To receive these notifications, please make sure to provide the office with a working email address that is checked often.

BREAKFAST/LUNCH PROGRAM

A. Breakfast is between 7:30 - 7:50 AM. Lunch begins at 10:55 AM. The lunch periods are staggered, so each grade has approximately twenty-five minutes in which to eat.

B. FINANCIAL AID PROGRAM

At enrollment, forms will be available for enrollment fee assistance. This form should be completed and returned to the SES office or BOE office as soon as possible.

C. ACCOUNT CHARGES

Breakfast/Lunch Meal reminders are given to students when their account is low. District policy states that charges will be accepted for full MAIN MENU meals up to FIVE (5) days. A reminder will be given to the student when their account balance is below the cost of two meals. Parents are also texted alerts when lunch balances are low.

NOTE: Students in grades K-5 will never be allowed to be without some kind of food. An alternative food source will be given to students who have exceeded account charging limits. The alternative will be determined by the kitchen supervisor and/or principal.

D. LUNCHROOM GUIDELINES

Food is not to be traded. Students are also to follow supervisor directions regarding voice levels. Soda and other caffeinated beverages are prohibited. Approved beverages are milk, water, juice, and sports drinks.

E. FOOD BROUGHT FROM OUTSIDE THE BUILDING

As per USD 113 Wellness Policy: "Restaurant brand name food items, unless provided by Nutrition Services in combination with the regular school meal meeting the USDA's standards, will not be allowed in the elementary, middle, or high school cafeterias during mealtime. This includes but is not limited to fast food, commercial pizza, and restaurant to-go meals. Sack lunches from home are

permitted as long as they do not contain restaurant brand name food items in their original packaging as described above."

It is requested that sack lunches brought from home include items that are ready to eat from their container. Sack lunches are not placed in a refrigerator during the day or heated up in a microwave at lunchtime.

F. LUNCHROOM VISITOR POLICY

Students are allowed to have visitors (at parent/guardian's discretion) eat with them once per semester.

The following guidelines will be followed:

- The office should be notified by note or phone call by a parent/guardian no later than 8:15 AM of that day. The name of the visitor and the student should be provided.
- Visitors must check in at the office and pay for their meals.
- Visitors should arrive 5 minutes before the scheduled lunchtime.
- The visitor and student may sit at one of the extra tables or with the class at their assigned table (normal rules apply).
- Students cannot select other students to eat with them and their visitors.

* Any other requests or situations need to be approved by the office before the day of the intended visit.

SCHOOL SAFETY

A. SECURITY SYSTEM

While Visitors are always welcome at Sabetha Elementary, certain procedures are in place to ensure the safety of our students at all times.

A security system is in place at Sabetha Elementary School. The system controls the front door and four others that are used by staff and students throughout the day. All doors are locked during the school day. Staff can enter these doors using a key fob. The doors are all controlled and monitored through a networked computer system. The front door includes a video camera that displays in the office. Anyone needing to enter the building during the day must push the white button. This notifies the office. Visitors are asked to identify themselves and their reason for visiting. **Visitors must sign in with the office upon arrival and will then receive guest identification.** This ensures that we know all persons in the building in case of an emergency.

Sabetha Elementary School utilizes video/audio surveillance throughout the property to ensure the safety and security of staff, students and visitors.

B. STUDENT SUPPLEMENTAL INSURANCE

Supplemental insurance is provided by the Board of Education. Parents can obtain more information regarding utilizing supplemental insurance from the school and BOE offices.

C. ACCIDENT REPORTS

Accident reports are filed with the principal's office and the district's school nurse. These forms are filed when a student is injured on school property. The parents are contacted if the nurse, teacher, or principal feels a call is warranted.

D. BUS TRANSPORTATION

Each bus driver is in charge of the bus and its safety. Assigned seats are often used, and students are expected to be controlled at all times. **Communication from a parent/guardian is required for any transportation change.** Any special busing situation must be approved by the BOE office by completing the required paperwork.

ATTENDANCE

A. ABSENCES

The Board of Education sets the absence policy. Parents should call the school between 7:30 - 8:05 AM when their child is absent. If you call and leave a voicemail, **you must give your child's full name, grade, and reason for absence.** Make-up homework arrangements can be made at this time. If your child is absent for three (3) consecutive days without calling the school, a call and/or visit will occur. All absences in excess of five (5) per semester will be "unexcused" unless the student presents a physician's statement explaining the absence or a parent/guardian arranges a personal conference with the building principal to explain the absence. Accumulation of five (5) unexcused absences will be reported as required by the Kansas Child Care Code. *Policy JBD-R*

B. TRUANCY

School begins at 7:55 AM. Parents are expected to have their child to school on time and should encourage regular attendance. When necessary, a home visit may be made by a school official. **Kansas State Statute for school attendance and truancy will be followed.**

C. APPOINTMENTS

Parents are encouraged to make medical and dental appointments after school hours whenever possible. If absences occur during the school day, students are excused with a written note from parents/guardians. Parents **must** come to the office to pick up their children for appointments.

ARRIVAL

A. BEFORE SCHOOL EXPECTATIONS

- Students are expected to go to the blacktop in the morning weather permitting and wait for the Walk and Talk supervisors.
- Once Walk and Talk is ready to begin, K-2 will remain on the First South Blacktop and 3-5 will move to the far South Blacktop with the designated supervisor.
- Students that are not following the Walk and Talk guidelines will be asked to stand at the wall until students line up to begin the school day.
- We will observe the following guidelines for remaining outside in the morning. If the temperature is above 20 degrees (including the wind chill) we will remain outside in the morning as long as the ground isn't snow-covered and it isn't raining or snowing.
- If we are inside due to the weather, grade 3-5 students are to come in and sit in a line by their classroom. They may sit and talk quietly. Students should not be in classrooms without adult permission. Grade K-2 students will sit in the cafeteria in class lines at the East end.

DISMISSAL

A. REGULAR DISMISSAL

Morning preschool dismisses at 11:15 AM. The regular school day dismissal time is 3:20 PM. We request that students leave the grounds as soon as possible after school is dismissed. Parents are requested to have students picked up within **15 minutes** of dismissal. No student shall leave the premises during school hours without being accompanied by the parent or have a written request from the parent to be dismissed with someone else. If leaving early, **your child must be picked up in the office.**

B. EMERGENCY DISMISSAL

Announcements pertaining to school cancellation and dismissal will be aired over WIBW radio (580), WIBW television (Channel 13), KTNC radio (1230), KNZA radio (FM 104), and KMZA (FM 92.1). Typically a Textcaster will also be sent to alert parents. Parents can sign up for this service by accessing the district website. A notification through PowerSchool will be sent as well, so having the PowerSchool app available on your phone is helpful. Parents are encouraged to have necessary arrangements made for their child if a cancellation happens.

DROP-OFF & PICK-UP PROCEDURES

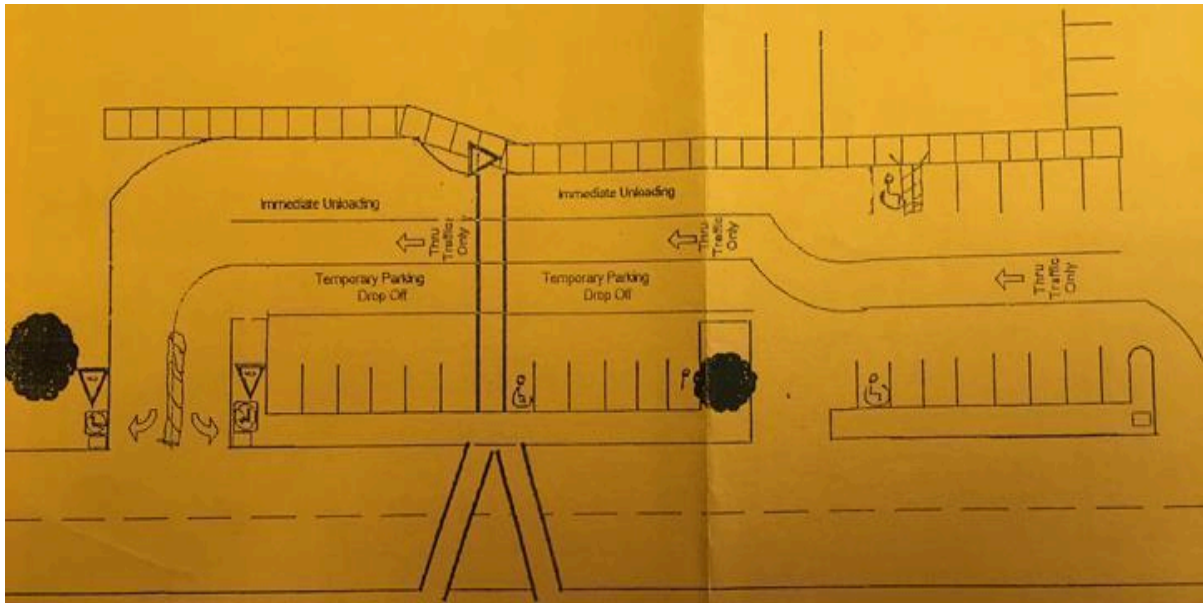

A. MORNING PROCEDURES:

We have 3 lanes in our parking lot. Each one is addressed differently.

Immediate Unloading: (Right Lane): Vehicles in this lane should pull forward or as far east as allowed. Once the vehicle stops, students should exit the vehicle's right side (away from moving traffic) and use the sidewalk. The vehicle then exits the parking lot.

Thru Traffic (Middle Lane): The middle lane is reserved for vehicles that are moving through the parking lot. Students should NOT be dropped off while the vehicle is in this lane.

Temporary Parking - Drop Off (Left Lane): If a vehicle is to be stopped longer than for immediate drop-off, it should temporarily park in this lane. Students should exit the vehicle on the left side (away from moving traffic). The crosswalk should be used to approach the building. If a parent/guardian needs to visit the office, they should use this lane.

B. AFTERNOON PROCEDURES:

During student pick-up after school, cars can park in the right and left lanes. The middle lane again is for "Thru Traffic Only". If the vehicle is in the right lane the student should enter the vehicle from the right side of the vehicle. If the vehicle is in the left lane, students should cross the Parking lot using the crosswalk or accompanied by an adult and enter the left side of the vehicle.

C. ADDITIONAL CONSIDERATIONS

- **Parking Lot Entrance:** Space should be allowed on the west end of our parking lot for our buses to exit the access road.
- **Parking Lot Exit:** Individuals parked in either the right or left lanes are to be mindful of allowing enough space for exiting vehicles to safely merge from the middle lane without impeding other vehicles trying to exit.
- **West Access Road:** The west access road is marked as "No Parking" and should not be used for morning drop-off or afternoon pick-up. This road is to remain open and is used by our buses.
- **Students can only be picked up or dropped off at the main entrance of the building.**

RECESS/PLAYGROUND

A. RECESS TIME

Recess times for each grade level have been established and are built into the regular schedule. Recess times are not scheduled to be less than 15 minutes at a time and not more than 20 minutes. The number of recesses scheduled for each day is dependent on grade level designation. Students must remain on the playground in their designated area during outdoor recess. Students are expected to follow the guidelines set forth by the Bluejay Way regarding appropriate behavior during recess. Unless approved by the teacher or principal, personal toys or playground equipment should not be brought to school by students.

B. PLAYGROUND

The playground is not supervised after school, and students are expected to leave for home immediately following dismissal.

C. TEMPERATURE GUIDELINES

- 20 degrees or above: regular outdoor recess
- 11-19 degrees: limited/shortened outdoor recess at teacher discretion
- 10 degrees or below: indoor recess.

HEALTH

A. NURSE

A school nurse is available. Time may be divided between district schools.

B. MEDICATION

A physician must sign the permission for medication form for all **prescription** medications to be taken at school. The permission for medication form must be signed and completed by the **parent/guardian** for non-prescription medications that are to be given routinely. The parent/guardian may send a note or give telephone (verbal) consent for school staff to administer non-prescription medication that is to be given only occasionally. Medication forms are valid for one school year.

C. HEARING AND VISION

The school nurse gives each student a hearing and/or vision test. When below-normal results are indicated, a re-check is given. If the results are still below normal, parents are notified.

D. ALLERGIES

If your child has any allergies, please list them with the school secretary or the nurse. Some severe reactions can take place, so it is important that staff knows. If your child is allergic to milk or other food allergies, which requires he/she to avoid certain foods, a statement signed by a health official must be on file. This health statement may be used for one year only.

E. EMERGENCY

In case of an emergency, **parents are called first**. We will call emergency numbers if parents cannot be reached. Please let the school office know if you change your address and/or telephone numbers - home or business. It is important that you keep your records updated.

F. CONTAGIOUS / INFECTIOUS DISEASE

Please call the school nurse if your child comes down with a contagious disease such as chickenpox, etc. Lice, scabies, and pinworms are school scourges. Do instruct your child not to exchange combs, hats, or scarves at any time. The nurse has helpful information to guide you on treatment for these conditions.

Please review the following chart to determine whether or not to send your child to school and when to return.

I NEED TO STAY HOME IF.....

FEVER	VOMITING	DIARRHEA	COUGH, STREP THROAT	RASH	EYE INFECTION	HEAD LICE
Temperature of 99.8 or greater	Within the last 24 hours	Within the last 24 hours	Continual, uncontrolled cough or suspected strep throat	Itchy rash with drainage or fever	Red, itchy eye and/or "crusty" drainage from eye	Itchy head with live lice

Fever free for 24 hours without the use of fever-reducing medicine	Symptom-free for 24 hours	Symptom-free for 24 hours	Coughing is controlled. If diagnosed with strep throat, has been on an antibiotic for 24 hours	Rash is free from drainage, fever free, and has seen doctor if necessary	Has seen a doctor and has been on antibiotics for 24 hours if necessary	Treated with appropriate lice treatment at home with proof provided to nurse
--	---------------------------	---------------------------	--	--	---	--

Please note this chart is for quick reference only. Refer to school health policies on the USD 113 website for complete guidelines for keeping children home from school.

VISITORS

In an effort to reduce disruptions:

1. Bring all items to the office which have been forgotten or are needed by your student.
2. Call the office and request that a teacher returns the call at his/her planning time.
3. All visitors must report to the office and receive permission and identification before visiting the classroom.
4. If you plan to eat lunch with your child, please call the school or send a note with your child before 8:15 AM.

DRESS CODE

Students are expected to dress appropriately at all times for school. We ask that students not wear clothing with inappropriate sayings or pictures. The purpose of the dress code is to allow the school to maintain a proper learning atmosphere. This would include neat and clean appropriate clothing,

well-groomed hair, and body cleanliness. Extremes in dress and hair grooming shall be avoided. Students attending field trips and extracurricular activities will dress appropriately. The building committee and the administration have provided the following guidelines for the dress code: Anything that refers to drugs, alcohol, tobacco, or related subjects/topics is not permitted. Anything that refers to sexual activities or profanity is not permitted. Anything that is considered to be revealing is not permitted. This includes "skimpy" tank tops, low-cut tops, clothing that bears the midriff area, and shorts that are too short or tight. Shorts can be worn up to **November 1 and after April 1**. ***Hats will not be worn in the building. Flip-flops or open-toed shoes will not be worn to physical education classes or recess.***

The administration is authorized to interpret these rules and regulations and to make such adjustments and/or revisions as he/she deems appropriate when special circumstances arise. Any special circumstances that arise during the school year may call for adjustments in the dress code. Because of the subjective nature of this area, students are encouraged to use conservative judgment with their clothing. Asking students to change clothes because of a dress code violation embarrasses the student and staff members. The administration will be responsible for the determination of acceptable and unacceptable dress.

ITEMS BROUGHT FROM HOME

Unless given permission by a supervising adult, students are not to bring non-school-related items to school. This would include such items as toys, electronic devices, trading cards, etc. Also included would be "fidget toys" unless they are specifically included in an Individualized Education Plan, Student Improvement Plan, 504 Plan, or approved by the teacher. Items brought for an established "show and share" time do not fall under this policy but must still be deemed school appropriate. Please communicate with classroom teachers regarding any questions you have about bringing personal items to school.

TELEPHONE USAGE

The telephone at school is considered a business telephone and may be used by children only with the permission of the teacher or principal. Except in an emergency, children will not be called to the telephone from class. Messages will be taken and delivered to the classroom at 2:30 PM daily.

STUDENT USE OF CELL PHONES

Students must not use cell phones at school. If cell phones are brought to school, they are to remain in the student's backpack and be turned off. Students may turn on their cell phones once they have left the building and school grounds after school or with teacher/administration approval.

TEACHER INSTRUCTION TIME

Teachers are contracted to be at school by 7:45 AM and typically leave after 3:30 PM. These are good times to call your child's teacher. Messages will be given to the teachers during regular school hours. You are also encouraged to contact teachers through email.

REPORT CARDS

A formal report will be distributed at the end of each quarter. These four reports will indicate the strengths and weaknesses of your child in each of the academic areas and the area of personal development. Grades K-3 are issued standards-based grade cards. Progress reports are sent midway

through the nine weeks. This is another way we keep communication lines open to help each child succeed. We ask that you attend any scheduled parent-teacher conferences. We also encourage parents to contact their child's teacher with questions or concerns. Fourth and fifth-grade parents can access their child's grades on the internet. Parents' IDs and passwords are given at the beginning of the school year. The final report card is sent home with students in Grades K-3. Grades 4-5 will have their grade cards issued the following week of school. A copy of the student's grades becomes a part of the student's permanent record.

STUDENT BEHAVIOR & MANAGEMENT

A. POSITIVE BEHAVIORAL SUPPORTS

SES has adopted the Positive Behavioral Intervention & Supports model for teaching and addressing specific and expected behaviors of our students. PBIS is a proactive, team-based framework for creating and sustaining safe and effective schools. Emphasis is placed on the prevention of problem behavior, the development of prosocial skills, and the use of data-based problem-solving for addressing existing behavior concerns. School-wide PBIS increases the capacity of schools to educate all students utilizing research-based school-wide, classroom, and individualized interventions.

B. BEHAVIOR/CONDUCT

All students are expected to behave in a manner that promotes their own development and does not hinder their ability or that of their fellow students to learn or keep the teacher from teaching. Violation of any provision of the behavior code may result in disciplinary action up to and including suspension and/or expulsion. Although an attempt will be made to follow the already established behavior rubric, discipline measures may be applied on a case-by-case basis, depending on the severity of the behavior code violation. The administration reserves the right to apply other consequences as appropriate. Consequences will vary, depending on the circumstances, from conferencing with the student and/or parent to detention, in-school suspension, out-of-school suspension, or possible expulsion.

Major discipline issues will result in an immediate office referral. Major offenses include the following behaviors: truancy, cheating/academic misconduct, insubordination, fighting/physical aggression, inappropriate language, disruption, technology violation, theft, disrespect, out-of-bounds, vandalism, illegal substance, weapons, and bullying/harassment/threat. Office discipline referrals will be noted in the student data management system.

C. BUILDING-WIDE EXPECTATIONS

The following building-wide expectations have been established for all students, staff, and visitors at SES: **Be Respectful. Be Responsible. Be Safe.**

Sabetha Elementary School has a philosophy of discipline that is designed to provide an environment in which students can be motivated and taught to demonstrate personal, social, and academic behaviors appropriate to their age and maturity level. These expectations will be explicitly taught to all students and reinforced by all staff. These expectations include the following areas: before/after school (arrival/dismissal), hallways, restrooms, lunchroom, playground, and classroom. Teachers will review the

expectations with students and provide an opportunity to model, practice, and reinforce these expectations at the beginning of the school year and when needed. Expectations will be displayed on posters throughout the school. We will be using the following matrix of behavioral expectations:

BLUE CREW PROGRAM

SES staff and students will participate in the Blue Crew program. Each student will be a member of a multi-grade level group that meets during the school day once each Friday morning and a special meeting once a quarter. This program has been established to provide each student with another adult contact that remains constant throughout his/her years at school, develop strong relationships with others in our school community, encourage all children to become mentors, boost school pride, foster leadership skills, build self-esteem, and implement character development instruction in a small group setting. An adult staff member will supervise each group.

MTSS-Walk To Intervention

USD 113 has established that the Walk To Intervention model will be utilized within the Multi-Tiered System of Support (MTSS) framework to meet all students' needs in reading, mathematics, and behavior. In this model, SES will structure common intervention times across the grade level to provide small-group instruction focused on specific skills. Every student will receive additional instruction taught at their academic level during this time. Students will "walk" to different classrooms/designated areas where they will work with teachers, support staff, or specialists who will provide the small group instruction. This model focuses on providing support for students who may need additional support in specific skills and enrichment interventions for advanced learners. Students will receive daily intervention in the areas of reading and mathematics four times a week. Instruction focused on social-emotional content will be

provided weekly and reinforced daily. Progress monitoring assessments will be utilized to determine if a student has mastered the skills they are working on during intervention time and as well as to determine the effectiveness of the instruction. School personnel will collaborate to determine student placement.

HOMEWORK

The purpose of assigning homework is to allow students to extend lessons, practice skills, and develop good work habits. Homework can also be one form of communication between the teacher and the family. We have established the following general guidelines for homework suggested by researcher Harris Cooper: 10-20 minutes per night in kindergarten/first grade and an additional 10 minutes per grade level thereafter (e.g., 20 minutes for second grade, 30 minutes for third grade, 40 minutes for fourth grade and 50 minutes for fifth grade). These approximate times will vary depending on each student's work habits. To complete homework in a timely manner, it is recommended that the student have a quiet place to study with no radio, cell phone, or television for distraction. Additionally, students should spend time daily reading for enjoyment and practicing spelling words and math facts. Most grade levels try to refrain from sending homework on Wednesday nights.

ADDITIONAL CURRICULUM

A. ART

Sabetha Elementary shares an Art teacher with Sabetha Middle School. Students in grades K-5 participate in art class once a week. Each student is instructed to properly use art equipment: scissors, glue, crayons, paint, etc.

B. INSTRUMENTAL BAND

The band is offered to 5th-grade students throughout the school year.

C. INTERRELATED CLASSROOM/TITLE I PROGRAM

Students receive help in reading, math, writing, language, social, and self-help. A student must meet Federal and/or State qualifications to be referred to one of these classes.

D. SECOND STEP SEL PROGRAM AND CURRICULUM

The Second Step program is Tier 1 universal, classroom-based curriculum that teaches foundational social-emotional and self-regulation skills to all students. The Second Step program teaches specific skills that strengthen students' ability to learn, have empathy, manage emotions, and solve problems. At SES, all staff members are involved with promoting and teaching the Second Step curriculum and strategies.

SCHOOL PARTIES

Class parties sponsored by Sabetha PTO will be held to observe the fall and holiday seasons and Valentine's Day. The dates of these parties will be determined by the administration, with primary consideration given to the last day of a school week. Parties are organized to provide games and activities for the students. The room parents provide activities and refreshments. **Only PTO room parents involved with the class party should attend. Do not bring younger siblings.** Please let the classroom instructor know if your child is not to participate in school parties. These parties occur during the school day from 2:15-3:00.

FIELD TRIPS

Each grade level will participate in at least one field trip during the year. To participate, the student must have a signed permission form from a parent/guardian, which can be done online at enrollment. Parent/guardian chaperones will be selected in a manner designated by the classroom teacher. Unless otherwise approved by the administration, these chaperones are expected to travel with students to assist with supervision. Other children under the care of a chaperone will not be allowed to attend the field trip (by foot or by bus).

STUDENT/FAMILY SUPPORT SERVICES

Sabetha Elementary has a guidance counselor and a student and family liaison on staff. Their focus is to support the fulfillment of student and family needs that will ultimately allow for students' social and emotional growth. Please contact your child's teacher or the office for additional information regarding the services provided.

ANTI-BULLYING FOCUS

SES has implemented a social-emotional curriculum that includes bullying prevention information to help reduce potential incidents of student bullying. Our goal for teaching and reinforcing this curriculum throughout the year is to create a school atmosphere characterized by safe, warm, and positive interactions. We refer to the Kansas definition of bullying when reviewing negative individual interactions. This definition is as follows:

- Bullying" means:
 - (A) Any intentional gesture or any intentional written, verbal, electronic, or physical act or threat either by any student, staff member, or parent towards a student or by any student, staff member or parent towards a staff member that is sufficiently severe, persistent or pervasive that such gesture, act or threat creates an intimidating, threatening or abusive educational environment that a reasonable person, under the circumstances, knows or should know will have the effect of:
 - Harming a student or staff member, whether physically or mentally;
 - damaging a student's or staff member's property; placing a student or staff member in reasonable fear of harm to the student or staff member; or
 - placing a student or staff member in reasonable fear of damage to the student's or staff member's property;
 - (B) cyberbullying*; or
 - (C) any other form of intimidation or harassment prohibited by the board of education of the school district in policies concerning bullying adopted pursuant to this section or subsection (e) of K.S.A. 72-8205, and amendments thereto.

*

"Cyberbullying" means bullying by using any electronic communication device, including, but not limited to, e-mail, instant messaging, text messages, blogs, mobile phones, pagers, online games, and websites.

If you have questions or concerns at any time, please contact your child's teacher.

BANNED ARTICLES

USD 113 has banned all guns, knives, and laser lights from the school grounds. All tobacco, e-cigarettes/vapes and alcohol products are forbidden. Severe disciplinary measures will be taken if a student is found possessing these items according to USD 113 School Board Policy.

KANSAS SCHOOL CRISIS HOTLINE

To report a threat, call the Kansas School Crisis Hotline at 1.877.626.8203.

TECHNOLOGY ETIQUETTE/EXPECTATIONS

USD 113 has adopted a 1:1 technology policy. Students are issued an electronic device (iPad) for instructional use while at school and are under the supervision of teachers. Students are expected to follow teacher directions regarding the use of the device.

A. 'NETIQUETTE' ON THE INTERNET

All Unified School District 113 - Prairie Hills computers and networks users are expected to abide by the generally accepted rules of network etiquette (netiquette). Informal rules of behavior have evolved for the use of and communication on the Internet and other online services. These rules of behavior include, but are not limited to, the following:

- Be polite. Do not write or send abusive messages to others.
- Use appropriate language. Do not swear or use vulgarities or any inappropriate language.
- Do not reveal your personal address, phone numbers or that of other students or colleagues.
- Note that electronic mail (email) is not guaranteed to be private. People who operate the system do have access to mail. Messages relating to or in support of illegal activities may be reported to the authorities.
- All communications and information accessible via the network should be assumed to be private property subject to copyright laws.
- Do not place unlawful information on any network system.
- Keep paragraphs and messages short and to the point. Focus on one subject per message.
- Do not use the network in such a way that would disrupt the use of the network by other users (e.g., downloading very large files during prime time; sending mass email messages)
- Do not give your password or access codes to anyone else, as they are your responsibility.

B. CONSEQUENCES OF VIOLATION OF TECHNOLOGY POLICIES

All of the policies and handbook procedures for acceptable use of computers and networks are intended to make the computers and networks more useful to students and teachers. They are also intended to minimize the burden of administering the networks; so more time can be spent enhancing services.

Use of the computers for programs, software, email, and to access telecommunications resources is a privilege, not a right. Violations of the policies and procedures of USD # 113 concerning the use of computers and networks will result in disciplinary action.

Three levels of punishment may be enforced by the administration. While the levels may be implemented in order, **nothing prevents the administration from selecting any step depending on the facts and the severity of the violation.**

Examples of possible violations:

- *Deliberately accessing a pornographic site/material.*
- *Altering any system software or another's personal work, either locally or remotely.*

- *Using the network maliciously, as with hate mail, harassment, profanity, vulgar statements, or discriminatory remarks.*
- *Allowing anyone to use an account other than the account holder.*

Level 1: Violation:

Student would lose computer privilege/Internet access until a parent conference is held. Any additional loss of privileges as determined by the administration will be discussed at this conference.

Level 2: Pattern of abuse, repeated abuse, or flagrant violations:

Student who, after a Level 1 violation, continues to engage in serious or persistent misbehavior by violating the district's previously communicated written standards of conduct may be removed from any computer/Internet privileges for the remainder of the school year or remaining school years and recommended for suspension.

Level 3: Expellable offense:

Student could be expelled from school if he/she engages in conduct on the Internet that contains the elements of the offense of criminal mischief, as defined by state and federal law. Any student expelled for misuse of technology will also lose computer privileges for the remainder of the school year or subsequent school years.

113 Prairie Hills State Assessment Review for Budget Considerations

113 Prairie Hills District Summary

(A) Identify the barriers that must be overcome for each student to achieve grade level proficiency on assessments.

There are always a number of challenges that should be considered when evaluating student success in a district. Some of the key barriers that impact our School District include, but are not limited to:

- Difficulty in scheduling and finding more time to provide teacher/staff collaboration that would support improved student learning
- Declining enrollment that reduces funding and access to additional services and supports for students
- High levels or increased levels of student trauma (Adverse Childhood Experiences, ACE Study)
- High levels or an increase in absenteeism among our student population
- An increasing level of social emotional challenges and needs of students

(B) Identify the budget actions that should be taken to address and remove those barriers.

Our students face a growing number of barriers to success and our district continually works to support them. Current budget constraints that impact our ability to successfully remove barriers for our students include:

- Increased salary to recruit and retain high quality certified and classified staff
- Additional substitute teachers for teacher release time
- Maintain low teacher/pupil ratio for greater individualized instruction
- Allocating budget to focus on prevention, identification, and intervention concerning trauma and mental health issues

(C) Identify the amount of time the board estimates it will take for each student to achieve grade level proficiency on the state assessments if the budget actions would be implemented.

We measure growth each year and document in our KESA plans our success on a variety of student success factors. We emphasize growth and strive to lead the world in the success of each student. Although we do this and are proud of the work we do, many factors make it impossible to estimate a time that every student will achieve a definition of grade level proficiency. Such factors include:

- Our ever-changing student population brings a varying degree of cognitive abilities and disabilities which precludes us from being able to guarantee a date when all students will meet a singular level of proficiency.
- While assessment scores are one measure, our district does not believe that student assessment scores should be the sole measure of student proficiency

(A) Identify the barriers that must be overcome for each student to achieve grade level proficiency on assessments.

There are always a number of challenges that should be considered when evaluating student success in a district. Some of the key barriers that impact this school include, but are not limited to:

- Difficulty in scheduling and finding more time to provide teacher/staff collaboration that would support improved student learning
- Lack of or limited access to community health services and mental health services
- Special Education funding shortfall has limited supports of our highest need students
- Increased or high levels of student discipline issues, including high numbers of suspensions and/or expulsions
- Lack of instructional time or changes in instructional opportunities faced during the COVID pandemic created learning loss
- An increasing level of social emotional challenges and needs of students
- Lack of, limited, or difficulties in engaging parents in the educational process

(B) Identify the budget actions that should be taken to address and remove those barriers.

Given an appropriate level of funding for both general education and special education, there are a number of budget actions we could take to remove some barriers. Some of them include:

- Additional staff members hired to meet the individual learning and SEL needs of all students
- Increased funding and time for staff development

(C) Identify the amount of time the board estimates it will take for each student to achieve grade level proficiency on the state assessments if the budget actions would be implemented.

While our board of education, administration, teachers and classified staff work tirelessly to meet the academic and social emotional needs of all of our students, too many factors come into play that do not allow us to accurately assess when all students will be at a certain level. Some of those factors include:

- The current and future levels of school funding have a significant impact on student learning and any increases or decreases have an affect on student success. Any changes to those funding levels, in either direction, impact the ability of students to meet proficiency criteria.
- Lack of constitutional funding of special education continues to impact our ability to fully meet the needs of all students
- While assessment scores are one measure, our school does not believe that student assessment scores should be the sole measure of student proficiency
- Many of the factors that affect student success, such as trauma, poverty, mental health and student disabilities, are out of the local board's control, so giving a time estimate on things that consistently change, or are under the control of other agencies, is not a realistic practice of a local school board.

(A) Identify the barriers that must be overcome for each student to achieve grade level proficiency on assessments.

There are always a number of challenges that should be considered when evaluating student success in a district. Some of the key barriers that impact this school include, but are not limited to:

- Difficulty in scheduling and finding more time to provide teacher/staff collaboration that would support improved student learning
- Though not necessarily identified as at-risk using the free and reduced lunch calculation, a number of students are at a high risk of falling behind
- High levels or increased levels of student trauma (Adverse Childhood Experiences, ACE Study)
- Lack of or limited access to community health services and mental health services
- Increased or high levels of student discipline issues, including high numbers of suspensions and/or expulsions
- High numbers or increasing numbers of single parent families
- High levels or an increase in absenteeism among our student population
- An increasing level of social emotional challenges and needs of students
- It is difficult to encourage a student's highest performance on an assessment that does not impact their future.
- Lack of, limited, or difficulties in engaging parents in the educational process
- We do not receive disaggregated and approved state assessment scores until October of a school year, which limits the amount of time we have to make adjustments based on that data
- We believe using one assessment score is not an accurate measure of student success, especially because assessments are written in a way to avoid 100% success for every assessment participant.
