USD 457 Board of Education Standards

A school board member has no legal powers unless participating at a properly noticed school board meeting, or acting on behalf of the school board after the board formally grants authority to do so. Thus, it is essential that every school board member work as a member of the broader leadership team to perform board duties and act in a manner consistent with the Standards.

Board members can demonstrate personal commitment to the Standards by signing this document signifying agreement to uphold the principles of the Standards, both, in letter and spirit.

As citizens of the United States, board members have certain Constitutional rights, including freedom of speech that cannot be taken away, whether or not you choose to sign this document. The only sections of the Standards that require legal compliance are the “conflict of interest” and “act only as a member of the board”. All other sections represent effective practice.

Garden City Public Schools Board of Education members will promote the best interests of the school district as a whole and make decisions that place student learning and the success of all students first by adhering to the following educational and ethical standards:

BOARD GOVERNANCE

- Recognize that the role of the board is to govern and oversee the management of the district. Board members will delegate authority to the superintendent for the day-to-day operations of the district and will not seek to participate in the day-to-day operations.
- Act only as a member of the board and do not assume any individual authority when the board is not in session, unless otherwise directed by the board.
- Make decisions based on the educational welfare of all children.
- Make attendance at all regularly scheduled board meetings a priority, insofar as possible, review advance materials about the issues to be considered on each agenda, and give full attention to meeting presentations.
- Maintain confidentiality of information and discussion.
- Rely on school policies that are continually updated and aligned with Kansas and federal education laws, as well as, guidance from the superintendent, when making board decisions.
- Request recommendations from the superintendent and seek legal counsel, when required for full and informed board consideration of issues requiring legal expertise.

BOARD-ADMINISTRATION RELATIONS

- Provide policy support for school administrators in the performance of their duties and delegate authority commensurate with those responsibilities.
- Expect the superintendent to keep the board adequately informed through regular written and oral reports.
- Maintain open and candid communication between the board and the superintendent with the understanding that the board will keep the superintendent adequately informed of any issues or concerns that they have with regard to the district or they wished to have discussed during a board meeting.
- Refer complaints, requests, and concerns to the superintendent or other appropriate staff members.
- Avoid making commitments that may compromise the decision-making ability of the board or administrators.
- Hold the superintendent accountable by jointly creating job performance standards and, at least annually, perform a comprehensive evaluation process based on the job description, contract, and identified performance standards.
- Recognize that a board member’s responsibility is to see that schools are well run, but not to run them.

BOARD MEMBER RELATIONS/UNITY

- Understand that board members have not only the right, but the duty, to express their views, opinions and ask questions at the board table, as well as, make a good faith effort to understand the views of others.
- Voice opinions respectfully, maintain good relations with other board members, and respect and support the decisions made by the majority of the board.
- Retain independent judgment and refuse to surrender that judgement to individuals or special interest groups.

PERSONNEL RELATIONS

- Individual board members should not give directives to any school administrator or employee, publicly or privately.
- Support school personnel in the proper performance of their duties.
- Work fairly, ethically, and truthfully with employees.

COMMUNITY RELATIONS

- Encourage collaboration between the district and community.
- Believe firmly in the democratic process and the right of all groups to be heard.
- Treat stakeholders fairly and ethically – listen to their concerns and refer them to the appropriate school personnel.

BOARD PREPARATION AND TRAINING

- Be informed about educational issues through individual study and by participating in board development opportunities.
- Support new school board members by sharing experience and knowledge.
- Ensure that adequate board orientation and team building opportunities are available for board members and administrators.

I agree to abide by the principles outlined in the Board of Education Standards and will do everything in my power to work as a productive member of the governance team.

ARTICLE I

ADMINISTRATIVE COMPENSATION

Section A. General Guidelines

1. Method of Payment.

The Board of Education shall pay administrative personnel in 12 equal monthly installments for each contract year. Payment will begin on the 15th of the first contracted month.

2. Payroll Direct Deposit.

USD 457 provides a payroll direct deposit program to its employees at no charge. All administrators are encouraged to participate in this program.

3. Probationary Status.

There shall be two types of probation. The first shall be new administrator probation, which shall refer to administrators with less than two (2) full years of continuous service with USD 457. The second type of probation shall be related to disciplinary probation. Such probation may or may not come as a result of difficulties determined through evaluation. Being placed on disciplinary probation shall be an administrative decision. It is emphasized that probation is not necessarily a punitive action, but may be formal recognition of a situation which indicates a need for more intensive supervision and assistance.

4. ~~Supplemental Salary and~~ Extended Contracts.

The term ~~terms "supplemental contract" and~~ "extended contract" shall refer to a special class of payments received by administrators as payment for **additional time** ~~certain~~ specially assigned ~~and accepted services. These may be special services given as a supplemental part of a regular contract(s) or extended services beyond the regular contract period.~~

- ~~a. All assignments in the supplemental salary schedule are for a single year with subsequent reassignment made on the basis of the superintendent's recommendations and board approval.~~
- ~~b. Supplemental salary details shall be offered to the administrator prior to the time the administrator begins to perform the responsibilities of the assignments. Contracts shall be issued as soon as possible after approval is given for same.~~

Section B. Salary Deductions

1. Monthly Salary Deductions.

Salary deductions are allowed only upon approval by the BOE and are subject to the following requirements:

- a. Organizations, companies or individuals desiring the institution of a salary deduction plan must submit a desired plan to the board for advance approval.
- b. Deductions are to be withheld in equal installments, with the number of installments being determined by the number of pay periods included in the employee's job description.
- c. The payroll department of the Business Office shall be given 30 days notice of the implementation or termination of a salary deduction by an individual.
- d. All salary deductions other than those regulated by the federal or state government will be deducted only upon written approval of the employee.
- e. The Board of USD 457 authorizes, within the above regulations, salary deduction plans for Blue Cross-Blue Shield, Garden City Teacher's Federal Credit Union, Garden City Educators Association dues, YMCA, Garden City Recreation Commission, Buffalo Dunes, SAMS, USA dues and United Way. Tax-sheltered annuities, as reductions in pay, are authorized in groups of five or more individuals.

2. Salary deduction for loss of workdays:

In case of salary reduction due to termination, resignation, unexcused absences, or other similar circumstances, the daily rate of pay will be computed as follows:

The contractual salary for the individual will be divided by the total workdays for the individual as determined by the adopted school calendar.

Individuals concerned shall indemnify and hold harmless the BOE from any and all claims, demands, suits or other forms of liability (including cost and attorney fees) that shall arise out of any action taken or not taken by the BOE for the purpose of complying with the above provision or the authorization form.

Section C. Years of Service Compensation

A payment, based on completed years of service with the district as of August 31, of the current year, will be paid in December, to those employees actively employed as of the payment date.

<u>Years of Service</u>	<u>Amount</u>

5 – 9 years	\$ 500
10 – 14 years	\$ 700
15 – 19 years	\$ 1,200
20+ years	\$ 2,000

Section D. Premium Pay

**ARTICLE II
BENEFITS**

Section A. Vacation

All **261 day** full-time administrators shall receive vacation days based upon the number of years served in the district.

0-9 years	20 days
10-19 years	25 days
20 or more years	30 days

If possible, vacation time should be used in blocks of five days or more at one time. Vacation time may be accrued, and will be limited to a ten-day block of time, unless prior approval is obtained from the supervisor.

Approval for use of vacation should be arranged well in advance with the immediate supervisor.

In the event that an employee has one or more days of earned vacation time when the employee resigns his/her position with the district, the employee may receive salary in lieu of the vacation time **up to a maximum of 40 days**.

If an administrator resigns or is terminated for any cause (including illness) before serving a full year, his or her vacation days for that contract year shall be adjusted on the basis of the actual days worked in relation to the total contract days. Administrators **terminated** ~~terminated as a result of disciplinary actions~~ are not eligible to receive salary in lieu of unused vacation days.

No more than **thirty (30)** days of vacation may be accrued from the end of the year at June 30 to the beginning of the next year on July 1. Up to 5 days, in excess of **30**, will be paid out at the rate of \$143 per day. Compensation will be included in the administrator's September paycheck.

Section B. IRC Section 125 "Cafeteria" Fringe Benefit Plan

The Board of Education has established an IRC Section 125 "Cafeteria" Fringe Benefit Plan for all the employees of the district. The options to be included in the plan are:

- a. health/dental insurance (hospitalization)
- b. group term life insurance not to exceed \$50,000
- c. cancer/dread disease insurance
- d. medical expense reimbursement
- e. dependent care expense reimbursement.

Further, an eligible employee may at his/her discretion, forego any reduction in compensation as salary cash.

The above insurance benefits shall be provided by a company or companies approved by the Board of Education.

The board will not be responsible for any service charges assessed by the administering agencies of the program.

Section C. Liability Insurance

The board agrees to include all administrators in the personal and professional liability plan of the school district, a plan written to include all district employees.

Section D. Life Insurance.

The BOE will enter into an agreement for \$50,000 of group term life and accidental death insurance for each full time administrator, with the exception of the Superintendent's Leadership Team, who are entitled to \$100,000 of group term life and accidental death insurance. The BOE will enter an agreement for \$25,000 of group term life and accident insurance for half time or more (but less than full time) administrators. The administrator will have the option of purchasing additional group term life insurance.

Section E. Medical Insurance.

The BOE shall provide each full-time administrator the sum of **\$830 per month (increasing to \$900 per month in December 2024)** to be used toward the purchase of health and/or dental insurance through the district's group health insurance plan. Part-time administrators will receive a percentage in ratio to their full-time equivalence of employment.

Section F. Employer 403(b) Plan.

A Retirement Plan Portfolio may be established for each USD 457 administrator. This portfolio may contain up to two (2) accounts, an Employer Paid Account and an Employee Paid Account. Each employee is eligible on the first of the month following his/her date of employment.

For each monthly contribution that an administrator makes into their Employee Paid Account, USD 457 will contribute a dollar for dollar matching amount up to \$100 into the Employer Paid Account. Any employee who is eligible for KPERS benefits and makes the necessary contribution into their Employee paid Account is eligible for the matching amount into the Employer Paid Account.

The plan year for the Employer Paid account will be from September 1 through August 31. Any increases or additions to each employee's Employer Paid Account will only be made effective on the first of the month following initial employment or at the beginning of each plan year. If an employee discontinues or reduces his/her Employee Paid Account to less than \$100 per month, the Employer Paid Account will be reduced accordingly.

Upon beginning his/her 6th total year as a USD 457 employee, each administrator will become vested in 10% of the amount contained within his/her Employer Paid Account. The vested portion will continue to increase by an additional 10% per year until the teacher is 100% vested upon beginning his/her 15th year with USD 457. The superintendent will be fully vested in the employer provided 403(b) plan after twelve (12) years of service.

Vesting Schedule:

<u>Years(s)</u>	<u>Amount Vested</u>
1-5	0%
6	10%
7	20%
8	30%
9	40%
10	50%
11	60%
12	70%
13	80%
14	90%
15	100%

An employee who terminates employment with USD 457 after the beginning of his/her 6th year may leave the vested amount in the Employer Paid Account, thereby retaining vesting status upon returning to a position with USD 457 at a future date.

An employee may voluntarily contribute from salary an amount of his/her choosing into the Employee Paid Account. Voluntary contributions may not exceed the amount allowed by Federal and State laws and regulations. An employee who chooses to make contributions into his/her Employee Paid Account will be fully vested in his/her account immediately. Employees may add or increase an Employee Paid Account on September 1 or January 1, but may discontinue an Employee Paid Account at any time.

In the event of considering new options for retirement benefits, a USD 457 Retirement Plan Oversight Committee, made up of representatives from the BOE, administration, GCEA and classified staff, will need to be assembled to select and maintain a group of investment options, including Conservative, Moderate and Aggressive investment tracks. Employees must select from these options for all investments into their Retirement Plan Portfolio. Separate investment options may be made for an employee's Employer Paid Account and his/her Employee Paid Account.

NOTE: This plan in no way limits additional voluntary contributions into separate qualified retirement accounts with qualified providers up to the amounts allowed by State and Federal laws and regulations

An employee may access the vested portion of his/her Employer Paid Account upon termination of his/her employment contract with USD 457.

Employer and Employee Paid contributions and growth thereon will be considered taxable income upon distribution from the plan. Further, a penalty for early withdrawal may apply for distributions made prior to the age allowed by State and Federal laws and regulations. Qualified Rollover options may allow a terminated employee to defer taxation until a later date.

If any provision of this plan is determined to be in violation of Federal or State laws or regulations, then the entire plan shall immediately terminate and shall be of no further force or effect unless re-adopted by the Board of Education of USD 457.

In addition to the Employer Paid match of \$100, the Superintendent's Leadership Team will receive up to \$200 paid as salary to be deducted to their choice of an employee paid annuity account.

Section G. Cell Phone Allowance

The Board shall provide all administrators a monthly allowance of \$80 for the use of a personal phone.

ARTICLE III ADMINISTRATOR EMPLOYMENT CONDITIONS

Section A. Posting Notice of Vacancies Within the District

It is agreed that the superintendent, or designee, shall post notice online through e-mail of any supervisory or administrative vacancies for at least three teaching days before filling said vacancies. (During the summer months, vacancy lists are to be posted in the Educational Support Center.) District personnel shall may be given consideration for the position upon receipt of their application.

Section B. Administrator's Calendar

All administrators shall have access to a calendar showing contracted working days for the year. All administrators, except those who are on contract for 261 days, may choose a flexible calendar, with the following provisions:

1. The flexible calendar needs to be established by the administrator, approved by the superintendent and turned into the Payroll Office before any non-duty days are worked.
2. A non-duty day must be worked before the administrator can use a duty day as a flex day. The duty day to be used as a flex day must be within 12 months of the non-duty day worked.
3. Holidays (Thanksgiving Day, Christmas Day, etc.), weekends or days at in-service cannot be substituted for duty days.
4. No more than 4 flex days may be used in one fiscal year and an administrator may not be absent for more than 10 teacher contract days for any combination of flexible, personal and professional leave days. Approval of additional days may be granted by the superintendent.

Section C. Resignation and Termination of Employment

A certified administrator who is under contract with the Board of Education may be released from that contract only by formal action of the Board of Education, and when the resignation is deemed to be in the best interests of the district. An administrator requesting a release shall make written application to the Superintendent of Schools stating the specific reason for the requested release. Each request will

be judged on its own merits by the Board of Education, with consideration given to the reason for the request, difficulty in promptly filling a vacated position, any disruption to the educational process, and any personnel complications caused by the resignation. The Board of Education shall not be required to release an administrator from a contract.

The Board of Education may assess liquidated damages for certified administrators for a resignation with less than an 8 week notice in the amount of \$2,500 and for \$4,000 for less than a 4 week notice. Classified administrators may be assessed liquidated damages in the amount of \$2,500 for less than a 4 week notice and \$4,000 for less than a 2 week notice.

The liquidated damages for an administrator who works less than full time shall be adjusted on a pro rata basis. The Board of Education may waive assessment of liquidated damages in cases involving illness, unexpected personal or family hardships, or emergency situations.

If liquidated damages are assessed by the Board of Education at a time the Board of Education owes an administrator additional compensation, the Board of Education may withhold the liquidated damages from the administrator's final paycheck. This provision shall be construed to be written consent from an administrator, in compliance with K.S.A. 44-319.

The Board of Education agrees that no further action will be taken after payment of liquidated damages, or waiver of assessment of liquidated damages. An administrator released from a contract shall be released for the remaining term of the contract, regardless if the remaining term is one (1) year or multiple years. An administrator not released from contract will be expected to continue discharge of duties until the end of a contract term, or any subsequent action of the Board of Education releasing the administrator. All liquidated damages shall be paid within fifteen (15) days of notice of the decision of the Board of Education to assess liquidated damages and thereafter, release an administrator from a contract, subject to a suitable replacement being employed by the Board of Education.

An administrator currently under contract shall be determined to be under contract for the next teaching year unless a resignation is submitted on or before May 15th of the current school year. New administrators coming into the district shall be determined to be under contract when a Letter of Intent to Employ has been signed by the administrator and approved by the Board of Education.

At the same time an administrator requests a release from a contract, the administrator may request that liquidated damages be waived by making an application in writing to the Superintendent of Schools stating the specific reason for the requested waiver. Each request will be judged on its own merits, and a hearing will be held before a panel (Appeals Panel) of two administrators appointed by the Administrative Meet and Confer Committee and two administrators appointed by the Superintendent of Schools. The hearing will be held within five (5) working days after the request is received by the Superintendent of Schools. The administrator shall be notified of the date, time and place of the hearing and shall have the opportunity to address the Appeals Panel. The Appeals Panel will make a recommendation to the Board of Education at their next regularly scheduled meeting. The Board of Education may choose to accept or reject the recommendation of the appeals Panel.

An administrator who is not released from a contract by the Board of Education action shall fulfill the terms of the contract, and any action by the administrator resulting in a failure to fulfill the terms of the contract shall amount to a breach of contract and will subject the administrator to any and all legal remedies available to the Board of Education. In the event of a breach of contract by an administrator, appropriate notation of the same will be placed in the administrator's personnel file. The Kansas State Board of Education shall be notified of an administrator who fails to fulfill the terms of a contract, pursuant to K.S.A. 72-5412.

Section D. Payment for District Directed Course Work

If and when the administration directs administrative personnel to take course work to fulfill required assignments or to meet district goals, it is understood that the district **may will** pay the tuition costs of said courses.

Section E. Suspension, Discharge, or Demotion

The superintendent may suspend, discharge, or demote an employee for any one or more of the following reasons: alleged violation of board policy, rule or regulation; the filing of a formal complaint against the employee with any civil authority or with the board charging the employee with the alleged commission of an offense involving moral turpitude; and other just cause. An employee may be suspended with pay. If the suspension is imposed on an employee pending dismissal, the employee is entitled to pay until the employee has had a due process hearing before the board. The hearing shall determine whether the suspension shall be with or without pay and whether the employee will be terminated.

Grievance procedures listed in the Classified Handbook and Negotiated Agreement may be followed for administrative grievances, as applicable. Classified Administrators shall follow procedures from the Classified Handbook and Certified Administrators shall follow procedures outlined in the Negotiated Agreement.

Section F. Complaints Against Administrators

Any complaint regarding an administrator by any parent, student or other person, which might result in an evaluative or disciplinary action, shall be promptly called to the administrator's attention.

The administrator shall receive a copy of any written complaint. The administrator shall have an opportunity to answer the complaint. The administrator's written response will be communicated to the complainant. If the complaint is placed in the administrator's file, any written response by the administrator will be filed along with the written complaint.

If a complaint is not used as a basis for action against the administrator within three years of its entering the file, such material shall be removed and destroyed.

Section G. Retirement of Professional Staff Members

Severance Pay to Retiring Administrators

Upon retirement from the administrative profession and through KPERS, an administrator who has completed fifteen (15) years or more of full time employment with USD 457 shall be entitled to payment, in addition to their normal salary for the last year of employment according to the following compensation schedule:

Service to USD 457	Service as Administrator			
	Less than 10	10-14	15-19	20 or more
15	8%	10%	12%	
16	9%	11%	13%	
17	10%	12%	14%	
18	11%	13%	15%	
19	12%	14%	16%	
20 or more	13%	15%	16.5%	16.67%

In addition, if the employee has 20 or more unused emergency leave days at the end of his/her employment with USD 457, he/she will be entitled to additional pay equal to \$43 for each unused emergency leave day up to **50** total days. Up to 15 days, in excess of **50**, will be paid out at the rate of \$143 per day.

Said payment shall be made as part of the administrator's last year of employment prior to such retirement and as part of the consideration of the administrator's last year of service to the school district; provided, however, that to be eligible for such payment the administrator must give written notice to the Personnel Office 6 months prior to his/her intended retirement date, which notice shall be irrevocable upon acceptance by the board; provided further that in the event of the death of such administrator during the last contract year prior to retirement, a sum equal to the administrator's compensation according to the said schedule, prorated by the number of contract days completed by the administrator for that year prior to death, shall be paid to the administrator surviving spouse, or in absence thereof, to the administrator estate. Said years of full-time employment with USD 457 shall consist of both years of employment in the teaching profession and the administrative profession, and need not necessarily be continuous. [Legal reference: K.S.A. 74-4914 as amended]

Section H. Legal Action Against an Employee

In the event of legal action against an administrator of the district, the provisions of the Tort Claims Act (K.S.A. Article 61) will prevail.

Section I. Assault and Battery, Property Damage

Reporting

An administrator who has suffered an assault and/or battery in connection with his/her employment, where such event occurs in school, on school grounds, or while the administrator is engaged in duties at a regularly scheduled school event, shall, within two weeks thereafter, make a written report of the circumstances to the superintendent.

Injury Benefits

Whenever an administrator is absent as a result of personal injury caused by the assault and/or battery reported under paragraph 1, and the BOE finds that the administrator has used reasonable judgment, he/she shall be paid his/her full salary, less any other BOE provided disability benefits, without having such absence charged as sick leave. Such payments shall not extend beyond the end of the administrator's current contract year. The BOE may require medical reports in verification of the disability.

Section J. Administrator's Evaluation

1. In-service

Each administrator will have the opportunity to attend an in-service meeting at which the evaluation instrument and procedures will be explained. Individual administrator and evaluator packets will be distributed. Each packet will include the following:

- a. An overview of the evaluation process, including the procedures for evaluation.
- b. A set of evaluation working papers.
- c. A sample of the final evaluation form.

2. Cycles

A minimum of one evaluation every year will be completed by February 15. Evaluations may occur more often at the request of the administrator or discretion of the evaluator. Request for specific clinical evaluation techniques may be made. These could include such techniques as task analysis, charting, narrative recording, etc.

3. Growth Plan

By October 1, each principal will develop a professional growth plan for the year which, if requested, shall be shared with his/her supervisor.

4. Plan of Assistance

In any situation deemed appropriate, a Plan of Assistance may be developed by the superintendent, supervisor and administrator. This plan should include but not be limited to:

- a. Time line for all activities.
- b. Specific deficiencies.
- c. Inservices, observations, and other help provided by the district.
- d. Specific evidence the administrator will provide.
- e. Criteria to be met as determined by the supervisor.

The evaluator will determine the length and outcome of the Plan of Assistance.

5. Evaluator

Principals will be evaluated by the superintendent or his/her designee each year. **Both** The superintendent **and** **or their** **his/her** designee will provide input for each evaluation in writing.

Assistant Principals will be evaluated by their supervising principal. During the course of the year, if the superintendent or his/her designee has concerns regarding the professional performance of the assistant principal, those concerns will be documented in writing to the assistant principal and copied to the building principal. Those concerns will be reflected in the annual evaluation. Annual evaluations will be reviewed with the deputy superintendent and/or superintendent before being presented to the assistant principal.

6. Observations/Conferences

To assist in determining the evaluation ratings, evaluators will conduct observations during the year and record them on working copies. Observations are defined as visits to the building, etc.

7. Pre-Observation Contact

The evaluator will contact the administrator before each formal observation/conference to gain information about the school and school outcome. The contact may be by telephone, in person, or in writing.

8. Post-observation Conference

A conference may follow the observation. If a conference occurs, it should be conducted following the observation as soon as possible. The administrator and evaluator will each have copies of all written evaluations.

9. Working Copies

Working copies do not become part of any employee's personnel file, but are to be used as a reference when completing the final evaluation form. Input received from others must be presented to the administrator at or prior to the final oral conference.

10. Final Evaluation

The administrator, the evaluator and the personnel office will each have a copy of the final evaluation. Before submitting the evaluations to the school board, all signatures and evaluatee comments, if desired, must be on the evaluation form. The evaluatee's signature indicates completion of an evaluation, not necessarily agreement.

Section K. Professional Dress

The Board of Education encourages appropriate dress that adheres to commonly accepted standards of grooming and dress for all district employees. Appropriate professional dress demonstrates a high regard for education and the teaching profession, and will present an image consistent with job responsibilities and community values and expectations. Appropriate professional dress reflects a shared vision of the district's staff as motivated professionals working toward a common mission. In

addition, it strengthens the community's perception toward the district, public schools and the teaching profession.

Since district staff serves as role models, teacher standards of attire should be well beyond what is expected of our students. Professional appearance of staff members includes dress, accessories, body adornments and grooming. Clothing, shoes and accessories are clean, in good repair and promote a working and learning environment that is free from unnecessary disruption.

Professional dress is appropriate during the workday and anytime employees attend work-related activities. Attire should be appropriate for the educational activity to be engaged in that day and should also be appropriate for the role of the teacher or staff member in each activity (ex: PE teachers wearing athletic apparel). Clothing should convey a professional image by being coordinated, modest and appropriate for a classroom or educational setting.

Professional Dress Guidelines (Minimum):

Men

- Collared shirts ~~-oxford style or dress shirt~~. Ties are preferred. Suits and jackets are optional.
- Dress slacks
- Dress shoes or casual shoes, such as leather, suede or loafer styles. Dress boots are acceptable.

ARTICLE IV LEAVE PROVISIONS

Section A. Definition of Leave

Leave is a time when any administrator covered by this contract is absent from duty for personal reasons or illness or as otherwise authorized.

1. Personal Leave

The superintendent's leadership team and principals will begin each contract year with three (3) days of personal leave. All other administrators will begin the school year with two (2) days of personal leave.

It is not necessary for the administrator to state the reason for taking personal leave days.

All unused personal leave days at the end of the contract year will be converted to an equal number of emergency leave days.

2. Emergency Leave

The Board of Education recognizes that absences by the administrator at various times throughout the year are unavoidable; however, any absence of the administrator from the building has a detrimental effect. Additionally, the board recognizes that these absences may be of an emergency nature over which the administrator has little or no control. Therefore, the Board of Education has established leave provisions which will aid in preventing undue hardship to the employee during the period of such emergencies. Any absence not provided for herein, or otherwise approved, or any

abuse of the provisions of this leave policy may be grounds for disciplinary action, including termination or non-renewal of the employee's contract.

In such event as an employee's absence from work is due to injury sustained in the course of employment, and for which the employee received Worker's Compensation benefits, then the employee shall receive an additional sum from accumulated sick leave as shall cause the total benefits received by such employee to equal the average daily contract rate for each day absent from work.

Section B. Number of Days for Current Year:

All administrators on regular contracts will begin the school year with 11 or 12 days of emergency leave (11 days for 205 day contract and 12 days for 215 day or more contract). Days will be prorated for late starts and early resignations.

Section C. Accumulation of Unused Days:

Administrators new to the district may transfer up to 10 days of emergency leave from their previous district. The emergency leave must be verified in writing by the district from which the leave is being transferred.

Unused emergency leave days may accumulate from year to year to a maximum of 85 days or 90 days (85 days for a 205 day contract and 90 days for a 215 day or more contract).

All administrators who have more than 50 days of unused emergency leave as of June 30 of the current year, and who have a contract for the coming year, or who are retiring under KPERS, may elect to forfeit up to 15 days of the unused emergency leave days in excess of 50 in exchange for \$143.00 per day forfeited.

The administrator must notify the Business Office in writing, stating the number of days for which reimbursement is requested, on or before May 15 of the current year, and will be compensated in his/her September paycheck.

All unused leave days will be converted to an equal number of emergency leave days at end of the year.

Usage of Accumulated Leave Days

Accumulated leave days may be used for personal illness of the administrator or the administrator's immediate family (see definition of immediate family below).

Salary Docking, Leave Related Issues

During the contract period, an administrator will not be docked until all leave days that are to be earned during the current year, plus those previously accumulated, are used. If it becomes necessary for an administrator to resign because of an extended illness, the administrator must reimburse the district for any leave days that were taken but not earned because of his/her abbreviated period of employment. Leave shall not be accumulated during any period of absence of 20 consecutive days for which an administrator is not receiving compensation. Leave shall be taken in increments of ½ day minimum.

When leave is taken for circumstances other than those authorized in this article, the leave shall be classified as "unauthorized" and will result in full salary deduction for the days absent.

Application for Leave

Application for leave must be submitted to the superintendent at least three (3) days in advance on forms provided by USD 457, which are available in the respective buildings. In the event of emergency

situations, the minimum of three (3) days advance request may be waived by the superintendent or designee.

Immediate Family Defined

Immediate family shall include spouse, children (and the spouse of children), mother, father, brother, sister (and the spouse of the brother or sister), grandparents, grandchildren, or other relatives whose residence is in the home of the employee.

Section D. Administrative Leave Bank

Purpose:

1. An illness and disability bank shall be established to assist administrators who, as a result of catastrophic or extended illness or injury have exhausted the administrator's accumulated emergency leave, by providing those administrators eligible with additional emergency leave days from the bank.
2. An administrator, due to the birth of a child or adoption of a child under the age of 6, may apply to use up to 5 days of leave from the Bank. The administrator does not need to have exhausted all of their accumulated emergency leave prior to application.

The Bank: At the beginning of each school year, the Board of Education will provide a total of 35 days to the bank to be used as set forth herein. Administrators may also donate leave to The Bank. At least one day per employee must be donated by Oct. 1 in order to have access to use The Bank during that school year. The maximum number of days per year that can be used by administrators will be determined by the number of donated days plus the total provided by the Board of Education.

Eligibility for Participation for Parental Leave: In order to be eligible to participate in withdrawals from The Bank, an administrator must meet all of the following criteria.

1. Must have donated at least one day of their own leave during the designated donation period.
2. Apply prior to the birth of a child, or adoption of a child under the age of 6.
3. Must submit an application for use of bank days to the Chief HR Officer on forms provided by district and must submit all additional information requested.
4. No consideration shall be given to whether or not the administrator is receiving salary protection under the group salary protection insurance that is available to District employees.
5. No consideration shall be given for seniority.
6. Bank days credited may not exceed 5 days for any one application.

Eligibility for Participation for Illness or Disability: In order to be eligible to participate in withdrawals from the bank, an administrator must meet all of the following criteria:

1. The administrator must have donated at least one day of their own leave during the designated donation period.
2. The administrator must have exhausted all of their accumulated paid time off. For participation in the bank, the employee must have used all emergency leave days, including sick leave, personal leave days, and vacation days, where applicable. In the event an administrator has unused personal leave days, those days will be applied as sick leave days until all such days have been used.
3. The illness or injury suffered by the administrator or administrator's spouse or child must be of such a nature that prevents the administrator from fulfilling his/her duties for a period of at least 5 consecutive school days after all emergency leave days have been used.
4. The administrator must submit an application for use of bank days to the Chief HR Officer on forms provided by the district and must submit all additional information as requested by the committee.
5. Bank days credited may not exceed twenty (20) days for any one application. In the event the administrator's disability extends beyond the number of bank days credited, the administrator may

reapply for additional days; provided, however that no one applicant may receive more than 50 days during any school year.

Procedure: The eligible administrator, as determined by the above criteria must file an application for use of bank days on forms provided by the **Chief HR Officer**. The application should be filed as soon as all of the above criteria have been met, or in advance thereof, if medical evidence is available indicating a reasonable expectation that all criteria will be met.

~~The district bank committee will meet within ten days of the receipt of any such application for purposes of reviewing the application, seeking additional information, and/or rendering a decision as to the use of bank days.~~

The Chief HR Officer (or their designee) will render a decision or seek additional information within 5 business days of the receipt of any such application. The decision will be delivered in writing, and if the application is denied, a specific criterion/a will be cited for the decision.

~~In the event the committee determines that bank days should be credited to the disabled administrator, the committee shall determine the date from which such days shall be credited, which date may be retroactive to the date of the expiration of the administrator's emergency leave days.~~

The administrator receiving bank days shall be paid **100%** of his or her daily rate of pay per day.

~~Withdrawal of leave days from the bank will be under the supervision of a committee of three administrators elected by the participants. An election will be held at the first scheduled administrators' meeting. Term of office will be for three years. Each year thereafter one member will be elected for three years to fill the vacated position. A chairperson will be selected by the three committee members following the election. The term of office for the vacating position will commence immediately following the election and expire after the next year's election. Unexpired vacancies on the Leave Bank Committee will be filled by an election at the next administrators' meeting for the remainder of that term.~~

~~Action by the committee can be taken only upon a majority vote of all members of the committee.~~

Committee Guidelines: ~~The bank committee shall establish its own procedure for review of application and criteria for determination of whether bank days should be credited. Such criteria, however, shall take into consideration, the following:~~

- ~~1. The nature and extent of the administrator's illness or injury.~~
- ~~2. The anticipated time for recovery and return to work.~~
- ~~3. The possibility of replacement or retirement of the disabled administrator.~~
- ~~4. The number of bank days available and the prospect of use of such days by other administrators other than the applicant. The financial needs of the applicant, including but not necessarily limited to the applicability of disability insurance and/or workmen's compensation benefits.~~

~~To facilitate its deliberations, the committee may request and the applicant shall provide a doctor's statement concerning work restrictions and expected duration of the illness or injury as well as personal financial information.~~

Unused Balance: All unused days at the end of the year will be converted to its equal monetary value (average daily rate of certified employee participants) and applied to the following year's health fund to help offset potential insurance premium increases.

Section E. Extended Leaves

Administrators are entitled, subject to approval of the board, to extended leaves for study, health, illness of spouse, child or parent, maternity, paternity, adoption or military service. Such extended leaves shall normally be for one semester or one school year. An extended leave may be lengthened to include a second year under the same provisions which applied to the first year of extended leave. No extended leave shall be considered a termination of employment.

An administrator shall:

- a. be subject upon his/her return from extended leave to the salary schedule of the current school year;
- b. retain accumulated leave days, but additional leave days shall not accumulate during the term of extended leave;
- c. be permitted to retain membership, during extended leave, in the board health insurance group for the period of time allowable by the insurance company. However, arrangements for payment of premiums must be made in advance with the Business Office and the board shall make no contribution;
- d. prior to resuming duties on return from an extended leave for maternity or health, present to the Personnel Office a statement from a physician that the administrator is physically able to resume normal duties required of his/her assignment. If requested by the Personnel Office, confirmation of the physician's statement by another physician selected by the board may be required at the expense of the board. Maternity, as used herein, includes pregnancy, childbirth, false pregnancy, termination of pregnancy and recovery therefrom.

The superintendent may authorize, subject to the approval of the board, an extended leave for any other purpose not expressly identified above.

Section F. Jury Duty Leave

Full-time administrators shall receive their regular pay while serving jury duty. The employee shall reimburse USD 457 all money received for jury duty except the amount allowed for meals and mileage.

Section G. Leave for Legal Matters

Employees may use personal leave for legal matters. In the absence of personal leave, the superintendent, or his authorized representative, may grant legal leave, without pay, to attend to the following legal matters:

1. Subpoena (*see below)
2. Personal lawsuits
3. Tax issues
4. Divorce actions
5. Other legal matters which the employee cannot reasonably do other than during the working day

*When an administrator is served a court subpoena not related to his/her administrative duties and he/she has no personal leave days available, said member may apply to the superintendent, or his designated representative, for the use of accumulated leave days for this purpose.

Section H. Bereavement Leave

Employees are permitted to use emergency leave to attend funerals for members of the administrator's immediate family, or the immediate family of the administrator's spouse. For purposes of this leave agreement, immediate family will include: spouse, children, mother, father, brother, sister (and the spouse of the brother or sister), grandparents, grandchildren or other relatives whose residence is in the home of the employee.

Up to five emergency leave days may be granted to an administrator to attend the funeral of a member of the administrator's immediate family as defined above. The number of days to be granted shall be determined by the Superintendent of Schools or the designated representative, taking into consideration the circumstances involved.

~~Absences to attend funerals of persons not within the immediate family must be approved by the superintendent. If approved, the leave will be granted and days of emergency leave may be used.~~

Section I. Other Leave Provisions

Absences from duty other than the above will require the prior approval of the superintendent or designee. Such release time will be in the nature of meetings, such as in-service training sessions and activity program sponsorship. In such cases release time will be granted without loss of leave time and there will be no deduction of salary.

Section J. Educational Leave

All requests for educational leave must be approved in advance by the Superintendent. Requests for educational leave will be considered for the completion of district administrative certification or completion of a doctorate program in school administration.

Educational leave will be considered in two categories:

Compensatory time

Accumulation of comp time must be approved by the superintendent in advance. Comp time must be accumulated and used in not less than one-half day increments. Comp time will be recorded on a log sheet approved by the superintendent. When using comp time, the administrator will complete a professional leave form and notate that the leave is for educational purposes and a copy of the approved log of comp time will be attached.

Research projects related to district interests

Research projects related to district interests must be approved in advance by the superintendent. The superintendent will determine the amount of time approved for work on each respective project. When using approved research time, a professional leave form should be completed as above.

The Board selects a president and vice-president from their membership yearly. A clerk, treasurer and attorney are appointed by the board on an annual basis. The board functions according to the powers delegated from the State of Kansas, and actually is a subdivision of the State government.

It is understood and agreed that the Board retains those powers expressly granted to it by statute, including those necessarily implied and that the statutes are to be strictly construed, including the right to make unilateral changes as specifically limited only by any provision contained within this handbook.

The only limitation on any right of the Board shall be by law or by the express limitation by specific provision contained with this handbook.

Section B. Employee Meet and Confer Committee

The administrative staff of USD #457, along with a board representative, meet with the Meet and Confer Committee for the purpose of receiving suggestions or concerns relating to salary, fringe benefits or conditions of employment. Employees wishing to submit an item for consideration should contact one of their representatives on the Meet and Confer Committee.

Members of the administrative staff include the Assistant Superintendent, Financial Officer and the **Employee Services Coordinator**.

Members of the Meet and Confer Committee include three representatives of each of the following groups of employees:

Administrative Support Staff, Business Support Staff and Tech. Support Staff
Instructional Support Staff
Maintenance & Operations Staff
Nutritional Services Staff
Transportation Services Staff

Representatives are selected by the members of their particular classification and will serve 2 year terms. Employees are encouraged to participate and become actively involved through their representative in the meet and confer process.

All Meet and Confer meeting times, dates and locations must be scheduled through the **Employee Services Coordinator**. All meetings scheduled without the administrative staff must be held off contracted time.

The Assistant Superintendent is responsible for designating someone to record and distribute the minutes of the meetings to each employee group, all administrators and the Board of Education.

Section C. Channels of Communication

Employees are responsible to their supervisor and shall direct all problems, criticisms and suggestions through the supervisor. **In the event the supervisor is not available, employees shall contact the HR Coordinator.**

ARTICLE III. INITIAL EMPLOYMENT AND TRANSFER REQUESTS

All applicants will be given consideration for employment in compliance with the EEO (Equal Employment Opportunity) Policy of USD #457. The Board will employ only the most competent person available for each position.

The Board reserves the right to assign, reassign or transfer all classified positions. Any employee may be transferred at any time to a new location or position at the convenience of the School District.

Section A. Initial Employment Probation

Note: If an employee resigns and returns to a similar job in USD #457 within six months, the employee will be reinstated with the same salary and benefits as if they had not left the district. The following rules do not apply.

1. Probationary Status

A classified employee new to USD #457, or a former employee who returns to USD #457, shall be engaged on a probationary basis for a period of 60 calendar days, excluding non-contract days in the summer for part-time employees. During the probationary period, the employee may be released from their position at any time upon recommendation of both the supervisor and department director and without benefit of review. The employee will be evaluated at the end of the probationary period by the Supervisor. The employee should be informed of the contents of the Supervisor's evaluation. The Chief HR Officer or his designee will notify the employee's Supervisor of the end of the probationary period.

2. Leaves

A classified employee new to USD #457 or a former employee who returns to USD #457, will accumulate leave time earned; however, the leave time shall not be available for use until after the employee has successfully completed 30 days. Any days taken for sickness during the first 30 days or for personal leave during the 60 day probationary period will be not be compensated.

3. Rate of Pay

A classified employee new to USD #457 or a former employee who returns to USD #457 may, at the supervisor's discretion, begin the probationary period at the base rate established for their particular position. Once the 60-day probationary period is completed, the supervisor may submit a written request to award longevity for equivalent experience, up to a maximum of 10 years of outside experience, in a similar work position, to the **Employee Services Coordinator** for approval. This request must be submitted to the **Employee Services Coordinator** within 30 days of the end of the probationary period. Supervisors may also submit a written request to award longevity for equivalent experience to be granted upon hire.

All requests for longevity that are approved by the **Employee Services Coordinator** will become effective on the first workday of the following month.

After the 30 day deadline from the end of the probationary period, Supervisors may only submit requests for granting previous experience in May or June each year to be effective for the following school year.

4. Request for Transfer

Any classified employee of USD #457 desiring to be considered for a vacancy should complete a Request for Transfer online through the district intranet within 3 days. Any request after the 3-day timeline will require the receiving supervisors' approval for consideration and a paper transfer form must be completed. An interview is not guaranteed if denied by the supervisor of the open position. Those who move to a new position will do so under the current salary schedule regardless of how long they have been a district employee. Employees who are under probation are not eligible to request transfer. Once a transfer has been approved, an employee must remain in that position for 60 days before being eligible to request another transfer.

The Supervisor of the open position will complete the information online, approving or denying the request for transfer. Final decisions of transfers will be communicated to employees by the HR Coordinator.

5. Para Assessment

Employees hired in positions requiring the para assessment must complete and pass that test within the first 30 days of employment. Failure to do so, may result in termination.

ARTICLE IV. SALARIES AND WAGES

Section A. Salary Guide

1. On July 1 of each year, any salary increases approved by the Board will be made. Years of experience will be granted to eligible employees in the school district.
2. Employees who have a hire date of employment between January 1 and June 30 of the current year will not be eligible for a year of experience being granted. The effective date of employment is the first date a person begins to work for the school district in a full-time or part-time position.

Section B. Consideration For Reclassification and Salary Adjustment

A request for a position re-classification or salary adjustment for years of experience may be made by an employee's Supervisor and will be accepted only on an annual basis. Any request shall be in writing and shall be submitted to the Employee Services Coordinator by the employee's supervisor on behalf of the employee making the request. The request should be submitted no later than April 1 in order to receive serious consideration. The request should state in complete detail the conditions and/or circumstances in which the supervisor has based their judgment in requesting consideration of the request. The HR Coordinator, Employee Services Coordinator, and Chief Financial Officer will consider all requests and notify supervisors of the determination.

~~All such requests will be presented to the Superintendent and/or his designees for consideration.~~
Approved requests will be effective the first of the following fiscal year.

Section C. Additional Compensation

Unless specified, all additional compensation will be effective on the 1st of the month following approval.

Interpreters who take the EIPA will be reimbursed for a score of 3 or above. After an employee has been reimbursed for a score of 3 or above, all subsequent reimbursements will require a higher score than was previously achieved. In addition, the District will assist with the expense of this test by providing a car to travel to the testing site and a hotel room for one night. If necessary, due to time and location of the test, professional leave will be approved by the district.

ARTICLE V. HOURS AND AMOUNTS OF WORK

Section A. Work Day

The regular work day is generally defined as an eight-hour work day with the starting and quitting time to be determined by the employee's supervisor. Part-time employees may work less than an eight-hour day.

Section B. Work Week

The regular work week is generally defined as 40 hours of work (inclusive of sick leave, personal professional leave and holiday leave). The work week begins at 12:01 a.m. Saturday and ends at 12:00 midnight on Friday. Part-time employees may work less than a 40-hour week.

Section C. Work Year

A regular work year is defined as that time between July 1 of one year and June 30 of the following year. All employees will have access to a calendar designating the days to be worked during the work year.

In addition to the days designated on the employee's calendar, the employee's supervisor may require the employee to work during Parent Teacher Conferences.

Section D. Time Sheets

All classified employees are required to clock in and out, using the District's automated time clock system or district provided electronic device. Any exceptions must be approved by the employee's supervisor. Time must be electronically submitted to the employee's supervisor on a weekly basis no later than Monday following the work week. All time for the work week is calculated at actual time.

Section E. Overtime Compensation

1. For time worked in excess of 40 hours per week, employees shall be entitled to overtime equal to one and one half times the employee's regular hourly rate. Occasions may occur that require employees to work extra hours during a week that included a paid holiday. At the discretion of the employee's supervisor, paid holiday hours may be included as actual hours worked for purposes of calculating overtime.
2. Any hours worked in excess of normal working hours, including overtime, must be approved in advance by the employee's supervisor.
3. The Chief Financial Officer must approve exceptions to the above policy.

Section F. Holidays Worked

For district holidays worked, employees required to work shall be entitled to holiday pay at a rate equal to two times the employee's regular hourly rate, which will be paid in lieu of overtime compensation.

Section G. Rest Periods & Travel Time

1. All classified personnel are allowed a rest period if their regular daily schedule calls for more than four hours of continuous work. During rest periods, employees are free to leave their workstations not requiring continuous attendance, but may not leave the building without prior approval of their supervisor.

<u>Daily Hours Worked</u>	<u>Rest Periods</u>	
	<u>A.M.</u>	<u>P.M.</u>
8.0	15 minutes	15 minutes
7.5	15 minutes	10 minutes
7.0	15 minutes	10 minutes
6.5	10 minutes	10 minutes
4.0 to 5.5	10 minutes	
Less than 4.0	None	

2. Rest periods are subject to certain restrictions:
 - a. No rest period is to be taken until at least two hours after the shift starting time, unless approved by the employee's supervisor.
 - b. Rest periods are limited to 15 minutes in duration.
 - c. Rest periods are not mandatory. If they are not taken they do not constitute compensatory time.
3. For employees working over 6 hours per day, a minimum of 30 minutes unpaid must be taken as a lunch break.
4. For hourly employees additional compensation will not be provided for travel time during the employee's normally scheduled work day. Additional compensation is only provided while the employee is actually driving outside their normal work schedule.

Section H. Pay Day

Employees are paid on the 15th of each month and are paid for the hours that they worked in the previous calendar month. If the 15th falls on a weekend or Federal holiday, the pay day will be moved to the preceding business day. All employees are required to use direct deposit or a direct pay card. Payroll remittances are available for viewing or printing online through Skyward Employee Access.

ARTICLE VI. LEAVES

Article VI applies to all full-time and part-time classified employees. All other classified employees are not eligible to be granted any type of leave.

Available leave days are granted at the end of each month. In order to be granted any leave days mentioned in this section, the employee must work or use accrued paid time off equal to over half the required time for that month.

All leave requests must be entered online in Skyward Time Off and be approved by the employee's supervisor and the Payroll Department. Leave requests cannot cause an employee to exceed their normal number of work hours for a scheduled day.

Additional leave not covered in this article is discouraged because of the hardship it places on the day-to-day operation of a particular division. In the event an employee does request additional leave and provided the employee's supervisor approves, the leave may be granted with a full deduction in pay for the days absent from work. All additional leave should be requested in writing on an Application for Leave form. Excessive absences could be cause for disciplinary action or termination.

All paid time off will be pro-rated for those employees that terminate employment prior to the end of the current fiscal year.

If an employee has accrued time off, they are required to use that time off for related absences unless they have prior authorization from the **Employee Services Coordinator** to take the leave without pay. This will only be approved for extenuating circumstances.

Section A. Emergency Leave (Sick Leave, including Maternity Leave, Bereavement and Staff Funerals)

The Board recognizes that absences by the employee at various times throughout the year are unavoidable; however, any absence of the employee has a detrimental effect on the operations of the District. The Board has established leave provisions which will aid in preventing undue hardship to the employee during the period of such emergencies. Any absence not provided for herein, or otherwise approved, or any abuse of the provisions of this leave policy may be grounds for disciplinary action, including termination.

In the case of emergency leave, there are two types: chargeable and non-chargeable. A chargeable leave is defined as one which will take away or deduct from the total accumulated emergency leave, while a non-chargeable leave is defined as one which will not take away or which will not deduct from the total accumulated emergency leave.

Leave Provisions

All full-time and part-time classified employees are granted one emergency day per month and may accumulate emergency leave on the following basis:

<u>Number of Months Worked</u>	<u>Total Days Granted Per Year</u>	<u>Total Accumulation</u>
Full-time Employee (261 days)	12	80
Part-Time Employee		
Months in work year:		
11	12	80
10	11	80
9	10	80
Crossing Guards	10	10
Temporary, Student Employee, Substitute	0	0

Basic Family and Medical Leave Act (FMLA) Leave Entitlement

USD 457 employees that have worked for at least 12 months and at least 1,250 hours during the 12 month period prior to a qualifying absence will be eligible for FMLA leave. If an employee is eligible they may request up to 12 weeks of unpaid, job protected leave within a 12 month period. In the event both spouses are employees of USD 457, their absences cannot jointly exceed the 12 weeks of FMLA.

Definitions

(1) Emergency Leave/Sick Leave (to include Maternity Leave) (Chargeable)

Sick leave will cover an absence resulting from an illness or injury or disability of or to the employee, including pregnancy, termination of pregnancy and recovery there from, which prevents the employee from fulfilling their duties at school, including absence for attendance at clinics for medical or dental diagnosis or treatment resulting from such illness, at a physician's or dentist's direction; provided, that regular medical or dental treatment or examinations shall be used judiciously. The employee shall return to work as soon as physically able as determined by their physician. The employee shall, after three consecutive work days, upon request, provide the employee's supervisor or the Benefits Specialist a certificate from a licensed physician verifying the employee's illness or physical disability and stating the reason the employee is unable to perform their assigned duties.

- (a) If the sick leave is due to recovery after the birth of a child, the employee shall automatically be allowed to use six calendar weeks of accrued emergency leave from the day the child is born and receive their currently scheduled compensation. A doctor's statement will be required if more time is needed for recovery.
- (b) If a newborn or special needs child under age six is adopted, (excluding adoption of a spouse's children), one employee shall automatically be allowed to use up to six calendar weeks of accrued emergency leave from the date of the arrival of the child in the home and receive their currently scheduled compensation. If a special needs child over the age of five is adopted, the Superintendent may grant emergency leave days for one employee as needed.

Sick leave will also cover the absence of the employee resulting from the serious and debilitating illness or injury of a member of the employee's immediate family or the immediate family of the employee's spouse, which requires the employee's presence. Immediate family as used herein means spouse, children (and the spouse of children), mother, father, brother, sister (and the spouse of the brother or sister), grandparents, grandchildren, or other relatives whose residence is in the home of the employee. The Superintendent may approve of emergency leave for members other than those defined above.

Sick leave may be taken in one hour increments, with one exception. If the employee is absent for the whole day and the employee's normal work day is other than whole hours, the employee should report the absence for the actual normal work day. For example, if a paraprofessional's normal work day is 7.5 hours and the employee is absent for the whole day, the employee needs to request emergency leave equal to 7.5 hours. The use of sick leave cannot cause an employee to submit hours greater than their normal work day.

Each employee shall notify their immediate supervisor as soon as possible when gone because of illness. Failure to do so could result in termination.

(2) Emergency Leave/Bereavement (Chargeable)

Employees are permitted to attend funerals for members of the employee's immediate family, or the immediate family of the employee's spouse. For purposes of this leave, immediate family will include: spouse, children (and the spouse of children), mother, father, brother, sister (and the spouse of the brother or sister), grandparents, grandchildren or other relatives whose residence is in the home of the employee.

Up to 5 emergency leave days may be granted to an employee to attend the funeral of a member of the employee's immediate family as defined above. The number of days to be granted shall be determined by the employee's supervisor and **Employee Services Coordinator**, taking into consideration the circumstances involved.

Absences to attend funerals of persons not within the immediate family must be approved by the employee's supervisor.

Each year up to 3 days of emergency leave may be granted to an employee if the absence is necessary due to legal matters related to the death of a member of the employee's immediate family. Such leave must be approved in advance by the employee's supervisor. This provision shall be in effect for one year after the death of the immediate family member.

(3) Emergency/Staff Funerals (Non-Chargeable)

In case a funeral of a member of a school staff should be scheduled for a time when school would normally be in session, school may be dismissed for up to one-half day to allow the staff of the particular school to attend the funeral. Only the individual school affected shall be dismissed. Arrangements for dismissal should be made at the request of the principal with the approval of the Superintendent. No time will be charged against emergency leave for time out of school under the provisions of this paragraph.

(4) Emergency Leave/Life Happens (Chargeable)

An employee's supervisor may approve the use of 1 emergency leave day per year for extraordinary events, not otherwise defined, which necessitates the employee not being available to work. Employees must have an accrued emergency day available to use.

Section B. Unused Emergency Leave

All classified employees who have more than 50 days of unused emergency leave as of June 30 of the current year and who return to work for the coming year, may elect to forfeit up to 15 days of the unused emergency leave days in excess of 50 in exchange for 75% of the base pay for emergency substitute teachers per day forfeited. For employees working less than 4 hours per day, the unused emergency leave days in excess of 50 may be exchanged for one-half of 75% of the base pay for emergency substitute teachers.

The employee must notify the Business Office in writing, stating the number of days for which reimbursement is requested on or before May 15 of the current year and will be compensated in their September paycheck.

Classified employees that are a 1.0 FTE and do not use any emergency leave days during the current full school year will be given the option, at the beginning of the next school year, to convert one of the unused emergency leave days into a personal day. Employees hired after August 31 of the current school year are not eligible until the following year.

Section C. Personal Leave (Chargeable)

The Board of Education recognizes that situations of an unusual nature arise during the school year for which the employee chooses to be absent and has established the following leave provisions to cover these situations.

Classified employees shall be granted personal leave as follows:

For employees hired prior to January 1 of a fiscal year - One day upon completion of initial probationary period and two days each subsequent school year.

For employees hired between January 1 and June 30 of a fiscal year – One ½ day upon completion of initial probationary period, one full day for the following fiscal year, and 2 days for each subsequent year.

Personal days will continue to accrue from year to year. No more than 8 days may be accrued as of June 30. All unused personal days in excess of 8 will be converted to an equal number of emergency leave days.

~~Approval for the use of an additional personal leave day will be at the discretion of the Superintendent and will be granted only for situations of an unusual nature. One additional day, if approved and deemed by the Superintendent to be the result of extenuating circumstances, may be granted without a deduction in pay.~~

Employees must request personal leave as far in advance as possible. Personal leave may only be taken in full and half day increments.

Section D. Vacation Leave

Full-time classified employees may be granted paid vacation leave. Days will be granted at the end of each month in the following amounts:

1. First six months of employment – ½ day per month. Vacation leave will accrue during the employee's initial probation period; however, it may not be used until after the probation period is completed.
2. At the completion of the first six months of employment - 1 day per month.
3. At the completion of the ninth work year - 1 ¼ days per month (beginning July 1 after completion of the ninth year).
4. At the completion of the eighteenth work year – 1 ½ days per month (beginning July 1 after completion of the eighteenth year), plus 1 additional vacation day on July 1, and another 1 on January 1.

If possible, vacation time should be used in blocks of five days or more at a time. Vacation time may be accrued, and will be limited to a ten-day block of time unless prior approval is obtained from the employee's supervisor. Vacation leave should be arranged well in advance with the employee's supervisor. Vacation leave may only be taken in full and half day increments. The use of vacation days cannot cause an employee to submit hours greater than their normal work day.

In the event the employee has one or more days of earned vacation leave when they resign their position, the employee may receive salary in lieu of the vacation leave. Employees who are terminated by the district or were asked to voluntarily resign due to job abandonment are not eligible to receive salary in lieu of remaining vacation days.

No more than 30 days of vacation leave may be accrued from the end of the work year on June 30 to the beginning of the next work year on July 1.

Section E. Other Leave (Professional Leave, Witness or Jury Duty and Extended Leave)

1. Professional Leaves and Absences

The employee's supervisor may grant permission to employees to attend professional meetings, or other activities for professional growth and improvement. There will be no deduction from the employee's pay for regular work time missed while attending such a meeting. If the meetings are outside the employee's normal work time and are voluntary on the part of the employee, there will be no obligation on the part of the District to provide additional compensation to the employee.

Expenses may be authorized by the **Deputy** Superintendent to attend meetings which will be beneficial to the District.

2. Witness or Jury Duty

Employees of the District shall be excused for jury duty or in response to duly issued subpoenas with no jeopardy to their employment. The employee will receive their regular daily salary and shall surrender to the Business Office any and all compensation for jury duty or in response to subpoenas as is normally established by court, except for mileage. The employee shall report to work at any time during the employee's work day that they are not required to be present for witness or jury duty. The Assistant Superintendent has the authority to request for the Board that the employee be excused from service or their service be delayed, provided the special nature of the employee's qualifications would make it difficult to secure an adequate substitute or if the timing of the proposed jury duty affords a threat to the welfare of the school or children.

3. Extended Leave

A leave of absence may be granted within the school year if recommended by the employee's supervisor and approved by the Chief HR Officer. The request for a leave of absence must be presented to the employee's supervisor in writing and then presented to the Chief HR Officer for approval or disapproval. An employee will receive no paid leave, except the use of accumulated emergency leave for health reasons, during the leave of absence, provided this complies with the Family Medical Leave Act. The **Employee Services Coordinator** will determine if benefits will be affected by the approved extended leave and will discuss with employee.

Section F. Illness and Disability Bank

Purpose:

1. An illness and disability bank has been established to assist classified district employees. A catastrophic or extended illness or injury that has depleted all of the employee's accumulated leave will then cause the employee to be considered eligible to receive additional leave days from The Bank upon review and approval by **Chief HR Officer**.
2. An employee, due to the birth of a child or adoption of a child under the age of 6, may apply to use up to 5 days of leave from the Bank. The employee does not need to have exhausted all of their accumulated emergency leave prior to application.

The Bank: At the beginning of each school year, the Board of Education will provide a total of 95 days to The Bank to be used as set forth herein. Classified Employees may also donate leave to The Bank. At least one day per employee must be donated by Oct. 1 in order to have access to use The Bank during that fiscal year. Up to a maximum of 250 days per year can be used by classified employees from The Bank. Those days will be split into 125 days per semester.

Eligibility for Participation for Parental Leave: In order to be eligible to participate in withdrawals from The Bank, a classified employee must meet all of the following criteria.

1. Must have donated at least one day of their own leave during the designated donation period.
2. Apply prior to the birth of a child, or adoption of a child under the age of 6.
3. Must submit an application for use of bank days to the Chief HR Officer on forms provided by district and must submit all additional information requested.
4. No consideration shall be given to whether or not the classified employee is receiving salary protection under the group salary protection insurance that is available to District employees.
5. No consideration shall be given for seniority.
6. Bank days credited may not exceed 10 days for any one application.

Eligibility for Participation for Illness and Disability: In order to be eligible to participate in withdrawals from The Bank, an employee must meet all of the following criteria:

1. The employee must have donated at least one day of their own leave during the designated donation period.
2. The employee must have exhausted all of their accumulated paid time off.
3. The employee must work one full calendar year (applicable to their position) to apply for the use of The Bank.
- ~~4. The employee must have exhausted all of their accumulated emergency, vacation and personal leave days to participate in The Bank. In the event an employee has unused personal leave days, those days will be applied as emergency leave days until all such days have been used.~~
5. The illness or injury suffered by the employee must be of such a nature that prevents the employee from fulfilling their duties for a period of at least 5 consecutive work days after all leave days have been used.
6. The employee must submit an application for use of bank days to the Chief HR Officer on forms provided by the district and must submit all additional information as requested by the committee.
7. Pregnancy **does not** constitute a catastrophic or extended illness.
8. Workers compensation claims will not qualify for eligibility from the sick bank.
9. Employees with an immediate family member (spouse, children or parents) who has suffered a catastrophic illness or injury may be eligible for participation in the sick bank.
10. Applications for part time employees will not be considered by the Chief HR Officer until the employee has returned to work for the new school year and worked 10 consecutive days.
11. Bank days credited may not exceed 10 days for any one application. In the event the classified employee's disability extends beyond the number of bank days credited, the teacher may reapply for additional days; provided, however, that no one applicant may receive more than 25 days during any school year.

Procedure: The eligible employee, as determined by the above criteria must file an application for use of bank days on forms provided by the Chief HR Officer. The applications should be filed as soon as all of the above criteria has been met, or in advance thereof, if medical evidence is available indicating a reasonable expectation that all criteria will be met. (Application forms may be filled out in the Payroll Office.)

~~The district bank committee will meet within ten days of the receipt of any such application for the purpose of reviewing the application, seeking additional information, and/or rendering a decision as to the use of bank days.~~

The Chief HR Officer (or their designee) will render a decision or seek additional information within 5 business days of the receipt of any such application. The decision will be delivered in writing, and if the application is denied, a specific criterion/a will be cited for the decision.

~~In the event the committee determines that bank days should be credited to the employee, the committee shall determine the date from which such days shall be credited. The Sick Leave Bank Application Form will be presented to the Employee Services Coordinator with dates to credit to employee emergency leave days or denied.~~

The employee receiving bank days shall be paid for each bank day at a rate equal to 100% of the amount paid on a daily basis to the employee for use of accumulated sick leave days.

~~District Sick Bank Committee: Appointment to this committee is permanent until resignation from the district or request to be replaced, with current members voting in a replacement. The district sick bank committee shall be comprised of the Chief HR Officer, or their designee, and the following:~~

~~One representative of each classified group:~~

~~———— Committee Chairman~~

~~—Administrative Support Staff, Business Support Staff and Tech. Support Staff~~
~~—Instructional Support Staff~~
~~—Maintenance & Operations Staff~~
~~—Nutritional Services Staff~~
~~—Transportation Services Staff~~

~~Committee Guidelines: The Bank committee shall establish its own procedure for review of application and criteria for determination of whether bank days should be credited. Such criteria, however, shall take into consideration, the following: meet twice per year to establish the following:~~

- ~~1. The nature and extent of the employee illness or injury.~~
- ~~2. The anticipated time for recovery and return to work.~~
- ~~3. The number of bank days available and the prospect of use of such days by other employees other than the applicant.~~
- ~~4. The financial needs of the applicant.~~

~~To facilitate its deliberations, the committee requires the applicant to provide a doctor's statement concerning the nature and expected duration of the illness or injury as well as personal financial information.~~

~~Application of agreement and committee decisions not grievable: It is agreed that any and all decisions relating to the use of bank days and the interpretation of this agreement shall not be the basis for any grievance and the decision of The Bank committee shall be final.~~

Unused Balance: Any unused days as of June 30 will be ~~carried over to the following year and added to the Board allocation for the next year. No more than 150 days can be carried over from one year to the next~~ applied to the following year's health fund to help offset potential insurance premium increases.

If an employee has more than 50 days of unused emergency leave as of June 30 of the current year, and returns for the coming year, he/she may forfeit up to 5 days of the unused emergency leave days to be donated to the Illness and Disability Bank in lieu of being paid for these days under Section B.

ARTICLE VII. BENEFITS

Section A. IRC Section 125 "Cafeteria Fringe Benefit Plan

The Board has established an IRC Section 125 "Cafeteria" Fringe Benefit Plan for classified employees of the District. The options to be included in the Plan are: (1) health/dental insurance (hospitalization); (2) group term life insurance not to exceed \$50,000; (3) cancer/dread disease insurance; (4) vision insurance; (5) accident insurance; (6) medical expense reimbursement; (7) dependent care expense reimbursement; and (8) health savings account.

Employees must work at least 20 hours per week to be eligible to participate in supplemental coverages.

The above insurance benefits shall be provided by a company or companies selected by the Insurance Committee and approved by the Board of Education.

Section B. Health Insurance

A committee shall be established to review the District's current health insurance plan and research alternate sources. The committee shall consist of the Benefits Specialist, Chief Financial Officer,

Employee Services Coordinator, one administrator, five certified staff to be appointed by the GCEA president and five classified staff.

Section C. Employer Partially Paid Fringe Benefit

The Board shall provide each eligible employee a monthly sum of \$830, increasing to \$900 beginning in December 2024, to be used toward the purchase of health/dental insurance through the District's group health insurance plan. The amount provided will be based on the FTE of each particular position and determined by the **Employee Services Coordinator**.

If an employee chooses the high deductible health insurance option, the Board may provide a monthly contribution to the employee's health savings account.

In the event an employee terminates employment with the District, the Board's last contribution toward the purchase of health/dental insurance will be the last full month (worked/earned more than 50%) of employment.

If an employee is absent from work and is covered under the FMLA policy, the provisions of the policy apply to insurance coverage. If the leave is not covered under FMLA, fringe will only be granted in those months which the employee worked or had accrued paid time off for more than 50% of scheduled days on their calendar.

Section D: Employer Provided 403(b) Plan

1. A Retirement Plan Portfolio may be established for each employee in USD #457. This portfolio may contain up to two (2) accounts, an Employer Paid Account and an Employee Paid Account. Each employee is eligible on the first of the month following their date of employment.
2. For each monthly contribution that an employee makes into their Employee Paid Account, USD #457 will contribute a dollar for dollar matching amount up to \$50 into the Employer Paid Account. Any employee who is eligible for KPERS benefits and makes the necessary contribution into their Employee Paid Account is eligible for the matching amount into the Employer Paid Account. Any employee who has previously retired from KPERS but works the number of hours to otherwise be a KPERS eligible employee is also eligible if they make the necessary contribution into their Employee Paid Account.
3. The plan year for the Employer Paid Account will be from September 1 through August 31. If an employee discontinues or reduces their Employee Paid Account to less than \$50 per month, the Employer Paid Account will be reduced accordingly.
4. Upon beginning their 6th total year as an employee employed by USD #457, each employee will become vested in 10% of the amount contained within their Employer Paid Account. The vested portion will continue to increase by an additional 10% per year until the employee is 100% vested upon beginning their 5th year with USD #457.

<u>Vesting Schedule</u>	
<u>Years(s)</u>	<u>Amount Vested</u>
1 – 5	0%
6	10%
7	20%
8	30%
9	40%

10	50%
11	60%
12	70%
13	80%
14	90%
15	100%

An employee who terminates employment with USD #457 after the beginning of their 6th year may leave the vested amount in the Employer Paid Account, thereby retaining vesting status upon returning to a position with USD #457 at a future date.

5. An employee may voluntarily contribute from salary an amount of their choosing into the Employee Paid Account. Voluntary contributions may not exceed the amount allowed by Federal and State laws and regulations. An employee who chooses to make contributions into their Employee Paid Account will be fully vested in their account immediately. Employees may add or increase an Employee Paid Account or discontinue an Employee Paid Account at any time.
6. In the event of considering new options for retirement benefits, a USD #457 Retirement Plan Oversight Committee, made up of representatives from the BOE, administration, GCEA and classified staff, will need to be assembled to select and maintain a group of investment options, including Conservative, Moderate and Aggressive investment tracks. Employees must select from these options for all investments into their Retirement Plan Portfolio. Separate investment options may be made for an employee's Employer Paid Account and their Employee Paid Account.
NOTE: This plan in no way limits additional voluntary contributions into separate qualified retirement accounts with qualified providers up to the amount(s) allowed by State and Federal laws and regulations.
7. An employee may access the vested portion of their Employer Paid Account upon termination of their employment contract with USD #457.
8. Employer and Employee Paid contributions and growth thereon will be considered taxable income upon distribution from the plan. Further, a penalty for early withdrawal may apply for distributions made prior to the age allowed by State and Federal laws and regulations.
9. If any provision of this plan is determined to be in violation of Federal or State laws or regulations, then the entire plan shall immediately terminate and shall be of no further force or effect unless re-adopted by the board of Education of USD #457.

Section E. Kansas Public Employees Retirement System (KPERs)

Any employee whose employment is not seasonal or temporary and whose employment requires at least 630 hours of work per year is required to participate in KPERs. This system requires a deduction of 6% from the employee's gross salary. KPERs provides members with disability and term life insurance benefits. In addition, KPERs members may be eligible for future retirement benefits, or have the option of withdrawing contributions upon termination of employment. For more information on KPERs, employees may contact the **Employee Services Coordinator** or go online to kpers.org.

Section F. Workers Compensation

If an employee is injured while performing job related duties, the district shall pay compensation to the employee in accordance with the provisions of the Kansas Workers Compensation Act, K.S.A. 45-501

et seq., as from time to time amended. In order to provide such benefits to the employees the District is authorized to negotiate for and obtain an insurance policy in the name of the school district.

Except for medical services and treatment as hereafter provided, the District shall not be liable for any other compensation in respect of any injury which does not disable the employee for a period of at least one week from earning full wages at the work at which the employee is employed.

Considering payment of compensation benefits, no employee shall be entitled to receive an amount greater than their average daily rate of pay. If an injured employee elects to receive benefits under the District's emergency leave policy, the amount of compensation they are entitled to shall be reduced by the amount of workers compensation benefits paid for the same period.

Medical services and treatment will be provided in accordance with the Kansas Workers Compensation Act. The employee must be clocked out during the time they are receiving medical service and treatment and can use available emergency leave or take a deduction in pay for this time.

- A. Minor injuries during the school year should be reported to and treated by the school nurse.
- B. Other personal injuries or illnesses not treatable by the school nurse shall be referred to the District's appointed physician. Said physician shall evaluate and treat as necessary, or shall make a referral to another physician for further care. The school district appointed physician's findings shall be made available to both USD 457 and the company or agent issuing the policy of workers' compensation insurance for the District.
- C. The school district shall not be liable for the payment or reimbursement of any charges for medical services or treatment not provided in accordance with this policy.

The District shall appoint a physician of record. The name and address of the school district appointed physician can be accessed through the Benefits Specialist.

It is the responsibility of each employee to report all personal injury or illness by accident arising out of and in the course of the employment.

- A. Notification of the occurrence of an accident shall be given by the employee to the employee's immediate supervisor upon the occurrence of such accident, or within 24 hours.
- B. The personal injury or illness by accident shall be reported to the Benefits Specialist as soon as practical after the occurrence of the accident, but in no event later than 24 hours after the incident occurs.
- C. The employee's supervisor shall be responsible for completing a written report form with respect to any such reported accident or injury. If applicable, the Benefits Specialist shall file a copy of such report with the company or agent issuing the policy of worker's compensation issuance for the district, and with the office of the Kansas Workers Compensation Director.

Section G. Deductions

In addition to supplemental insurances, payroll deductions are allowed for the following:

Garden City YMCA
Garden City Recreation Commission Wellness Center
Buffalo Dunes Golf Course
Garden City Teacher's Federal Credit Union
United Way

Garden City Education Foundation
Garden City Community College Scholarship Funds for various schools
GCEA Dues
SAM's

All salary deductions, other than those regulated by the federal or state government, will be deducted only upon written approval of the employee.

Deductions are normally withheld in equal installments, with the number of installments being determined by the number of pay periods included in the employee's job description. Deductions for all part-time employees will be pro-rated on their September through May checks, other than Health/Dental which will be pro-rated on their September to June checks.

The Payroll Department shall be notified by the first of each month of the implementation or termination of a salary deduction by an individual.

ARTICLE VIII. RESIGNATIONS

If any employee wishes to resign their position with the school district, they should provide their supervisor with at least two weeks' notice. The employee should prepare a written letter of resignation clearly stating the final day of work, sign it and give it to their supervisor. The supervisor should forward a copy of the signed resignation to the Personnel Department.

Upon resignation, an employee's benefits will terminate as follows:

Health/Dental Insurance – If an employee is compensated for more than 50% of the month in which they resign, their coverage will end the last day of the following month. If an employee is compensated for less than 50% of the month in which they resign, their coverage will end on the last day of the month that includes their resignation.

Supplemental Insurance – coverage will end at the end of the month in which the employee resigns.

Employees who do not return to work the following school year and work a minimum of 15 duty days will have their benefits terminated as if their resignation was effective on their last duty day of the previous school year.

When an employee terminates employment with USD 457, they must submit all keys to their supervisor. Their ID card must be turned in to their supervisor or the Personnel Department and the employee must sign the Employee Termination Exit Checklist form with the Benefits Specialist before the final paycheck is issued.

Employees that have resigned or retired from their positions may not take any paid time off within the last two weeks of employment. Extenuating circumstances may allow for an exception but must be approved by the Employee Services Coordinator.

Employees who leave the district receive a confidential District Exit Survey to complete and return to the Personnel Office.

Attendance/Failure to Report to Work

USD 457 expects employees to report for work on time, for every scheduled work day. An employee who is unable to report to work at the designated time is required to notify their supervisor of the absence or the reason for it. An employee who fails to report to work for three (3) consecutive

scheduled work days without notifying their supervisor of the absence or reason for it will be considered as having voluntarily resigned after the third day the employee fails to report to work.

ARTICLE IX. STAFF HEALTH AND SAFETY

1. Personnel of USD 457 will observe the guidelines set forth in the following statute taken from chapter laws governing the authority of all schools.

Section 1. K.S.A. 72-5213.

(a) Every Board of education shall require all persons, whether employees of the school district or under the supervision thereof, who come in regular contact with the pupils of the school district, to submit a certification of health signed by a person licensed to practice medicine and surgery under the laws of any state on a form prescribed by the secretary of health and environment. The certification shall include a statement that there is no evidence of physical condition that would conflict with the health, safety, or welfare of the pupils; and that freedom from tuberculosis has been established by chest x-ray or negative tuberculin skin test. If at any time there is reasonable cause to believe that such person is suffering from an illness detrimental to the health of the pupils, the school board may require new certification of health.

(b) Upon presentation of a signed statement that he or she is an adherent of a religious denomination whose religious teachings are opposed to physical examination, any person, to whom provisions of subsection (a) apply, shall be permitted to submit, as an alternative to the certification of health required under subsection (a), certification signed by a person licensed to practice medicine and surgery under the laws of any state that freedom from tuberculosis has been established.

2. All employees, including bus drivers, are required to submit proof of a physical examination within the first 30 days of employment. The cost of initial examinations shall be paid by the employee. A completed Certificate of Health form must be received by the Personnel Office prior to the beginning date of employment.
3. Bus drivers are required to have a DOT physical checkup as prescribed by state regulations. The cost for DOT examinations required beyond the initial physical examination will be paid by the district.
4. TB tests and physical exams must be no older than one calendar year from hire date.
5. The initial and continued employment of those subject to physical examinations is contingent upon verification of good health as shown by the examination, and the judgment of the examining physician or other competent medical authority.
6. A person who has a health deficiency, which can and should be corrected in order to be fully effective, shall be expected to obtain those corrections. Unless evidence of removal or normal progress toward removal of health deficiencies is shown, the person shall not be considered for hiring or continued employment.
7. Continued Health Appraisal
 - a. If, in the opinion of a school principal or other administrator, an employee's health becomes such that it may affect adversely the health or safety of others, or if it becomes such that the employee is unable to render satisfactory service in the position, or if it becomes such that the educational opportunities of children are impaired or endangered by the employee, the employee's condition

shall be reported to the Superintendent of Schools or the Superintendent's representative to have a physical examination by a physician selected by the school administration. The cost of this examination will be borne by the Board of Education

- b. The report of this examination will be furnished by the examining physician to the Personnel Office. The report shall include not only objective evidence, but also a clear value judgment concerning the physical condition of the employee.
- c. The Superintendent or the Superintendent's representative shall prepare a recommendation consistent with the medical findings and judgment, and shall present it to the Board for such action as the Board may deem appropriate.
- d. If an employee is reported to have health difficulties, which could and should be corrected in order for the employee to be fully effective in the position, the employee will be expected to secure those corrections. In such a case the employee will give evidence of having commenced corrective procedures and will make an appointment, at the employee's own expense, for a reexamination within a period of six months.

ARTICLE X. GRIEVANCE PROCEDURE

DEFINITION

A grievance must be presented in writing on the appropriate Grievance Initiation and Report and signed by the employee claiming a violation of the policies or regulations of the district. No employee may file a grievance on behalf of another employee. Only grievances filed by an employee directly affected by an alleged violation may be processed through the grievance procedure.

A "grievance" shall mean a complaint by a classified employee involving the interpretation or application of any of the district policies as adopted, except that the term grievance shall not apply to any matter in which:

- 1. A method of review prescribed by law, or by a rule or regulation of the State Board of Education having the force and effect of law; or
- 2. The Board of Education is without authority to act.

ADJUSTMENT OF GRIEVANCES

Grievances of classified employees shall be presented and adjusted in the following manner:

STEP 1

Any classified employee may present a grievance in writing to their immediate supervisor within five working days following knowledge of the act or condition which is the basis of the complaint. The immediate supervisor will acknowledge receipt of the grievance in writing and shall confer with the employee with a view to arriving at a mutually satisfactory resolution of the complaint in keeping with policy and regulation. This meeting must be held in no less than five working days after the supervisor receives the grievance. The supervisor will communicate a decision in writing to the aggrieved employee within five working days after the conference.

STEP 2

If the grievance is not resolved at Step 1, the aggrieved employee may appeal within five working days after receiving the decision at Step 1, to the staff person administratively responsible for the program in which the employee is employed. The appeal shall be in writing and shall set forth specifically the act or condition and the grounds on which the grievance is based. The staff person will acknowledge receipt of the grievance, in writing, and shall confer with the employee and the

employee's immediate supervisor with a view to arriving at a mutually satisfactory resolution of the complaint. At the conference, the employee must appear personally and may be represented by an outside representative, or by any classified employee of their choice who is employed by the district. This meeting must be held in no less than five working days after the appeal is received by the staff person administratively responsible for the program. The staff person will communicate a decision, in writing, to the aggrieved employee within five working days after the conference.

STEP 3

If the grievance is not resolved at Step 2, the employee may appeal from the decision at Step 2, to the Assistant Superintendent. The appeal shall be in writing and shall set forth specifically the reason for the appeal from the decision at Step 2, and must be filed within five working days after receiving the decision at Step 2. The Assistant Superintendent will acknowledge receipt of the grievance, in writing, and shall confer with the employee. At the conference the employee must appear personally and may be represented by an outside representative, or by any classified employee of their choice who is employed by the district. This meeting must be held in no less than five working days after the appeal is received by the Assistant Superintendent. The Assistant Superintendent will communicate a decision, in writing, to the aggrieved employee within five working days after the conference.

STEP 4

If the grievance is not resolved at Step 3, the aggrieved employee may within five working days, after receiving the decision of the Assistant Superintendent, appeal the decision to the Superintendent of Schools. The appeal shall be in writing and set forth specifically the reason for the appeal from the decision at Step 3. The Superintendent will acknowledge receipt of the grievance, in writing, and the Superintendent, or designed, will confer with the employee with a view to arriving at mutually satisfactory resolution of the complaint. At the conference, the employee must appear personally and may be represented by an outside representative, or by any classified employee of their choice who is employed by the district. This meeting must be held within ten working days after the Superintendent receives the appeal. The Superintendent will communicate a decision, in writing, to the employee within ten working days after the conference. The Superintendent's decision on the matter is final. No further appeal is allowed.

SPECIAL TYPES OF GRIEVANCES AND COMPLAINTS

Grievances arising from the action of administrators other than the immediate supervisor may be initiated with and processed by such administrators in accordance with Step 2 or 3 of this grievance procedure.

TIME LIMITS

Failure in any step of this procedure to communicate the decision on a grievance within the specified time shall permit the aggrieved employee to proceed to the next step.

Failure at any step of this procedure to appeal a grievance to the next step within the time specified shall be deemed to be acceptance of the decision rendered at that step. The time limit specified in any step of this procedure may be extended in any specific instance by mutual agreement.

The district will not discharge, demote, or in any way discipline any employee because of the filing of a grievance in itself.

ARTICLE XI. EMPLOYEE APPRAISAL PROCEDURES

Section A. Evaluation of Classified Staff

1. The Board of Education asks that all employees be committed to an ongoing evaluation of their performances in order that continual self-improvement may take place. The Board believes there is room for self-improvement through additional training, through in-service programs or as a result of other constructive efforts.
2. An evaluation of all personnel should be made immediately upon completion of a probationary period and at least one evaluation of all employees should be completed on an annual basis.
3. In the event that an employee's performance is determined to be unsatisfactory or substandard, the necessary form of corrective discipline may be administered.
4. The responsible person for evaluation shall be as follows:
 - a. Administrative Support Staff – Superintendent, Deputy Superintendent, Assistant Superintendent, **Chief HR Officer**, Director, Coordinator or Principal.
 - b. Business Support Staff – Chief Financial Officer ~~or Employee Services Coordinator~~
 - c. Technology Support Staff – ~~Assistant Superintendent~~, Director of Technology
 - d. Instructional Support Staff – Director, Coordinator, Principal
 - e. Maintenance & Operations Staff – Director of Plant Facilities
 - f. Nutritional Services Staff – Director of Nutrition Services
 - g. Transportation Services Staff – Director of Transportation

In situations where the employee is located in a school building, but is evaluated by an administrator other than the school principal, the evaluating administrator should solicit input from the school principal for the evaluation.

5. Annual evaluations will determine if employment is recommended for the following school year.
6. Annual evaluations should begin no earlier than March 1 and should be filed in the Personnel Office no later than April 15 of each school year.

Section B. Disciplinary Procedures

If, in the course of the ongoing evaluation of the staff by the supervisor, an employee's performance is judged to be unacceptable or substandard, one of the procedures described below may be applied.

1. **INFORMAL DISCIPLINE** – this type of disciplinary action may be used in cases when infractions are slight and do not warrant formal actions. The penalties vary in these instances; the supervisor may deny certain privileges.
2. **FORMAL DISCIPLINE** – As the title indicated, formal discipline is prompted by outright violation of district rules or regulations. These offenses and their appropriate punishment are handled according to the seriousness of the offense and the employee's past record. The offenses may result in any of the following actions:
 - a. **Oral or Written Reprimand** – This is the most frequently used and the mildest form of formal discipline. It is a warning, which at the same time tries to get at the root of the problem and overcome the source of difficulty. When the supervisor gives an oral reprimand, he makes a brief note of it for his own future reference and guidance. When he issues a written reprimand, he furnishes the employee with one copy and places another in the employee's personnel folder. It becomes a matter of record.

- b. **Suspension With Pay** – The supervisor, with approval of the Superintendent or his designee, may suspend an employee with pay for an indefinite period. This action is taken when district officials determine time is needed to investigate charges against an employee, or while the dismissal procedures are being implemented.
- c. **Suspension Without Pay** – This form of discipline is utilized in severe cases. Suspension without pay is authorized only after the employee has had the opportunity to have a conference with the supervisor to discuss the problem. After the conference, the supervisor, with the approval of the Superintendent or his designee may suspend an employee.
- d. **Demotion** – This penalty places the employee in a position of lower responsibility and pay. If a new employee is reassigned because they are not qualified for their first job, this is not considered a disciplinary matter. If, however, the employee is capable of performing their job, yet fails to improve after warning and constructive criticism, they may be demoted.
- e. **Immediate Dismissal** – An employee may be immediately dismissed from employment, if deemed to be in the best interest of the District and/or safety and welfare of its students, for a violation of policy, or for any other reason deemed appropriate by the District.

An employee can be notified of their immediate dismissal by the employee's supervisor or other district official.

In the case of an immediate dismissal, an employee may request a hearing, by submitting a written request to the Assistant Superintendent, within 5 business days of the date of notice of dismissal. The hearing, which shall be conducted within a reasonable period of time following the written request, shall include the employee's supervisor and the Assistant Superintendent. The Assistant Superintendent shall act as hearing officer. The purpose of the hearing shall be to discuss the reason(s) for dismissal and any mitigating circumstances which the employee requests be considered by the District. Counsel or a representative of their choice may represent the employee.

The hearing officer shall render a decision within 10 business days of the date of the hearing concerning whether a dismissal recommendation should be submitted to the Board for final approval, or whether the employee would be reinstated as an employee of the District.

- f. **Dismissal Based on Job Performance and Work Habits** – When an employee's job performance and/or work habits have become poor or unsatisfactory, the supervisor will schedule an evaluation conference with the employee to identify areas that require improvement. The areas of needed improvement would be identified, in writing, and a copy be given to the employee within 5 working days of the evaluation conference. The supervisor should offer suggestions to the employee and help direct the employee toward improvement.

An employee whose job performance and/or work habits are determined to be poor or unsatisfactory may be placed on probation immediately following the evaluation conference with the supervisor. The probation period should not exceed ninety **60** calendar days and no employee should be dismissed earlier than 15 working days following the evaluation conference. If there is more than one evaluation conference, the 15 working days apply only to the first conference. The supervisor will make every effort to work with the employee during the probationary period to afford the employee an opportunity to improve.

Employees being placed on or removed from probation will be notified in writing and copies sent to the **Chief HR Officer** ~~Assistant Superintendent~~.

Section C. Employee Probation (Outside Initial Employment Probation)

An employee may be placed on probation for a period not to exceed 60 calendar days for:

1. Poor or unsatisfactory performance of their duties at any time.
2. Transfer from one department to another (at the prerogative of the supervisor).

If the employee's work during this probationary period becomes satisfactory, the employee will be removed from probation. An employee will not lose longevity benefits or have a reduction in salary during the probationary period. The employee shall be able to use earned leave during this time.

ARTICLE XII. EMERGENCY CLOSINGS

At certain times natural events and conditions beyond the control of school personnel will cause the closing of one or more of the schools. When such a decision must be made, both the determination and the announcement shall be made by the Superintendent of Schools or the person acting on his behalf.

If the Superintendent or the person who is acting on his behalf cannot be reached in time to avert injury to person or property, the principal of the school or the acting principal should take such action as he or she might deem necessary under the circumstances.

SEVERE WEATHER

In the case of severe weather which causes the closing of one or more of the attendance centers, the following procedures will be in effect. It should be observed, however, that the Board authorizes the administration to make those decisions, which are necessary in order to cover extreme emergency situations, which are not provided in this policy.

In the event that a school or all schools in the district are closed during the school day, a reasonable attempt will be made to notify parents one hour prior to the school closing.

If a decision is made to close a school or all schools in the district prior to the start of the school day, students, parents and staff will be notified through the media.

DISMISSAL BECAUSE OF SNOW

A. When school is dismissed for the entire day because of snow:

1. All classified full-time employees (who work 261 days per year) **will work regular hours.**
 - a. If an employee is unable to report to work because of the bad weather, the employee needs to contact their supervisor.
 - b. If an employee is unable to report to work **due to hazardous weather conditions**, he or she may:
 - i. Use an emergency leave day
 - ii. Use a personal day.
 - iii. Use a vacation day.
 - c. If the Superintendent determines that all employees should go home early or report to work late because of bad weather, the time will not need to be made up.
 - d. **Employees must be actively working or using paid time off the day prior to and the day after the designated snow day in order to use a Snow Day.**

2. All other classified employees have the following options:
 - a. Report to work, with the permission of the administrative supervisor. The employee is to report to work only if there is productive work the employee could be doing.
 - b. Make up the time during the same week as the missed day, with the permission of the administrative supervisor. If the time is to be made up, the arrangements need to be made between the administrative supervisor and the employee and the time must be made up in increments of thirty minutes or more.
 - c. Use an emergency leave day.
 - d. Use a personal day.
 - e. Use one of the three non-duty snow days designated for this purpose. Employees must be actively working or using paid time off the day prior to and the day after the designated snow day in order to use a Snow Day.
- B. When school is dismissed for the entire day because of snow and if because of using the snow day, an additional day of school will be held at the end of the year:
 1. All full-time employees (who work 261 days per year) **will work** regular hours.
 2. All other classified employees will not report to work and will not be paid for that day. The building administrators need to report to school for one hour in case any students show up for school. One additional day will be added to the employee's calendar and the employee will be paid for that day when worked.
- C. When school is dismissed on or after 12:00 p.m. because of snow:
 1. All full-time employees (who work 261 days per year) and all administrators will work regular hours. If the Superintendent determines that the employees should go home early, the time will not need to be made up.
 2. All other employees will be allowed to leave when all the students have left the building. The time will not need to be made up. The principal may reserve the right to request employees to help supervise children who cannot get home immediately. Each school should have a procedure for making sure children have a place to go when school is dismissed early. The procedure may include having the child to return to school if no one is home.
 3. Employees who leave before the dismissal or choose not to report to work may use a personal day or be deducted for the time missed.
- D. When school is dismissed before 12:00 p.m., because of snow:
 1. The procedures for early dismissal will be followed for the morning (see C).
 2. The procedures for no school all day will be followed for the afternoon (see A).
 3. Employees who leave before the dismissal or choose not to report to work may only use a personal day or be deducted for the time missed.
- E. When school starts one or two hours late because of snow:

All employees will report to work at regular duty time. The exception will be employees who live outside the city limits. They will be required to call and report an estimated time of safe arrival. This arrival time must be prior to the late start time.

“Snow days” are included in the annual calendar. No school will make up days missed for hazardous weather until a particular school has missed more days than the “snow days” provided in the calendar. The Board of Education will determine when excessive missed days are to be made up.

ARTICLE XIII. PROFESSIONAL DRESS

The Board of Education encourages appropriate dress that adheres to commonly accepted business casual standards of grooming and dress for all district employees. Clothing should meet the minimum standard of business casual (examples below):

1. Men - slacks and collared shirt; turtlenecks/mock; sweaters; sport coat
2. Women - slacks and modest blouse or top; skirts; dresses; dress shorts/suits
3. No t-shirts; no blue jeans; no sweatshirts; no spandex; no athletic/jogging suits
4. Shoes – dress shoes; loafers; dress sandals (no athletic shoes)

An employee who is uncertain about whether a clothing item qualifies as business casual should ask their supervisor. An employee may request an exception due to health considerations from their supervisor.

Appropriate professional dress demonstrates a high regard for education, and will present an image consistent with job responsibilities and community values and expectations. Appropriate professional dress reflects a shared vision of the district's staff as motivated professionals working toward a common mission. In addition, it strengthens the community's perception toward the district, public schools and the teaching profession.

Professional appearance of staff members includes dress, accessories, body adornments, and grooming. Clothing, shoes and accessories are clean, in good repair and promote a working and learning environment that is free from unnecessary disruption.

Professional dress is appropriate during the workday and anytime employees attend work-related activities. Attire should be appropriate for the educational activity to be engaged in that day and should also be appropriate for the role of the employee in each activity (ex: Nutrition Services, Plant Facilities and Transportation employees who may wear uniforms or clothing more appropriate for the type of job they are performing). Clothing should convey a professional image by being coordinated, modest and appropriate for a classroom or educational setting.

Employees may wear blue jeans only on the following occasions (athletic shoes and a school shirt may also be worn on these occasions). The following does not apply to employees at the ESC Building:

- Work days
- In-service days for USD 457 employees only
- Travel time to and from events outside the District
- Special days designated by the building principal
- Every Friday, with the exception of days designated for parent/teacher conferences and with the exception of other special occasions approved by the Superintendent

ARTICLE XIV. REIMBURSEMENT FOR MILEAGE AND CELL PHONE

Section A. Mileage Between Schools

"Adults enrolled for care and training" means (a) students enrolled in school classes above the 12th grade level, and (b) all persons 21 years or older receiving care and training as enrollees of institutions.
2. Afterschool Snack Program: The National School Lunch Program (NSLP) offers cash reimbursement to help schools serve snacks to children after their regular school day ends.
3. At-Risk Afterschool Meals: The At-Risk Afterschool Meals component of the Child and Adult Care Food Program (CACFP) offers Federal funding to afterschool programs that serve a meal or snack to children in low-income areas.
4. Categorically Eligible Child: A child who is eligible for free meal benefits because they, or any household member, receive benefits under Assistance Programs or the child is designated as a member of the Other Source Categorically Eligible Programs. An individual child's eligibility under any of the Other Source Categorically Eligible Programs does not convey to other children in the household. There are two ways a child may be classified as categorically eligible:
 - a) Through participation in Assistance Programs- Food Assistance (FA), Temporary Assistance to Children (TAF), or the Food Distribution Program on Indian Reservations (FDPIR)- (a child or any member of the household, receives benefits as determined through direct certification or an application with appropriate case numbers); or
 - b) Through Other Source Categorically Eligible designation:
 - A child enrolled in a Head Start or Even Start program on the basis of meeting that program's low-income criteria
 - A homeless child as determined by the Sponsor's homeless liaison or by the director of a homeless shelter
 - A migrant child as determined by the State
 - A runaway child who is receiving assistance from a program under the Runaway and Homeless Youth Act and is identified by the local educational liaison
 - A foster child who is under the legal responsibility of a foster care agency or court
5. Child: (a) A student of high school grade or under as determined by the State, who is enrolled in an educational unit of high school grade or under as described in paragraphs (a) and (b) of the definition of "school", including students who are mentally or physically handicapped as defined by the State and who are participating in a school program established for the mentally or physically disabled; or (b) a person under 21 chronological years of age who is enrolled in an institution or center as described in paragraph (c) of the definition of "school".
6. Child Nutrition Programs (CNP): The following Federal CNPs are administered at the State-level by KSDE: National School Lunch Program, School Breakfast Program, Special Milk Program, Cash-in-lieu-of Commodities, Child and Adult Care Food Program, Fresh Fruit and Vegetable Program, Seamless Summer, and Summer Food Service Program. The Afterschool Snack Program is a provision of the National School Lunch Program. At-Risk Afterschool Meals (snack and/or supper) is a provision of the Child and Adult Care Food Program.
7. Community Eligibility Provision (CEP): An alternative to household applications for free and reduced price meals in Sponsors and schools in high poverty areas. To be eligible, sponsors and/or schools must meet a minimum level (40%) of identified students for free meals in the year prior to implementing CEP; agree to serve free lunches and breakfasts to all students; not collect free and reduced price applications from households in participating schools and agree to cover with non-Federal funds any costs of providing free meals to all students above amounts provided in Federal assistance. Reimbursement is based on claiming percentages derived from the identified student percentage.

8. Competitive Food: All food and beverages other than meals reimbursed under programs authorized by the Richard B. Russell National School Lunch Act and the Child Nutrition Act of 1966 available for sale to students on the School Campus during the School Day. School Day means, for the purpose of competitive food standards implementation, the period from the midnight before, to 30 minutes after the end of the official school day. School Campus means, for the purpose of competitive food standards implementation, all areas of the property under jurisdiction of the school that are accessible to students during the school day.
9. DCF: Department of Children and Families is the State agency (formerly SRS) that administers the Food Assistance Program (previously known as Food Stamps) and Temporary Assistance to Families (TAF).
10. Direct Certification: The process of determining children eligible for free benefits based on documentation obtained directly from the appropriate State or local agency or other individual authorized to certify that the children are members of a household receiving Food Assistance or assistance under FDPIR or TAF. Children certified as foster children, homeless, migrant, runaway or income-eligible for Head Start/Even Start are also directly certified.
11. FDPIR: Food Distribution Program on Indian Reservations.
12. Federal fiscal year: A period of twelve months beginning with October 1 of any calendar year and ending with September 30 of the following calendar year.
13. Food service area: The cafeteria or any other areas in the school where reimbursable meals are prepared, served, and/or eaten.
14. Foster Child: A child whose care and placement is the responsibility of an agency that administers a State plan under part B or E of title IV of the Social Security Act, or a foster child who a court has placed with a caretaker household. These provisions only apply to children formally placed in foster care by a State child welfare agency or a court. They do not apply to informal arrangements such as caretaker arrangements or permanent guardianship placements that may exist outside of or as a result of State or court-based systems. Whether placed by the State child welfare agency or a court, in order for a child to be considered categorically eligible for free meals, the state must retain legal custody of the child. A foster child is categorically eligible for free meals without further application. For purposes of determining eligibility for school meals for other children in the household, the foster child is considered a member of the household in which they reside. The foster child's income is only considered when the foster family applies for meal benefits for the non-foster children in the household.
15. Free meal: A meal served in the National School Lunch Program or School Breakfast Program to a child eligible for benefits under 7 CFR Part 245. Neither the child nor any member of the household pays or is required to work in the school or in the school's food service.

The free guidelines are at or below 130 percent of the Federal poverty guidelines and the reduced price guidelines are between 130 and at or below 185 percent of the Federal poverty guidelines.
22. Independent Review of Applications: Sponsors that demonstrate high levels of, or a high risk for administrative error associated with certification, verification and other administrative processes during an administrative review will be required to conduct an independent review of initial eligibility determinations for free and reduced price school meal applications for accuracy prior to notifying households of eligibility.
23. Local Educational Agency (LEA):
 - The public board of education or other public or private nonprofit authority legally constituted within a State for the administrative control of public or nonprofit schools in a political subdivision of a State.

31. Overt identification: Any action that may result in a child being recognized as potentially eligible to receive or certified for free or reduced price meals or free milk. Sponsors must assure that a child's eligibility status is not disclosed at any point in the process of providing free or reduced meals, including notification of the availability of free or reduced price benefits; certification and notification of eligibility; provision of meals in the cafeteria; the point of service; and through method of payment.
32. Point-of-service: The point in the food service operation where a determination can accurately be made that a reimbursable paid, reduced price or free meal/snack has been served to an eligible child. The Sponsor agrees to:

1. Comply with all provisions of the following that are applicable to the conduct of any Federal Child Nutrition Program in which the Sponsor participates: Chapter 7 Code of Federal Regulations (7CFR) Parts 210, 215, 220, 225, 226, 240, 245, and 250; 7CFR Part 3015; 7CFR Part 3016 or 3019 as applicable; Chapter 2 Code of Federal Regulations (2CFR) Part 200 as applicable; instructions and guidance issued by USDA or KSDE; statutes of the State of Kansas; regulations of the Kansas State Board of Education; and provisions of this agreement.
2. Certify that each school, camp or child care institution, for which a Site Application is submitted, is nonprofit and exempt from Federal income tax under the Internal Revenue Code as amended.
3. Add, modify or inactivate a site by notifying KSDE of changes needed on the Site Application form. Additions or inactivation of sites may be made only at the beginning of a calendar month.
4. Designate an authorized representative who is fully empowered and has responsibility to:
 - enter into any agreement with KSDE;
 - review and analyze meal/snack/milk counts to ensure accuracy; and
 - prepare and sign program documents, program reports, and reimbursement claims pertaining to implementation and operation of the programs.If the authorized representative changes, the Sponsor shall promptly report the change to KSDE.
5. No exempt fundraiser foods or beverages may be sold in competition with school meals in the food service area during the meal service.
6. Implement the Smart Snacks in School Nutrition Standards for competitive foods sold on the school campus during the school day and comply with the exempt fundraiser limit set by the Kansas State Board of Education. There are no frequency limits on fundraisers during which food items that meet the nutrition standards are sold; nor are there any limits on non-food fundraiser activities.
7. Assure that proceeds from the sale of all competitive foods accrue to the food service fund, to the school, or to approved student organizations.
8. Provide students adequate time to eat.
 - Allow a minimum of 15 minutes from the time a student receives a lunch until he/she is required to leave the food service area. KSDE recommends allowing at least 25 minutes for students to get lunch, eat and pass to class.
 - Allow a minimum of 10 minutes from the time a student receives a breakfast until he/she is required to leave the food service area. KSDE recommends allowing at least 20 minutes for students to get breakfast, eat and pass to class. For schools electing to offer breakfast via an innovative breakfast delivery model the amount of time required can be reduced if students are permitted to eat in the classroom or other common areas.
 - Note: Sponsors are encouraged to adopt policy allowing longer meal
 - Allow students time to wash their hands before eating and to clean up after eating.
9. Maintain necessary facilities for storing, preparing, and serving food.

12. Require all persons (employees or other persons under the supervision of the Sponsor) who come in regular contact with students to submit a health certification signed by a person licensed in any state to practice medicine or surgery. The certificate must indicate that such person is free from a condition that would conflict with the health, safety, or welfare of the students and that freedom from TB has been established by a chest X-ray or negative skin test. Additional certification may be required whenever the Sponsor has reason to believe that such a person is suffering from an illness that might be detrimental to the health of students.
13. If a contract is made with a food service management company or other commercial enterprise for the preparation or delivery of food, the Sponsor shall maintain responsibility to KSDE for compliance with all statutes, rules, and regulations of the program and any revocations, amendments, or supplements thereto.
14. Provide timely and complete responses to requests from KSDE for corrective action or required information. If the Sponsor has not responded to KSDE's satisfaction within 30 days of the due date, the Sponsor's reimbursement may be withheld until such time as the Sponsor complies with the request.
15. Require cooperation with the Department of Agriculture officials and contractors conducting evaluation and research.
16. Certify that required training is completed. Participate in Administrative Training (which includes mandatory annual Civil Rights training) as offered by KSDE, Child Nutrition & Wellness. Maintain current food safety training for all child nutrition personnel.

18. Sponsors are required by NSLP regulations (7 Code of Federal Regulations 210.12(d)(2)) to conduct annual outreach to households about free meals or snacks available from SFSP sites during the summer. The outreach information must be provided to households prior to the end of each school year, so this information may *not* be distributed via the annual school meals application packet. The information may be distributed prior to the end of each school year by any means normally used to communicate with households, for example email or website.
19. Sponsors that have one or more sites that offer the SBP are required by federal program regulations (7 Code of Federal Regulations 210.12(d)(1)) to inform families about the availability of the breakfast program. This information must be sent to households prior to or at the beginning of each school year, so it may be included in the annual school meals application packet. In addition, schools should send reminders regarding the availability of the SBP multiple times throughout the school year. Schools can provide reminders to children through their public address systems in schools or through means normally used to communicate with the households of enrolled children. Other acceptable outreach activities may include developing or disseminating printed or electronic material to families and school children. For example, information about the SBP should be posted on the school's website.

E. Financial Management

The Sponsor agrees to:

1. Establish a fund called the "Food Service Fund," consisting of all money deposited therein or transferred thereto according to law.
2. Maintain a positive cash balance in the Food Service Fund.

8. Limit net cash resources to an amount that does not exceed three months average expenditures for the Sponsor's nonprofit food service program. In the event that such resources exceed three months average expenditures for the Sponsor's nonprofit food service program, KSDE may require the Sponsor to reduce student meal prices, improve food quality, or take other actions to improve the nonprofit food service program. In the absence of any such action, KSDE shall adjust reimbursement rates paid to the Sponsor.
9. Establish a Meal Charge Policy approved by the local board of education and upload in KN-CLAIM as part of the annual program renewal process. Sponsors must make reasonable efforts to collect delinquent debt within a reasonable timeframe and determine the process and timeframe for collecting delinquent debt and include in the written policy. Sponsors must also determine when delinquent debt is uncollectable and will be considered bad debt, transfer funds for bad debt to the food service account from non-federal sources, assume costs of on-going collection fees and legal fees, if applicable, and maintain records related to bad debt (SP 46-2016).
10. The local Meal Charge Policy must be communicated in writing to all households at the start of the school year and to families that transfer in during the school year. Sponsors must communicate to all staff responsible for enforcing any aspect of the policy and maintain records related to the meal charge policy including the written policy, and documentation of the methods used to communicate the policy to households and to staff responsible for policy enforcement. (SP 46-2016).
11. Ensure sufficient funds are provided to the nonprofit school food service account for meals served to students not eligible for free or reduced price meals. There are two ways to meet this requirement: either through the prices charged for "paid" meals or through other non-Federal sources provided to the nonprofit school food service account (7 CFR 210.14(e)).

F. Purchasing

The Sponsor agrees to:

1. Comply with the "Buy American" provision of Section 104(d) of the William F. Goodling Child Nutrition Reauthorization Act of 1998 and regulations implementing the law's requirements as follows: To the maximum extent practicable, the Sponsor shall purchase domestic commodities or products for use in meals served under the National School Lunch Program and the School Breakfast Program. Section 12(n) of the National School Lunch Act (NSLA) defines "domestic commodity or product" as an agricultural commodity that is produced in the United States and a food product that is processed in the United States using substantial agricultural commodities that are produced in the United States. "Substantial" means that over 51 percent of the final processed product consists of agricultural commodities that were grown domestically. Products from Guam, American Samoa, Virgin Islands, Puerto Rico, and the Northern Mariana Islands are allowed under this provision as territories of the United States.
2. When nonprofit food service account funds are used, procurement transactions for food products on the commercial market must comply with the Buy American provision (7 CFR part 210.21(d)), whether food products are purchased by Sponsors or entities that are purchasing on their behalf.
3. The Buy American provision must be included in all product specifications, bid solicitations, requests for proposals, contracts, purchase orders, and other procurement documents issued and applies to all money expended from the Sponsor's Food Service Fund. Sponsors are required by 2 CFR 200.318(b) to monitor contractor performance to ensure compliance with all contractual requirements including the Buy American provision.

4. Use Cash-in-lieu-of Commodities only to obtain foods for use during the State fiscal year in which the funds are made available. Cash-in-lieu-of Commodities is to be used only for the food service programs of those schools of the Sponsor participating in the lunch and breakfast programs.
5. Purchase foods designated as plentiful by KSDE or USDA in the largest quantities as may be efficiently utilized in the food service program.
6. Maintain written standards of conduct for staff awarding and administering the contract. No employee, officer or agent shall participate in selection, or in the award or administration of a contract supported by Federal funds if a conflict of interest, real or apparent, would be involved. The officers, employees or agents will neither solicit nor accept gratuities, favors or anything of monetary value from contractors or potential contractors.
7. Sponsors may use geographic preference when purchasing unprocessed locally grown and locally raised agricultural products.
8. Follow Federal (2 CFR 200, 7CFR 3015), State or local purchasing requirements, whichever are more stringent.
9. A procurement plan and written standards of conduct must be uploaded into KN-CLAIM as a part of Program Renewal and reviewed by KSDE annually.

G. Accountability, Collection Procedures and Reimbursement Claims

The Sponsor agrees that:

1. The procedure(s) for each school to collect from students who pay for their meals and the point-of-service meal accountability system that ensures daily accuracy of meal counts by category (i.e., paid, reduced price and free) will be implemented as specified on each Site Application of this agreement and approved by KSDE and will prevent the overt identification of the children receiving free or reduced price meals or free milk.
2. Any alterations in the aforementioned approved counting and claiming procedures, will be submitted to KSDE for approval prior to implementation. Such changes shall be effective only upon approval by KSDE.
3. The number of paid, reduced price and free reimbursable meals served to eligible children will be counted at the point of service; or through another counting system only as pre-approved by KSDE.
4. If the Sponsor has more than one food service site, the Sponsor will conduct on-site reviews by February 1 of each year to verify meal accountability and claiming practices at each site where meals are served. If a problem(s) exists, corrective action will be implemented and a follow-up site review will be conducted within 45 calendar days to verify resolution of problem(s).
5. Each school's daily meal count and the Sponsor's monthly meal count will be compared against data which will assist in identifying excess numbers of meals claimed.
6. Claims for reimbursement will be submitted in accordance with procedures established by KSDE and as specified in 7CFR, Part 210.8 and if applicable 7 CFR 215.10, 7 CFR 220.11, 7 CFR 225.16 and 7 CFR 226.10
7. Reimbursement will be claimed for no more than one breakfast and one lunch per day served to each eligible participant in the National School Lunch Program and School Breakfast Program.
8. Reimbursement will be claimed only for those meals that meet the requirements set forth in this agreement's Section M., Meal Requirements.
9. Reimbursement will be claimed only for meals/snacks/milk served to eligible children.
10. Final claims for reimbursement will be submitted within 60 days following the close of the claim month. Claims received after the 60-day deadline cannot be reimbursed. However, KSDE's Director of Child Nutrition & Wellness can grant an exception to the 60-day rule once during each 36-month period. Requests for exceptions must be submitted in writing and include a corrective action plan.

Failure to submit accurate reimbursement claims will result in the recovery of an over-claim and may result in the withholding of payments, suspension or termination of this program as specified in 7CFR 210.24, 7 CFR 215.15, 7 CFR 220.18 and 7 CFR 226.10 as applicable.

11. If failure to submit accurate claims is the result of embezzlement, willful misapplication of funds, theft, or fraudulent activity, then the penalties specified in 7CFR 210.25, 7 CFR 215.16, 7 CFR 220.19 and 7 CFR 226.10 shall apply.

The Sponsor agrees to:

1. The charge for reduced price meals shall not exceed 40 cents for lunch, 30 cents for breakfast and 15 cents for after school snacks.
2. Make no physical segregation of, nor any other discrimination against, any child because of his/her inability to pay the full price of the meal. The names of the children eligible to receive reduced price or free benefits shall not be published, posted, distributed or announced in any manner and there shall be no overt identification of any such children by use of special tokens or tickets or any other means. Further assurance is given that children eligible for reduced price or free benefits shall not be required to:
 - Work for their meals/milk
 - Use a separate food service area
 - Go through a separate serving line
 - Enter the food service area through a separate entrance
 - Consume meals/milk at a different time
 - Eat a meal different from the one sold to children paying the full price

When more than one lunch or breakfast or type of milk is offered which meets program requirements, a child eligible for reduced price or free benefits shall have the same choice of meals and/or milk that is available to a child who pays the full price for his/her meal/milk.

3. Prohibit the denial of paid, reduced price or free benefits as a disciplinary action to all students in attendance at participating schools.
4. Assure that the reduced price and free benefit eligibility status of all students will be maintained in a confidential manner and will be accessible to only persons who have direct administrative or enforcement responsibility in the food service program, Federal education programs, State health or education programs or Federal, State or local means-tested nutrition programs with eligibility standards comparable to the National School Lunch Program.
5. Agrees to avoid any policy or practice that has the effect of overtly identifying eligible children in the sale of competitive foods. If competitive foods are sold, the sale of competitive foods will not inadvertently result in eligible children being identified. Ways to limit overt identification related to the sale of competitive foods include:
 - Limit competitive foods to those also offered as part of reimbursable meals on the reimbursable meals lines;
 - Offer competitive foods on the same lines as reimbursable meals are offered; or
 - Only allow competitive foods to be purchased with a pre-paid card.

6. The Letter to Household must be distributed to the households of children attending the school. This letter tells families which Child Nutrition Programs are available and notifies households that meals may be available free or at a reduced price. All Sponsors must be able to provide households with paper applications and instructions (Application Packet for Free and Reduced Price School Meals) for meals and for Special Milk Only. The Letter to Household may be distributed by the postal service, emailed to the parent/guardian or included in the information packet provided to students.
7. Letters and applications cannot be sent home at the end of the school year for the next year, nor can the sponsor begin accepting and processing applications before July 1; except that year-round schools operating from July 1 through June 30 may distribute these materials in June.
8. The letter and application described in item 6 above cannot be distributed to households before July 1.
9. If the sponsor uses paper applications, an application form and instructions **must** be included with the letter to households.
10. If the sponsor uses a computer or web-based system to process applications, the letter must inform the household how to access the system in order to apply for benefits. In addition, the letter **must** explain to the household how to obtain and submit a paper application. This may be done by including a telephone number or a form to return requesting that an application be sent.
11. Publicly announce any changes in Child Nutrition Program eligibility criteria in the same manner used at the beginning of the school year.
12. Maintain such applications and documentation of action taken for five (5) years after the end of the fiscal year to which they pertain.

If a child transfers from one school to another under the jurisdiction of the same Sponsor, the eligibility for reduced price or free benefits shall be transferred to and honored by the receiving school.
14. Obtain a copy of the application from the transferring Sponsor or require a new application for reduced price or free benefits to be completed and make a new eligibility determination for any student transferring from another Sponsor.
15. Provide the same benefits to all children found to be income eligible on a household's application for reduced price or free benefits. Within ten (10) working days of the receipt of the application, notify the parent/guardian individually of the approval or denial of the application. Provide reduced price or free benefits immediately to children upon determination of their eligibility.
16. Use approved applications from the prior year to establish student eligibility for up to 30 operating days of the current school year. A new eligibility determination in the current school year supersedes the carry-over eligibility. This policy applies to those students eligible based on direct certification or categorical and income eligible applications.
17. Comply with the provisions for direct certification in Section J. of this agreement for all students certified eligible for free meals through the direct certification process.
18. Designate a determining official to review applications, determine eligibility, and to sign and date applications.

20. Designate an independent individual or entity that did not make the original eligibility determination to conduct a second review of applications if required due to a high level of or high risk for administrative error as determined by KSDE.

21. Designate a hearing official who shall not be involved in the original eligibility determination.
22. Inform parents/guardians in writing when an application is denied, of the reason for denial and about the hearing procedure.
23. During appeals and hearings the children shall continue to receive reduced price or free benefits.
24. Provide an opportunity for the parent/guardian or Sponsor to request an informal conference prior to initiating the formal hearing procedure. The conference shall be used to discuss the situation, present information, obtain an explanation of data submitted in the application and of decisions rendered. Such a conference shall not in any way prejudice or diminish the right to a fair hearing.
25. Develop a formal hearing procedure that provides:
 - a. A publicly announced, simple method for making an oral or written request for a hearing.
 - b. An opportunity to be assisted or represented by an attorney or other person.
 - c. An opportunity to examine, prior to and during the hearing, the documents and records presented to support the decision under appeal.
 - d. Reasonable promptness and convenience in scheduling a hearing and adequate notice as to the time and place of the hearing.
 - e. An opportunity to present oral or documentary evidence and arguments supporting the presenter's position.
 - f. An opportunity to question or refute any testimony or other evidence and to confront and cross-examine any adverse witnesses.
 - g. A hearing official, who did not participate in the decision under appeal, to conduct hearings and make a decision.
 - h. That the decision of the hearing official is based on USDA eligibility guidelines, and that the oral and documentary evidence is presented at the hearing and made a part of the hearing record.
 - i. That the decision of the hearing official is binding.
 - j. That the parties concerned and any designated representatives thereof will be notified in writing within five (5) days of the decision of the hearing official.
 - k. That for each hearing an accurate written record will be prepared, including (1) the decision under appeal, (2) any documentary evidence and a summary of any oral testimony presented at the hearing, (3) the decision of the hearing official and the reasons therefore, and (4) a copy of the notification to the parties concerned of the hearing official's decision.
 - l. That such written record shall be preserved for a period of five (5) years and shall be available for examination by the parties concerned or their representatives at any reasonable time and place during such period.
26. Notify households of the eligibility determination for reduced price or free benefits and include all information as printed in Notification of Eligibility Determination.
27. Verify the eligibility status of reduced price and free benefit recipients in accordance with provisions set forth in 7CFR Part 245 and to use forms prescribed by KSDE.
28. Develop procedures to ensure to the maximum extent practicable, that the sale of competitive foods and the method of payment do not inadvertently result in children being identified by their peers as receiving free or reduced price meal benefits.
29. Ensure there are no barriers for participation in Child Nutrition Programs for Limited English Proficient families. Sponsors are required to communicate with parents and guardians in a language they can understand throughout certification and verification processes.
30. Provide KSDE with a list of all elementary schools under its jurisdiction in which 50 percent or more of enrolled children have been determined eligible for reduced price or free meals as of September 20 of each year. The KSDE Principal's Building Report will be used to collect this information from public schools and KSDE will provide private schools with an alternative reporting mechanism.
31. Provide information on the boundaries of the attendance areas for the elementary schools identified as having 50 percent or more of enrolled children certified eligible for reduced price or free benefits, upon the request of a sponsoring organization of day care homes in the Child and Adult Care Food Program (CACFP).

32. A foster child is categorically eligible for free meals and may be included as a member of the foster family if the foster family chooses to also apply for benefits for other children. Foster care children can be included as household members and help other children in the household qualify for free or reduced price meals. If the foster family is not eligible for free or reduced price meal benefits, it does not prevent a foster child from receiving free meal benefits.
33. Households with children who are categorically eligible through Migrant, Homeless, Head Start and Runaway Programs should contact the school for assistance in receiving benefits and mark the relevant box on the application to indicate their status.

J. Direct Certification for Child Nutrition Program Free Benefits

The Sponsor agrees to:

1. Designate staff to complete activities associated with the direct certification process.
2. Assure KSDE that the information received about directly certified students shall be kept confidential and shall be used only for determining eligibility for Child Nutrition Program free benefits or for optional benefits for which the child's parent/guardian has specifically waived confidentiality.
3. Access the Direct Certification electronic files and/or reports available in KN-CLAIM and:
 - Use the electronic file and/or report of matched students to approve these students for free benefits.
 - Use the individual student look-up feature to certify any student who was not automatically matched but whose parent/guardian provides a Food Assistance/TAF case number.
4. Provide all households of directly certified students with written notification (Letter to Households about Direct Certification) that these students are eligible for free meal benefits; that no further application is required; and that they may decline these benefits if they choose. Maintain a file of these notification letters.
5. Maintain full and accurate records of direct certification procedures and activities, including the KN-CLAIM information and certification letters from KSDE and retain such records for a period of five (5) years after the current year or as long as required to resolve audit or review issues.

Sites will be identified and documentation provided on the KN-CLAIM site application.
4. Certify that during the last 7 years, the Sponsor and the individual responsible for the food service have not been declared ineligible to participate in any other publicly funded program by reason of violating that program's requirements or provide documentation that it was later reinstated or determined eligible for the program or convicted of any activity that indicated a lack of business integrity.
5. Attend CACFP Administrative training annually.
6. For At-Risk Afterschool Meals, document service of one meal and/or snack in the program operated after school or on days that school is not in session. Follow the meal pattern requirements for CACFP [7 CFR 226.20(o)] or NSLP meals [7 CFR 210.10(a)(1)(i)].
7. Claim Reimbursement only for meals served to eligible enrolled participants in each income category within the limits of the license issued by the Kansas Department of Health and Environment or appropriate federal authority. No more than 2 meals and 1 snack or 2 snacks and 1 meal per participant shall be claimed. For At-Risk, 1 meal and 1 snack may be claimed.

1. Accept full responsibility for meeting all Special Milk Program requirements.
2. Make maximum use of the reimbursement payments to reduce the price of the milk served to children as a means of encouraging milk consumption.
3. Report the "cost of milk" to KSDE, which shall be the average purchase price per half-pint unit paid by the Sponsor to the milk supplier for milk delivered to the school or child care institution. This shall not include any amount paid to the milk supplier for servicing, rental or installment purchase of milk service equipment.
4. Use forms and instructions provided by KSDE to maintain complete and accurate records of Special Milk usage, program income and expenditures.

S. Fresh Fruit and Vegetable Program Requirements

If the Sponsor is selected to participate in the Fresh Fruit and Vegetable Program, the Sponsor agrees to:

1. Use FFVP funds only for the purposes authorized by Section 19 of the Richard B. Russell National School Lunch Act.

5. Maintain records of:
 - Daily participation meal counts taken at the point of service. Report to KSDE on a monthly basis the number of reimbursable meals served to children.
 - Menus and production records to document compliance with meal pattern requirements.
 - Notification of the local health department
 - Site visits and site reviews conducted by the Sponsor
 - Training completed by all administrative and site personnel

6. Claim reimbursement for:
 - Allowable meals (breakfast, snack, lunch, supper) that meet requirements served to children from the ages of 1 thru 18
 - Second complete meals up to 2% of the total first meals for the SFSP and up to 2% of second complete breakfast meals only for SSO.
7. Use forms and instructions provided by KSDE in Food Service Facts to maintain complete and accurate records of Summer Food Service Program or Seamless Summer Option activity.
8. Promote the Summer Food Service Program at all program sites.

U. Residential Child Care Institution (RCCI) Requirements

The provisions in this section are applicable only to RCCI Sponsors.

1. When the RCCI serves only resident children, the Sponsor:
 - Shall not complete forms or provisions related to applications for free meal benefits.
 - Shall comply with all other provisions of this agreement.
 - Shall provide documentation to support that each resident is eligible for free meals based on the individual resident's personal use income.
2. When the RCCI serves both day students and resident children:
 - For resident children, the Sponsor shall comply with the requirements of this agreement stated in Section U. 1.
 - For day students, the Sponsor shall comply with all provisions of this agreement including those related to applications for reduced price and free meal benefits and verification.

V. Provision 2

The Sponsor agrees to:

1. Indicate on each Site Application if the school will participate in Provision 2 and specify the Base School Year for the site (i.e. the first year of a four-year Provision 2 cycle).
2. Serve free meals to all students, enrolled in a school participating in Provision 2 for a four-year period regardless of their eligibility for CNP benefits.
3. Pay the difference between the cost of providing the meal and the total reimbursement received for each student meal using funds other than State reimbursement, Federal reimbursement or student payments.
4. Distribute letters and applications for reduced price or free CNP benefits to households of all enrolled students prior to or at the beginning of the Base School Year and determine eligibility of applicants. Households need not be notified of the eligibility determination.
5. Account daily during the Base School Year for student lunches and breakfasts served by eligibility category and establish monthly claiming percentages for paid, reduced price and free lunches, breakfasts and after school snacks.
6. Apply the monthly claiming percentages from the Base School Year to the corresponding monthly total meal count for lunches, breakfasts, and after school snacks served during the second, third and fourth consecutive school years.
7. Establish procedures during the second, third and fourth consecutive school years to count student meals served at the point of service, and maintain daily meal counts of total lunches, breakfasts and snacks served to students. Daily meal counts by income category are not required in the second, third and fourth consecutive school years.
8. Establish a new Base School Year (i.e. determine new claiming percentages based on actual counts of meals served in each income eligibility category) if applications for CNP Benefits are collected in the second, third or fourth consecutive school years.
9. Notify parents if the Sponsor chooses to discontinue Provision 2 and return to the standard CNP Reduced Price and Free Policy in the second, third or fourth consecutive school year following the Base School Year.
10. Complete verification requirements once during the four-year Provision 2 cycle.

W. Community Eligibility Provision

If the Sponsor elects the Community Eligibility Provision, the Sponsor agrees to:

1. Indicate on the Sponsor Application if the Sponsor, a school or a group of schools will participate in the Community Eligibility Provision and complete the Community Eligibility Application in KN-CLAIM prior to June 30. To be eligible, the Sponsor and/or schools must meet a minimum level (40%) of identified students for free meals in the year prior to implementing the Community Eligibility Provision.
2. Serve free breakfast and lunch meals to all students, enrolled in a school participating in Community Eligibility Provision regardless of their eligibility for CNP benefits.
3. Not collect free and reduced price applications from households in participating schools
4. Cover the difference between the cost of providing the meals and the total reimbursement received for each student meal using non-Federal funds.
5. Reimbursement is based on claiming percentages derived from the identified student percentages. Schools apply the claiming percentages to the total number of lunch and the total number of breakfast meals served to determine the number of meals claimed at the free and paid rates.
6. The claiming percentages established for a school in the first year may be used for a period of four school years and may be increased each year if the identified student percentages rise for the Sponsor and/or school.
7. The percentage of identified students is multiplied by a factor of 1.6 to determine the total percentage of meals reimbursed at the Federal free reimbursement rate (The percentage derived from this calculation must not exceed 100 percent). The remaining percentage of meals, equaling up to 100 percent, is reimbursed at the Federal paid reimbursement rate.

X. Smart Snacks in Schools Rule

The Sponsor agrees to:

1. Implement Section 10 of the Child Nutrition Act of 1966, 42 USC 1779, as amended by the Healthy, Hunger-Free Kids Act of 2010 which requires that all food sold outside of the school meal program, on the school campus and at any time during the school day must meet the nutrition standards set forth in the Final Rule titled "National School Lunch Program and School Breakfast Program: Nutrition Standards for All Foods Sold in School as Required by the Healthy, Hunger-Free Kids Act of 2010."
2. Follow the exempt fundraiser frequency established by the Kansas State Board of Education. "One exempt fundraiser per school organization per semester that does not meet the Nutrition Standards for All Foods Sold in School during the school day (midnight before to 30 minutes after the end of the school day) on school grounds will be allowed. An organization is defined as a school group that is approved by the local board of education. Length of the organization's exempt fundraiser cannot exceed 2 days." Exempted fundraiser foods or beverages may not be sold in competition with school meals in the food serving area during meal service. There is no frequency or time limit on fundraisers during which food or beverage items that meet the nutrition standards are sold; nor are there any limits on non-food fundraiser activities.
3. Proceeds from the sale of all competitive foods must accrue to the food service fund, to the school, or to approved student organizations.
4. Maintain records such as receipts, nutrition labels and product specifications. Food service maintains records for competitive foods sold under the nonprofit school food service account. The Local Educational Agency maintains records for all other competitive food sales.

Y. Wellness Policy Requirements

The Sponsor agrees to:

1. Implement a local school wellness policy that at a minimum:
 - Includes specific goals for nutrition, nutrition promotion and education, physical activity and other school-based activities that are designed to promote student wellness (7 CFR 210.31(c)(1);
 - Includes standards and nutrition guidelines for all foods and beverages sold on the school campus during the school day that are at a minimum, consistent with Federal regulations for program meals and Smart Snacks in School nutrition standards and designed to promote student health and reduce childhood obesity (7 CFR 210.31(c)(2) and(3);
 - Includes standards and nutrition guidelines for all foods and beverages available, but not sold to students on the school campus during the school day (for example classroom parties or rewards). These standards and nutrition guidelines are not required to be consistent with Smart Snacks standards and the Sponsor has the discretion to adopt standards that are consistent with Federal school meals and Smart Snacks nutrition standards or to adopt more or less stringent standards.
 - Includes policies that allow marketing or advertising of only those foods and beverages that may be sold on the school campus during the school day, i.e., those foods and beverages that meet the Smart Snacks in School nutrition standards (7 CFR 210.31(c)(3)(iii);
 - Establishes a plan for measuring implementation of the local wellness policy, including designation of one or more persons at the Sponsor-level or at each school, charged with operational responsibility for ensuring that the school complies with the local wellness policy; and
 - Involves parents, students, representatives of the school nutrition program, teachers of physical education, school health professionals, the school board, school administrators and the public in the development, implementation and evaluation of the local wellness policy.
2. Review and consider evidence-based strategies in determining local school wellness goals (7 CFR 210.31(c)(1).
3. Involve, inform, and update the public (including parents, students, and other stakeholders) about the content and implementation of the local school wellness policy (7 CFR 210.31(d)(2) and (3);
4. Conduct an assessment annually by updating the Sponsor's status in relation to the Kansas School Wellness Policy Model Guidelines in KSDE's online Wellness Impact Tool, to determine compliance, progress, and the extent to which the policy compares to model local school wellness policies (7 CFR 210.31(e)(2);
5. Designate a Wellness Policy Contact person on the Sponsor Application and enter the Wellness Policy Chair and committee members' names in the Wellness Impact Tool. The Sponsor must designate at least one LEA or school official(s) as responsible for determining the extent to which each school under their jurisdiction is in compliance with their wellness policies (7 CFR 210.31(e)(1).
6. Update or modify the local school wellness policy as appropriate (7 CFR 210.31(e)(3). Maintain on file for review or audit records of wellness policy implementation plans and progress.

Any terms that conflict or could be interpreted to conflict with this attachment are nullified.
2. **Kansas Law and Venue:** This contract shall be subject to, governed by, and construed according to the laws of the State of Kansas, and jurisdiction and venue of any suit in connection with this contract shall reside only in courts located in the State of Kansas.
3. **Termination Due To Lack Of Funding Appropriation:** If, in the judgment of the Director of Accounts and Reports, Department of Administration, sufficient funds are not appropriated to continue the function performed in this agreement and for the payment of the charges-hereunder, State may terminate this agreement at the end of its current fiscal year. State agrees to give written notice of termination to contractor at least 30 days prior to the end of its current fiscal year, and shall give such notice for a greater period prior to the end of such fiscal year as may be provided in this contract, except that such notice shall not be required prior to 90 days before the end of such fiscal year. Contractor shall have the right,

The termination of the contract pursuant to this paragraph shall not cause any penalty to be charged to the agency or the contractor.

4. **Disclaimer Of Liability:** No provision of this contract will be given effect that attempts to require the State of Kansas or its agencies to defend, hold harmless, or indemnify any contractor or third party for any acts or omissions. The liability of the State of Kansas is defined under the Kansas Tort Claims Act (K.S.A. 75-6101 et seq.).

Contractor agrees to comply with all applicable state and federal anti-discrimination laws.

The provisions of this paragraph number 5 (with the exception of those provisions relating to the ADA) are not applicable to a contractor who employs fewer than four employees during the term of such contract or whose contracts with the contracting State agency cumulatively total \$5,000 or less during the fiscal year of such agency.

6. **Acceptance Of Contract:** This contract shall not be considered accepted, approved or otherwise effective until the statutorily required approvals and certifications have been given.
7. **Arbitration, Damages, Warranties:** Notwithstanding any language to the contrary, no interpretation of this contract shall find that the State or its agencies have agreed to binding arbitration, or the payment of damages or penalties. Further, the State of Kansas and its agencies do not agree to pay attorney fees, costs, or late payment charges beyond those available under the Kansas Prompt Payment Act (K.S.A. 75-6403), and no provision will be given effect that attempts to exclude, modify, disclaim or otherwise attempt to limit any damages available to the State of Kansas or its agencies at law, including but not limited to the implied warranties of merchantability and fitness for a particular purpose.
8. **Representative's Authority To Contract:** By signing this contract, the representative of the contractor thereby represents that such person is duly authorized by the contractor to execute this contract on behalf of the contractor and that the contractor agrees to be bound by the provisions thereof.
9. **Responsibility For Taxes:** The State of Kansas and its agencies shall not be responsible for, nor indemnify a contractor for, any federal, state or local taxes which may be imposed or levied upon the subject matter of this contract.
10. **Insurance:** The State of Kansas and its agencies shall not be required to purchase any insurance against loss or damage to property or any other subject matter relating to this contract, nor shall this contract require them to establish a "self-insurance" fund to protect against any such loss or damage. Subject to the provisions of the Kansas Tort Claims Act (K.S.A. 75-6101 et seq.), the contractor shall bear the risk of any loss or damage to any property in which the contractor holds title.

11. **Information**: No provision of this contract shall be construed as limiting the Legislative Division of Post Audit from having access to information pursuant to K.S.A. 46-1101 et seq.
12. **The Eleventh Amendment**: "The Eleventh Amendment is an inherent and incumbent protection with the State of Kansas and need not be reserved, but prudence requires the State to reiterate that nothing related to this contract shall be deemed a waiver of the Eleventh Amendment."
13. **Campaign Contributions / Lobbying**: Funds provided through a grant award or contract shall not be given or received in exchange for the making of a campaign contribution. Thank you for considering Samsara for your fleet.

Samsara provides real-time visibility, business-relevant tools, and powerful analytics that enable customers to increase the productivity of their fleets and reduce operating costs. A solution for your fleet is proposed below.

What is included?

Samsara's fleet tracking solution includes hardware accessories and a per-gateway license. Gateway licenses provide all ongoing elements of the service, including:

- Real-time location and vehicle telematics
- Dashboard access with unlimited administrator accounts
- Driver App for iOS and Android devices with unlimited driver accounts
- Over-the-air software feature upgrades
- API access as it relates to features for integration with 3rd party systems
- Maintenance and phone support

Samsara does not include hidden costs in its licenses. If you want access to Samsara's full set of fleet features--including but not limited to WiFi hotspot and ELD capabilities--you will need to upgrade your license. Samsara reserves the right to audit usage of features unrelated to the solution as well as remove them from the Samsara Dashboard.

Payment Terms

This order form includes a license fee for the Samsara Software associated with the Hardware to be paid annually beginning on the License Start Date and, if applicable, a one-time Hardware cost to be paid upfront as of the license start date. The annual fees are payable by recurring wire transfer. All transfers made by credit card are subject to a processing fee up to 3%, subject to applicable law. Late payments are subject to a 1.5% per month late fee. If license payments are delinquent by 30 days, Samsara may suspend the Service until late payments are remitted.

License Term

The license term for the Samsara Software licenses purchased under this Order Form begins on the day Samsara activates the applicable Samsara Software license by providing you a claim number and access to the Hosted Software ("License Start Date"). If Hardware associated with a then-unactivated Samsara Software license will be shipped to you under this Order Form, such Samsara Software license will be activated on the day the Samsara Hardware ships.

Notwithstanding the foregoing, if you are renewing the license term for a previously-activated Samsara Software license under this Order Form, the License Start Date for the renewal license term shall be the day that Samsara extends your access to the Hosted Software for the renewal license term. Samsara Hardware requires a valid license to function.

Samsara may ship Hardware under this Order Form subject to a schedule as mutually agreed between the Parties or as determined by Samsara. By signing this Order Form, you confirm that each "Ship To" delivery address set forth herein is accurate and that any individual accepting delivery at that address is authorized to do so on your behalf. To the extent such Hardware is associated with then-unactivated Samsara Software licenses, the Samsara Software license term for each such Hardware device will start on the day that device ships regardless of the shipment schedule for the other such Hardware devices. If all such Hardware is shipped in one shipment, the license term for all such Hardware will be the full license term under this Order Form. If such Hardware is shipped in multiple shipments, only the license term of such Hardware in the initial shipment will be such full license term. The license term of the remaining such Hardware shipped after the initial shipment will be set to match the then-remaining license term of the initial shipment, so that the license term for all such Hardware under this Order Form expires on the same date. The total cost of the licenses for such Hardware shipped after the initial shipment will be pro-rated based on their actual license term, rounded up to the nearest month, as compared to the full license term under this Order Form. Certain payment amounts under this Order Form assume that the entire order is fulfilled at the same time and are subject to potential reduction based on the actual schedule of order fulfillment.

You agree that you will only use the features included with the Samsara Software licenses purchased under this Order Form ("Licensed Scope"). Samsara reserves the right to audit usage of Samsara Software and to remove your access to such features beyond the Licensed Scope (for example, the licensed feature scope or licensed user count, as applicable) at any time. If you would like to use features beyond the Licensed Scope, you are required to purchase the applicable Samsara Software licenses and if applicable install the applicable Hardware that include such scope. If Samsara becomes aware that you are using features beyond the Licensed Scope, Samsara reserves the right to charge you for the applicable Samsara Software licenses that include such Licensed Scope at list price, and you agree to immediately pay such amounts. Samsara further reserves the right to change, discontinue, or remove features included in a Samsara Software license at any time.

You acknowledge and agree that, during your license term, you may not downgrade your Samsara Software license plan to a lower Samsara Software license plan (e.g., downgrading your "Enterprise" license to a "Premier" license).

Support and Warranty

Samsara stands behind its Products. During the applicable warranty period, defective Hardware will be remedied pursuant to our Hardware Warranty Policy at www.samsara.com/support/hardware-warranty. Additional support information can be found at www.samsara.com/support.

Unless otherwise set forth herein, your use and access of the Hardware, Products, and Services specified herein are governed by Samsara's standard terms of service found at <https://www.samsara.com/terms-of-service>, unless the Parties have entered into a separate terms of service agreement and/or a separate terms of service agreement is attached to the Order Form, in which case such separate terms of service agreement shall govern (the 'Terms of Service') provided that notwithstanding anything stated in the Terms of Service to the contrary, Customer agrees the following sections from Samsara's standard terms of service found at <https://www.samsara.com/legal/public-sector-customers-platform-terms-of-service/> shall apply: License (Section 4), Product Updates (Section 7), Data Protection Addendum (Section 10.3), Non-Samsara Products (Section 14), and Hardware Warranty (Section 17). You agree to be bound by the Terms of Service, and any capitalized terms not defined herein shall have the meaning set forth in the Terms of Service. The terms and conditions of the Terms of Service and this Order Form are the exclusive agreement of the parties with respect to the subject matter hereof and no other terms or conditions, including those associated with any Customer payment portal or onboarding of Samsara as a Customer vendor, shall be binding upon Samsara or otherwise have any force or effect.

The Board of Education is asked to consider and approve the purchase of Cisco Webex Cloud Calling telephone service

BACKGROUND:

In 2015, Garden City Public Schools updated our current phone system. That phone system is end of life and end of support. Therefore, it is imperative that we upgrade the system. After considering the features and price of both options, we would like to move our phone services to the cloud.

Solution Summary

Garden City School District is requesting assistance from Logicalis Professional Services (PS) with the migration of their on-premises Cisco Unified Communications (UC) environment to the cloud with Webex Calling (WxC). Public Switched Telephone Network (PSTN) service will be provided to the WxC environment with Bring Your Own PSTN (ByoPSTN) via existing Primary Rate Interface (PRI) circuits terminated on three (3) physically disparate Media Gateway Control Protocol (MGCP) voice gateways. Garden City School District has an additional twenty (20) sites each with its own MGCP voice gateway configured for Survivable Remote Site Telephony (SRST) with at least one (1) Plain Old Telephone Service (POTS) lines for PSTN service in the event of a Wide Area Network (WAN) outage. All of the existing MGCP voice gateways are configured on legacy Cisco Integrated Service Routers (ISR) that are end-of-support and will be replaced with new Cisco Catalyst 8000 series routers as part of this project. Garden City School District currently has the following UC applications deployed:

- Cisco Unified Communications Manager (CUCM)
- Cisco Unity Connection (CUCN)
- Cisco Instant Messaging & Presence (IM&P)
- Cisco Expressway (MRA)
- Singlewire InformaCast

Logicalis PS will perform the initial Webex Control Hub (WCH) configuration and user synchronization. This initial WCH configuration includes claiming the domain and Single Sign-On configuration with a compatible Identity Provider (IdP). After the initial WCH configuration is complete, Logicalis PS will configure WxC users by assigning licensing, extensions, and phone numbers. Nomadic E911 services are provided by RedSky and will be provisioned for all WxC locations and users. The Logicalis PS engineer will work with Garden City School District to determine how WxC endpoints will be tracked and who will receive the emergency notifications.

InformaCast Fusion will be deployed to provide a replacement to the existing on-premises InformaCast Advanced deployment. The Logicalis PS engineer will deploy the on-premises InformaCast Virtual Machine (VM) to provide notification support for legacy overhead paging systems and Internet Protocol (IP) phones.

The Logicalis PS engineer will configure each new Catalyst 8000 series router as a Webex Local Gateway (LGW) to support legacy overhead paging systems connected via Foreign Exchange Office (FXO) ports and also a Webex Survivability Gateway to support a POTS line terminated on an FXO port. The School Messenger system Session Initiation Protocol (SIP) trunk will be configured to terminate on at least one (1) of the Webex LGWs to provide integration support after the CUCM is removed from the network.

The Logicalis PS engineer will also provide four (4) end-user training sessions which will function as train-the-trainer sessions. These end-user sessions will cover basic calling functionality of WxC and how to access the end-user resources WxC provides. One (1) administrator knowledge transfer session will also be provided by the Logicalis PS engineer. All sessions will be recorded and distributed to Garden City School District for future reference.

The Logicalis PS engineer will perform a discovery of the existing UC environment and create a low-level design (LLD) document. The LLD will outline the technical details behind the migration, as well as the testing, cutover, and support plans.

All work performed by Logicalis PS engineer will be remote.

SCHEDULING:

CKH will need someone designated in Client organization to work with on scheduling and event planning needs.

CKH will contact you upon confirmed signing of this Agreement to begin setting up dates for Products and Services to be rendered on the applicable Products and Services section.

Confirmation of all scheduled dates of service will be made via email and is subject to cancellation terms as listed in this Agreement.

CKH may need to communicate with the Client's members/Participant(s) via e-mail to communicate pertinent details about events or products they are attending/experiencing. These e-mail addresses are not shared with any third-party organizations and are only used for the events they are attending. These email addresses are NOT used for soliciting purposes.

FACILITIES/EVENT SET-UP:

You and CKH will mutually agree upon the location of any event as part of the Products and Services section, which should be resolved at least 30 days prior to a scheduled service. CKH will provide event-specific details for any scheduled service (including square footage requirements, AV needs, schedule, and other logistics to be coordinated). Should any of those details need to be altered, prior approval by CKH would be needed.

RECORDING/MEDIA:

Video and/or audio taping of events is strictly prohibited without prior written approval by CKH.

Media representatives are not allowed to attend events without prior written approval by CKH.

DEPOSITS and CANCELLATIONS:

- No deposit is required.
- CKH requires a cancellation notice of 90 days prior to any scheduled date of service. A cancellation notice received inside the 90-day window will result in the full contractual fee being assessed as of the date of cancellation. To the extent not offset by duplicate expenses incurred by CKH, the fee charged for such cancellation may be credited to the event once that event is rescheduled, although any amounts paid for Products or Services that are unused by your organization within the 12 months following the date of signature of this Agreement will be forfeited.
- Travel expenses that CKH has incurred and that must be cancelled because of the Client rescheduling or cancelling a product(s) or service(s) without at least two weeks' advance notice may result in extra charges to the Client.
- In the event an assigned CKH Consultant/Strategist is subject to illness, travel delay, or unavoidable emergencies, the event can be rescheduled/restructured/reassigned.
- Force Majeure: Except with regard to payment obligations, neither party shall be liable to the other for any failure or delay in performing its obligations under this Agreement where such failure or delay is as a result of Acts of God (including fire, flood, earthquake, storm, hurricane or other natural disasters), pandemics, epidemics, war, invasion, act of foreign enemies, hostilities (whether war is declared or not), civil war, rebellion, revolution, insurrection, military or usurped power or confiscation, terrorist activities, government sanction, blockage, embargo, labor dispute, strike, lockout or interruption or failure of electricity or telephone service, and no other Party will have a right to terminate this Agreement in such circumstances. Any Party asserting Force Majeure as an excuse shall have the burden of proving that reasonable steps were taken (under the circumstances) to minimize delay or damages caused by foreseeable events, that all non-excused obligations were substantially fulfilled, and that the other Party was timely notified of the likelihood or actual occurrence which would justify such an assertion so that other prudent precautions could be contemplated.

RESOURCES:

During the course of providing the Products and Services, participants will be provided with various Resources, some of which shall be distributed by hand or by email to participants during or in preparation or follow-up to particular events, and others of which shall be accessed through websites operated by CKH (“Websites”). For the purpose of accessing some or all of the Resources used during our provision of the Products and Services, you will be required to create an account through one or more of the Websites. In the process, you will be required to accept the Terms of Use for the Websites, which will govern your rights and obligations with respect to the content accessed through those Websites, to the extent such Terms of Use are consistent with this Agreement.

Section 5: Intellectual Property

COPYRIGHTS & TECHNOLOGY RIGHTS

CKH’s intellectual property is a crucial part of providing training materials and consulting services to its clients, and CKH could not continue its work if its clients did not honor and respect CKH’s intellectual property rights. All copyrights and other forms of intellectual property protection pertaining to the Resources, including without limitation all content and functionality on or of the Websites, as well as all text, graphics, images, logos, icons, audio, video, tables, algorithms, analytics, reports, and dynamic content associated with the Resources, whether prearranged or created or modified during the course of providing the Products and Services, as well as the selection, arrangement and “look and feel” of all the foregoing, (excluding personal data belonging to you or your authorized users) are the exclusive property of CKH or its licensors. **None of our work or work product is done on a “work for hire” basis, and all our material and work product is owned exclusively by CKH and is subject to one or more of the following: copyright, trademark, patent, license, or trade secret.** Intellectual property and learning/know-how that may be developed while working with any client shall remain the property of CKH. By entering into this Agreement, you are expressly acknowledging and agreeing to the matters set forth in this paragraph and you are agreeing that none of the training materials, notebooks, videos, presentations, processes or concepts may be used by you, for any purpose, without the express advance written consent of CKH. All textual, dramatic, audio, and/or visual Resources are protected by U.S. and international copyright laws. All rights not expressly granted are reserved.

TRADEMARKS:

The trademarks, service marks, designs, and logos displayed on or in conjunction with the Products, Services, Resources or Websites (collectively, the “Trademarks”) are the registered and unregistered trademarks of CKH and its licensors. You agree that you will obtain advance written consent from CKH before referring to or attributing any information to CKH or its licensors in any public medium (e.g., signage, press releases, websites, etc.) for advertising or promotion purposes, or for the purpose of informing or influencing any third party, understanding that such consent may be denied for any or no reason. You also agree that you will not use or reproduce any Trademark of, or imply any endorsement by or relationship with, CKH or its licensors.

USE OF RESOURCES:

Capturing Kids’ Hearts grants individual participants of training a limited, non-exclusive, revocable, and non-transferable license for the Term of this Agreement to view, access, download, display, and otherwise use specific Capturing Kids’ Hearts Resources for their personal and classroom use only. Resources are made available to participants based upon their completed training and provided during training or through site content of Websites.

Access to Resources for participants is based upon both their completion of specific training(s) with Capturing Kids’ Hearts and the contractual relationship between Capturing Kids’ Hearts and the Client, the organization of which the participant is a current member. The relationship with a Client is documented in the products listed in the Products and Services Section and determines the varying levels of access to Resources based upon the training, products or subscriptions purchased. If the participant is no longer part of the Client’s organization, the participant will no longer have access to the resources.

APPLICABLE RESTRICTIONS & REQUIREMENTS:

Any unauthorized use of Resources is prohibited and may violate copyright, trademark, patent, and other applicable laws or regulations and could result in criminal or civil penalties. All Resources are made available for use by you only to the extent

that such use complies with all Applicable Restrictions & Requirements. For these purposes, “**Applicable Restrictions & Requirements**” means any and all of the following: (i) the provisions of this Agreement; (ii) the Terms of Use associated with the Websites; (iii) any other CKH agreements or Products and Services that may be applicable to you; (iv) any written instructions or restrictions provided to you by CKH; and (v) any instructions or restrictions printed on or otherwise accompanying any copies of the Resources that are provided to you, or that appear on Websites that are associated with such Resources. To be clear, except to the extent expressly permitted in writing as part of the Applicable Restrictions & Requirements, your rights do not include rights to do any of the following (collectively, “**Prohibited Actions**”), all of which you are prohibited from doing without CKH’s express prior written consent: (i) reproduce, modify, translate, aggregate, distribute, sell, commercially exploit, transmit, post, make derivatives of, or publicly disclose any of the Resources, or any portion thereof, in any way not expressly permitted in writing by CKH; (ii) remove, redact, or omit any and all copyright and other proprietary notices displayed on the Resources or on any permitted copies thereof; (iii) use of any data mining, robots or similar data gathering or extraction methods in connection with the Resources or the Websites; (iv) download (other than page caching) of any portion of the Resources or the Websites except to the extent expressly authorized during provision of the Products and Services; (v) reverse engineer or access the Resources or the Websites in order to develop or use any competitive website, content, app, product or service; (vi) use any of the Websites, Products or Resources other than for their intended purposes; (vii) resell any Resources or other Products delivered or otherwise acquired by you during the course of the Services or otherwise through the Websites; (viii) store, transport or use any Products or Resources in an unsafe or reckless manner or in any manner prohibited by law or regulation; or (ix) use any of the Resources in any manner not permitted by law or regulation. CKH may also impose additional reasonable limits on the scope of your access to and use of the Resources, including limits on time or number of materials accessed or machines used to access such Resources, in part to prevent unauthorized third-party access to or use of such Resources.

CONFIDENTIALITY:

This Agreement and its various terms (including the pricing, combination of services and solutions, and other terms of all associated Products and Services section) as well as metrics, observations and personal information about Client’s participants that may be contained or reflected in Deliverables (collectively, “**Confidential Information**”) shall be treated as confidential by Client and shall not be disclosed to any third parties throughout the Term of this Agreement and for five (5) years thereafter. However, notwithstanding the foregoing, Client may disclose such Confidential Information in compliance with judicial or other governmental orders or open records requests, provided that (i) Client shall give CKH at least ten business days advance written notice before so disclosing in response to such orders or requests, and (ii) Client shall reasonably cooperate with CKH to accommodate any requests from CKH to secure protective orders or to limit the scope of responses to the extent legally permissible.

Section 6: Disclaimers

Client accepts and must accept all of the Resources, Access, Products and Services, including any work products, results or deliverables produced thereby (collectively, “**Deliverables**”), “AS IS” and with all faults and errors. CKH HEREBY DISCLAIMS ANY AND ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, THAT MIGHT RELATE TO THE RESOURCES, ACCESS, SERVICES OR ANY DELIVERABLES, EXCEPT FOR ANY SPECIFIC WARRANTIES THAT MAY BE EXPRESSLY PROVIDED IN THE TERMS OF THIS AGREEMENT, IF ANY. The entire risk as to the functionality, operation, and results is with the Client, and neither CKH nor any of its Consultants or other representatives assumes any risk or obligation in connection therewith. CKH hereby disclaims any and all liability, risk, obligation, or responsibility for decisions made or actions taken by Client after use of the Products, Resources, Access, Services, or any Deliverables. CKH shall in no way be responsible or liable for CLIENT’S use of (1) the Resources, Access, Products, Services, or Deliverables, (2) the information and data provided by third parties in order to use the Resources, Access, Products, Services or Deliverables; or (3) the information or results obtained through the Resources, Access, Products, Services or Deliverables. CKH does not guarantee or warrant any particular result or success as a result of the use of the Resources, Access, Products, Services, or Deliverables. Instead, the Resources, Access, Products, Services, and Deliverables should be considered tools to assist the Client, but they should not be treated as a singular solution.

In no event shall CKH or any of its Consultants or other representatives be liable for or responsible for any indirect, incidental, or consequential damages or injuries related to Client's or its representative's use of: (1) the Resources, Access, Products, Services or Deliverables; (2) the information and data provided by third parties in order to use the Resources, Access, Products, Services or Deliverables; or (3) the information or results obtained through the Resources, Access, Products, Services or Deliverables. The maximum possible liability of CKH shall not exceed the lesser of (a) the amount that the Client paid for the Resources, Access, Products, Services, or Deliverables that directly relate to the claim giving rise to such liability or (b) the full retail cost of those same Resources, Access, Products, Services or Deliverables.

No information shared by CKH verbally or in writing can be constituted to be professional advice, such as medical, legal, financial, psychological, business, or counseling advice. Diagnosing medical or psychological conditions cannot be done through a coaching process and should only be done by licensed professionals.

Section 7: Entirety & Interpretation

Once accepted, this Agreement together with the Terms of Use associated with our Websites represents the entire agreement, and supersedes any and all previous understandings, between you and CKH as pertains to our Products and Services and your Access to Resources. To be valid and enforceable, any amendment or modification to this Agreement, which may be in the form of a subsequent Products and Services Amendment that expressly invokes this Agreement, must be in a writing and signed by the respective authorized representatives to be bound thereby. This Agreement shall be construed, interpreted, and enforced exclusively under the laws and venue applicable in College Station, Brazos County, Texas. Section and paragraph headings have been included in this Agreement in hopes of facilitating ease of reference, but such headings shall not affect the interpretation of this Agreement. In the event of any inconsistency that cannot be reasonably resolved between this Agreement and an applicable Products and Services, the Products and Services section shall control for purposes of resolving the inconsistency, and a more recent Products and Services section shall control over inconsistent terms in Products and Services section(s). To the extent of any inconsistency that cannot be reasonably resolved between this Agreement and the Terms of Use associated with our Websites, this Agreement shall control throughout the Term, while the Terms of Use will control after the Term. You also agree that this Agreement will not be construed against CKH by virtue of having drafted it.

Section 8: Acceptance & Term

To indicate your acceptance of this Agreement without changes, the Client should have its authorized representative sign where indicated below and return the signed Agreement to Capturing Kids' Hearts via email to wendy.cox@capturingkidshearts.org. Once returned, the date of your authorized representative's signature shall be treated as the effective start date of this Agreement. The enforceable term of this Agreement ("**Term**") shall extend until all services on the Products and Services section are from the Effective Date, unless sooner terminated, except that the Term shall be automatically extended through the last day of your Subscription Access, including any and all Renewal Terms for such Access.

Either party to this Agreement may terminate this Agreement at any point during the Term by providing ninety days' written notice to the other in the event that such other party materially breaches any provision of this Agreement, unless that other party cures such breach during those ninety days. All unpaid payment obligations and all rights and obligations under Intellectual Property of this Agreement shall survive any termination of this Agreement.

Section 9: Confirmation

On behalf of the Client, the undersigned individual hereby confirms that they have read and understand all the terms and conditions of this Agreement, and, as the contact person and authorized representative of the Client for all purposes of this

SERVICE AGREEMENT

Agreement, will endeavor to see that all policies and related details are understood and completed by all Client involved parties in the planning of the Products and Services. MEMORANDUM

TO: Board of Education

FROM: Jessica Nothern, Chief Financial Officer
DATE: June 21, 2024
RE: Workman's Comp Insurance Renewal

ISSUE:

The Board of Education is asked to approve the renewal for Work Comp insurance through RAS for FY25.

BACKGROUND:

This year our MOD has slightly increased from FY24. We were running at .89 and are now coming in at .94, anything under 1.0 is considered good. The MOD is based on a 3 year lookback and the claims that were paid out. RAS's rates actually decreased, but with the increase in our MOD our annual premium will be \$307,939 for FY25, up from \$300,423 in FY24. We are going to start implementing some trainings through Iron Insurance to continue to keep our MOD down. Iron Insurance is our agent for Work Comp and will put our plan out for bids for FY26 just to make sure we are choosing the best company for the district. We have had no issues in working with RAS.

ALTERNATIVES:

No other alternatives applicable

RECOMMENDATION:

1. Approve the renewal with RAS.
2. Deny the renewal with RAS.
3. Recommend an alternative solution.

FISCAL NOTE:

The total expense for this purchase is \$307,939.00. This purchase will be budgeted in FY25 from the following account: 006 E 1000 21 0000 001 00 260.

RE: Property & Casualty Insurance

ISSUE:

The Board of Education is asked to discuss options for the district's Property & Casualty Insurance.

BACKGROUND:

The district's Property & Casualty Insurance is currently through EMC Insurance. EMC has seen significant losses for the past several years and has restructured their plans. We are paid through 12/31/2024 under past conditions. New conditions, if we choose to remain with EMC, include 1% deductibles on all claims. The 1% is of the amount we have the specific property insured. We have been presented a new option by Iron Insurance through the State pool called KICS. KICS is roughly \$480,000 more per year but has a defined deductible of \$250,000 per occurrence. There are pros and cons to EMC and KICS. The Board will need to discuss how they would like me to proceed.

ALTERNATIVES:

EMC Insurance
KICS Insurance

RECOMMENDATION:

1. Discuss the options.
2. Approve one of the options.
3. Recommend an alternative solution.

FISCAL NOTE:

The annual expense for EMC would be around \$680,000. The annual expense for KICS would be \$1,158,824.

RE: Revenue Neutral Rate

ISSUE:

The Board of Education is asked to approve the intent to exceed the Revenue Neutral Rate (RNR) for FY25.

BACKGROUND:

The District has to notify the County Clerk of the tax rate proposed for the new fiscal year, if planning to exceed the RNR. The deadline for notification is July 20, 2024 and this notification also identifies the date the RNR hearing will be held. This hearing must take place prior to or in conjunction with the budget hearing between August 20th and September 20th. I plan to have both the RNR Hearing and Budget Hearing on September 9th, 2024 prior to the regular Board meeting. Hearing information will be published in the Garden City Telegram at least 10 days prior. This tax rate becomes the maximum allowed for the district, but the district is not mandated to adopt that specific rate. I will be setting the rate higher than I anticipate needing, just to have the authority if need be, once the budget is complete.

ALTERNATIVES:

None

RECOMMENDATION:

1. Approve the intent to exceed the RNR
2. Suggest an alternative

FISCAL NOTE:

None until the budget is adopted.
